

"PSYCHIANA"

A MOVEMENT OF THE SPIRIT OF GOD ON THE EARTH

★ LETTER OF TRANSMISSION WITH LESSON ONE ★

Dear Fellow-Student:

Here is Lesson Number One. It is more of a "get-together" Lesson than anything else although it does contain a very great fundamental truth. It will take quite a long time to eradicate the false beliefs of thousands of years, and throughout this entire series of Lessons, I shall, at first, give you but one main thought. This will be better for you. For if you can but absorb only one great thought from the Realm of God, that one thought alone will be sufficient to benefit you materially and permanently.

At the end of each Lesson from now on, you will find a series of Questions. You need not send the answers in to us. I am giving them to you so that you may check back through each Lessons and be sure that you have grasped the fundamentals of it. If you check yourself in this manner, it will not be necessary for you to write to us for more advice. Go slowly. Go surely. Be in earnest. The whole Realm of the Spirit of God is awaiting to bestow on you all it has—and that's a lot. So follow me closely. It will pay you to.

Cordially your friend and fellow-Student

Frank B. Robinson
