A MOVEMENT OF THE SPIRIT OF GOD ON THE EARTH

TRANSMISSION LETTER WITH LESSON 8

DEAR FELLOW-STUDENT:

Here is your Lesson Number 8. It's a sort of a reconnoitering Lesson. It goes back over a little of the ground we have covered together in our travels along the Highway of God, to date. This Realm of the Spirit of God, beloved, is the most REAL Realm there is. It's the most DYNAMIC Realm this world has ever known. It's absolutely full of Power. For this Invisible Spirit of Life, which is God, actually and literally exists here and now for YOUR use, and in addition to that, YOU ARE INSEPARABLY JOINED TO IT. What a dynamic statement that is. But how true. Make it a daily practice to "actually and literally talk with God." Draw upon the Power which is God, for let me drive home to you, with all the earnestness of my nature, the fact that the Invisible Realm of the Spirit of God exists here and now, for your own personal use. You CAN draw from this God-Realm everything you need to make your life what God would have it be. Oh, what a glorious experience this experience of God is. Tell your friends of this Teaching. Join the "ONE-A-DAY" Club and receive your beautiful Certificate. It will help us, and will certainly help you.

Cordially your friend and fellow-Student,

Frank B. Robinson
