

"PSYCHIANA"

A MOVEMENT OF THE

SPIRIT OF GOD ON THE EARTH

★ TRANSMISSION LETTER WITH LESSON TEN ★

In this Lesson we talk once more about God. That's all we know. That's all we want to know. Just the beautiful Power of the Realm of the Spirit of God, operating in human lives. The affirmation I gave you—use it. Make daily communion with God a habit. Then, very soon, will drawing the Power of God become a habit also. I want to digress here a moment and tell you how this Teaching is being received. It's growing. It's growing very fast. Sometimes I wonder how long it will be before it has the whole world talking about it. And the whole world WILL talk. For it is, to my knowledge, THE ONLY TEACHING ON THE FACE OF THE EARTH WHICH IS ABLE TO ACTUALLY DEMONSTRATE, THROUGH ITS TEACHINGS, THE POWER OF THE SPIRIT OF GOD. Men and women are using this Power. They have learned to love it. They have learned to love God. They are happy in God. You should be, too. Don't forget, our burden here is very heavy. If you can increase the amount of your monthly donation, do it. It keeps us awfully busy and awfully anxious. We want to do so very well, what God has called us to do. With your help we can do it. Don't forget, our books are open to every contributing Student at any time. But more than that, TALK WITH GOD. Recognize the Presence and Power of God. Read this Lesson many times. There's much truth in it.

Cordially your friend and fellow-Student

Frank B. Robinson

Questions With Lesson Number 10

1. What is the natural result of having mastered the secret of daily communion with God?
2. Is there anything of mystery or superstition connected with the Realm of God?
3. What is the greatest gem in the human mind?
4. Do old ideas and systems abound more in oral tradition or in truth?
5. Communion with God in the morning and during the day will have what effect on your day's labors?
6. What does Doctor Robinson mean by entering into your "closet" and closing the door?
7. What conditions must always exist before Doctor Robinson ever attempts to speak or to write?
8. Why does Doctor Robinson refer to God as It rather than as he or she?
9. In the moment when the Spirit of God moves, what two things do you know beyond the shadow of a doubt?
10. Will you ever find your "closet" empty? What will be there?
