A MOVEMENT OF THE SPIRIT OF GOD ON THE EARTH

## TRANSMISSION LETTER WITH LESSON 11

DEAR FELLOW-STUDENT:

Did you ever stop to think what your body as such is actually worth? If I remember correctly, it can be sold for 17 cents and you could get one good cake of soap out of it, and enough phosphorus to make a few matches. It's not much good just as a body—is it? But, fill that body with the Life-Principle which is God, and see what you are worth. And that's the actual condition of life as it exists in you today. Seventeen cents' worth of physical body, FILLED WITH THE SPIRIT OF GOD. So you will see, it is NOT your physical body which is the real "you," IT'S THE SPIRIT OF GOD IN YOUR BODY. And that Spirit can, and will, and does, whenever you let it, carry you to realms which you have never known before. God in man. Repeat that thought, please—"GOD IN MAN." Here and now. All the Power of the Realm of God, DWELLING IN YOU HERE AND NOW. What a dynamic life you are living. What a pity of you to go down to the grave, all unconscious of what this Power could have done for, and what it wanted to do for you. Recognize it now, beloved. I don't know who you are. It makes no difference. For the Spirit of God is available to all. It works for all alike. AND IT WORKS HERE AND NOW. If there is a point you do not understand, write my Assistant, Dr. C. W. Tenney. He will be glad to help you. And join the "ONE-A-DAY" Club, too.

Cordially your friend and fellow-Student,

*Frank B. Robinson*
