

"PSYCHIANA"

A MOVEMENT OF THE SPIRIT OF GOD ON THE EARTH

TRANSMISSION LETTER WITH LESSON 12

I told you in the last letter I sent you about the actual value of your body. Then I showed you what that body actually is, as it exists today. I also showed you what the "real" you is. It may be that to date you have not known this fact of God in you. You know it now. And if it should be that you cannot or do not experience the Presence of God, its just simply because your physical self is hindering God from operating. Usually when this happens, a person has not gotten the true vision. So if you have any difficulty in recognizing the actual Power and Presence of God in your life think of a cake of soap. That soap is what your physical body really amounts to. Then when you see that, you will automatically KNOW that the motivating Power in you is the invisible Life of the invisible Spirit which is God. Nothing too hard to grasp there, is there? Then knowing that your body is only the receptacle of the Spirit of God, you will begin to faintly imagine what you can do through the Power of the Spirit of God. GOD IN YOU. YOU CONTINUALLY TALKING WITH GOD AND DRAWING FROM GOD ALL THE POWER YOU NEED FOR EVERYTHING YOU DESIRE THAT IS RIGHT. That's what we are teaching. It's a glorious message. And how the world is responding to it.

Sincerely your friend and teacher,

Frank B. Robinson

Questions With Lesson Number 12

1. List the things which have happened in your life since you began to study these Truths of God.
2. What causes the grain to grow after the seed has been planted in the earth?
3. When you are one with the life which is God instead of its being you manifesting, what will be happening?
4. Why are you a far more wonderful creation of God than any of the planets of the celestial sphere?
5. Is it possible to limit God?
6. Does Doctor Robinson claim to possess any strange Power?
7. What is the one thing this Movement has done?
8. Why and how does man reflect God?
9. What honor has God given only to man?
10. What point does Doctor Robinson wish to make by giving his story of the sick child?
