PSYCHIANA

A MOVEMENT OF THE SPIRIT OF GOD ON THE EARTH

LETTER OF TRANSMISSION WITH LESSON 14

DEAR FELLOW-STUDENT:

In this Lesson I give you a few facts which I think you should know about what happened to me recently. It will give you the "inside" story of what many have thought to be a most unwarranted and vicious attack on this entire Movement. I didn't like to write this Lesson. But question after question comes to us, asking about the recent publicity, and asking what was behind it. Here it is. It's only what others who have stood up for God have had to go through. The main thing is that it shows the concern with which the enemies of God view this Movement. And, I suppose, it's quite natural. If the definition and conception of God being given to the world by "PSYCHIANA" is true, then some other philosophies are not true. Think of it, beloved—eleven major systems of religion having 1,400,000,000 followers on the earth today. Eleven "bibles" or other "sacred writings." Eleven different deities. And all claiming to be the only true God. Yet look at the war-maddened world today in spite of these eleven great religions with their 1,400,000,000 followers. I think it's about time someone came to the world with the true picture of God—don't you?

Cordially yours,

Frank B. Robinson
