"PSYCHIANA"

A MOVEMENT OF THE SPIRIT OF GOD ON THE EARTH

★ LETTER OF TRANSMISSION WITH LESSON 23 ★

Dear Fellow-Student:

There is a lot of pathos in me when I see the condition of the world today. For it's a pathetic picture. Here we have all the Power of God necessary to save it at once, and we have 1,400,000,000 men and women supposed to know that Power, and still—headlong to destruction we plunge, IN SPITE OF THESE 1,400,000,000 SOULS AND IN SPITE OF THE FACT THAT ALL THAT IS NECESSARY EVEN NOW, AT THIS LATE DATE, IS FOR MEN AND WOMEN TO RECOGNIZE THE EXISTING POWER AND PRESENCE OF THE SPIRIT WHICH IS GOD. Oh the tragedy of it all. Oh the pathos of it all. Oh, the shame of it all. Yet, to those who have found God's Power here and now, there is an ineffable sweetness that comes into the life. There is a mighty love for all. There is a glory this world cannot bring to us. It's God. It's the Spirit of God. It's the Power of God. I'm only hoping the world gets this picture before the great Calamity befalls us. Democracy isn't safe any more. Brutal force of arms is the thing. Mad megalomaniacs are in control. They want to drive the very name of God off the earth. Sometimes I wonder if some of these organizations being "persecuted" by the dictators, haven't brought a lot of it on themselves because they have not been true to their profession. Maybe they have tried to control politics instead of demonstrating the Power of God. But the end of this war-madness is hard by. It's close at hand. BE FIRM IN GOD, beloved. I'm doing my best to lead you. You stay by me, and we'll bring to this earth, the greatest revival of God-Power it has ever known.

Cordially your friend and fellow-Student,

Frank B Robinson
