A MOVEMENT OF THE SPIRIT OF GOD ON THE EARTH

★ LETTER OF TRANSMISSION WITH LESSON 24 ★

Dear Fellow-Student:

Just a few moments ago, a very fine chap entered this office. He's a friend of mine, and I have but few friends. I live alone. I live in another world so to speak. I don't make many personal friends. But this chap is a general in the U. S. Army. A wonderful man. Lovable if ever man was lovable. He just dropped in for an hour's chat, which he often does. His closing words were, "I'll never be able to forget what your Teachings have done for me and mine." And that's the same statement which continues to pour into these offices from all over the world. Truly, this newly-discovered Power of God is at work on the earth. What a work this is. And how fortunate you are in being associated with us all. God waited until the time looked the most hopeless, and then he sent his man with his message. That message you have. That message, you must help me spread. Not for any personal glory—we don't want that here. Not for personal gain—we don't want that either. All we want to do is to bring to this world the true picture of the present existence of the Spirit of God. Be quiet. Get away alone, and there, all alone, TALK WITH GOD. Do this always. God hears. God's Power exists in you. Live therefore, in that Power. Think of us here every day. Hold us up. Stand by us. You will be a thousand times rewarded.

Cordially your friend and fellow-Student,

Frank B. Robinson
