A MOVEMENT OF THE SPIRIT OF GOD ON THE EARTH

## ★ LETTER OF TRANSMISSION WITH LESSON 26 ★

DEAR FELLOW-STUDENT:

Here is Lesson Number 26. The information this and the few following Lessons disclose shocks many who have been taught to “blindly believe” what their spiritual advisers have told them to believe. For many years I never even suspected that history or tradition had ever heard of another crucified God than Jesus Christ. This was, I suppose, because I was raised in a home which believed the Christian religion. You may imagine my surprise when I discovered that history or tradition records more than 20 crucified “gods.” It was this one fact, more, perhaps, than any other, which started me out investigating ALL religions. Not just one—I investigated them all. And I am convinced, absolutely and positively, that in at least one instance, one form of religion was copied in every detail from another and far larger system, which was in existence more than 1,400 years before the later one was started. If this is so, the world should know it. For, behind ALL of our present existing structures—lies GOD. And a God this world has never yet known. This God, I am trying to teach you of.

Cordially your friend and fellow-Student,

*Frank B. Robinson*
