A MOVEMENT OF THE SPIRIT OF GOD ON THE EARTH

## ★ LETTER OF TRANSMISSION WITH LESSON 28 ★

DEAR FELLOW-STUDENT:

Last week I was in Salt Lake City. I met there some wonderful Students, and the more of my Students I meet, the more I am convinced that this Movement will sweep the world through the "PSYCHIANA" Home-Study Groups. I had dinner with Mr. and Mrs. Jackson and their daughter Adele. Just simple, plain folks. Mr. Jackson is a motorman on the Street Railway busses. Mrs. Jackson works in the Belvedere Hotel in Salt Lake City. But wonderful, wonderful folks. I sat there and played a player-piano for more than an hour, and never enjoyed anything so much in my life. The Jacksons will be surprised when they read this, for they never suspected I would write to the rest of my Students about our little trip. A HOME-STUDY Group could be started in Salt Lake which would have a large number of wonderful people in it. So don't be bashful, beloved—put the little "ad" in your local paper and get your group started, if it is convenient. Many Students keep asking us just how many Students we have now. I do not know. I know all who are regularly enrolled, but there are tens of thousands meeting in these groups that I don't know of. I think though, without question, this Teaching is well on its way to sweep the world. Support us, please, out of a full heart, and I'll do the rest.

Cordially your friend and fellow-Student,

*Frank B. Robinson*
