A MOVEMENT OF THE SPIRIT OF GOD ON THE EARTH

## ★ LETTER OF TRANSMISSION WITH LESSON 29 ★

DEAR FELLOW-STUDENT:

Here, beloved, is your Lesson 29. It's interesting, to say the least. We have been taught that there really was only ONE resurrection. But here, we see that there were very many, and this, if true, takes the glamour and the "miracle" out of the other one. No—beloved—God does not manifest through such stories as these. They may have been all right in a superstitious age 2,000 years ago. But they are not all right now. Men and women are thinking. And thinking will, sooner or later, LEAD YOU TO GOD. Use your reason, Student. God is too big for this sort of thing. But God is NOT too big to be found by you, in your own body, at any time. God is Spirit. Spirit is Life. God has no father or mother, no brothers or sisters, and no sons or daughters. God, being Spirit, could not possibly have had such. As the Power of the invisible Realm of the Spirit of God is recognized by you in your everyday life and affairs, guard this newly found treasure zealously. It's a very precious Power. Quietly tell others, and send us their names and addresses. Then, using the Spirit of God as you will be led to use it, you can achieve the very things in life, be they material or spiritual, that you desire. Give God credit for two things—FIRST:—for being able to exist everywhere, and SECOND:—for dwelling in your own life.

Cordially your friend and fellow-Student,

*Frank B. Robinson*

### QUESTIONS FOR LESSON NUMBER 29

1. Do any of the historians of the age in which Christ was crucified make any mention of the phenomena which supposedly accompanied his crucifixion?
2. Were the phenomena represented as occurring at the crucifixion of Christ also identified with the crucifixion of any other "saviors"?
3. If man is the origin of the eleven great religions, can they have anything to offer the world today? Why?
4. Was the story of the dead rising ever told before the time of Christ?
5. The principal motive of investing history with the incredible events reported as being connected with the crucifixion seems to have grown out of what desire?
6. What may be the reason for the absolute inability of the eleven great religions to help the world today?
7. What is the reason for the terrible condition of this world today?
8. If what we are finding out is true, do these great religions know very much about God?
9. These great religions may see the light, but what would preaching the Power of God as we do here do to their machinery?
10. What does Doctor Robinson ask you to do in order to help spread this Teaching in your own neighborhood?
