A MOVEMENT OF THE SPIRIT OF GOD ON THE EARTH

LETTER OF TRANSMISSION WITH LESSON 31

Dear Fellow-Student:

Here is your Lesson No. 31. The point to remember in this Lesson is that it is not necessary to trust your experience with God to anyone else. In other words, it is not necessary, and may be very dangerous, for you to either trust or believe what someone else tells you about God, when you can get first-hand and authentic information yourself, and direct from God. For while everything around you is changing, and dying, there is, underlying all that change and death, a LIVING POWER THAT IS CHANGELESS AND DEATHLESS. That Power is God. It holds all things together, it creates, and it sustains all life—INCLUDING YOURS. This, then, brings God to you as a living entity. It places all the Power of God at your disposal. So why bother someone else with your spiritual problems when there, wherever you are, lies the great Fountain-Head of all wisdom and power—God. God is life. God is love. God is light. And the Spirit of God gives you all of these things in the very moment you recognize this great Presence. The quiet "talking with God" will take on new Power as you progress in these Studies. So, recognizing this fact, make your moments spent with God veritable hours of blessing and Power. If you don't secure from the Realm of God all you can ever need here in this life and in whatever life there may be to come, it's your own fault. Remember this, please. Also remember the Home Study Groups. And the names of other interested people. Send them to us. If you should experience any difficulty in these Lessons, write either Doctor Tenney or myself.

Cordially your friend and Fellow-Student,

Frank G. Robinson

2. God is not hard to get acquainted with, but in order for us to do this, what must first be dispensed with?
3. What is the crime that would shock the mind of any man who thinks reason is ruling on this earth?
4. What happens when any other god than the true God is believed in?
5. How does God deal with us, as individuals, or as nations or organizations?
6. Give the names of eight "saviors" who supposedly rose from the dead.
7. Give three statements contained in the Bible which report different lengths of time elapsing between the crucifixion of Christ and his ascension into heaven.
8. How many brethren witnessed his ascension according to Paul? How many according to the author of Acts?
9. Give the names of two people who reportedly ascended into heaven long prior to the time of Christ.
10. Were the only reporters of the ascension, Mark and Luke, disciples of Christ at the time? Did Matthew and John, who were disciples at the time, make any mention of it?
