

"PSYCHIANA"

A MOVEMENT OF THE SPIRIT OF GOD ON THE EARTH

★ LETTER OF TRANSMISSION WITH LESSON FIVE ★

Dear Fellow-Student:

Here is Lesson Number Five. I feel a great joy sweeping over me every time I send you a Lesson. For it means that I am actually putting into your hands, the means to bring the Power of the Realm of the Spirit of God into your life. And as you find this God-Power, you will, in turn tell others. Then a great revival fire will break out, and other organizations will catch the vision I have given to the world, and then, by the millions, men and women will stand firm on the actual existence of God, and then, when they do that, they will find that no matter how great the need—THERE ALSO IS THE INVISIBLE POWER OF THE REALM OF THE SPIRIT OF GOD TO SUPPLY THAT NEED. Lesson Five is a beautiful Lesson. It's charged with dynamic God-Power. No man could write such Lessons as these unless the Power of the Spirit of God was operating in that man's life. It is. It will operate in your life too as you doubtless are finding out. May the Spirit of the Infinite God-Life be with you all through this Lesson. Check carefully your answers.

Cordially your friend and fellow-Student

Frank B. Robinson

QUESTIONS FOR LESSON NUMBER FIVE

1. As what does this Power operate?
2. What are the main characteristics of this Power?
3. Why is it that wild geese know the difference between north and south?
4. Are there any limitations to this Law? Why?
5. What fact does Doctor Robinson's story of the recovery of the Tacoma boy prove?
6. Do you think that the great Creative Intelligence behind this universe would bestow its Power on inanimate things and leave you out of the picture?
7. Why cannot this Movement be explained by others?
8. What is Doctor Robinson's sole duty and work?
9. Why does Doctor Robinson ask you to do little exercises?
10. What is the "Holy Ghost?"
