A MOVEMENT OF THE SPIRIT OF GOD ON THE EARTH

LETTER OF TRANSMISSION WITH LESSON 41

Dear Fellow-Student:

Here is your Lesson 41. It deals with the worship of men as gods, and it discloses that in the past, this has been done. It isn't being done so much today as it used to be, although there still is on the earth today a colored man who doesn't make any bones about it. He says he is God. But what he says and what others say about him may be two different things. In a way, we all are God in a certain form. If the Spirit of God lives in us, then certainly that makes us "an image" of God, does it not? If God saw fit to impart to us the life which is God's own life, then what are we? If you breed a Percheron stallion to a mare, you'll see the Percheron in the colt. If you breed a black man and a white woman, you'll see a "half-breed" in the child. If, therefore, God has "breathed into man's nostrils the breath of life," then that life, coming from God, **MUST BE GOD**. No argument there. Then, instead of worrying about either "heaven" or "hell," why not let those who refuse to think do the worrying. Such a theory as that can't save the world. But the Presence of God **IN YOU**, can, and will, save the world. Just think of it. We live in a glorious age. **THE ONLY AGE WHICH IS MENTALLY COMPETENT TO GRASP THE FACT OF GOD IN A HUMAN BEING**. Beloved, experiment with God. Put God in you to the test. Give God credit for being able to manifest in your life—then see what happens. Oh, how I wish every religious organization in America, be it Catholic or Protestant, would unite with the other fellows. They'd have to throw overboard a lot of dogma and tradition, but **HOW IT WOULD PAY. THERE'S ONE THING THEY SHOULD ALL BE ABLE TO AGREE UPON, AND THAT IS THE PRESENT EXISTENCE OF THE SPIRIT OF GOD**. Well, now that we have found but **ONE** thing upon which they can all agree, we've done something. We have been teaching that for ten years.

Cordially your friend and fellow-Student,

Frank B. Robinson
