A MOVEMENT OF THE SPIRIT OF GOD ON THE EARTH

LETTER OF TRANSMISSION WITH LESSON 43

Dear Fellow-Student:

Here is your Lesson No. 43. Happily we leave all constructive criticism behind, and from this point on we shall go into the Realm of the Spirit of God at much greater depth. You should, by this time, be actually manifesting and demonstrating every day in your own life, this mighty Spirit. Everything is, no doubt, changing, and you now know, beyond any shadow of doubt, that God is the most real thing you have ever known. I want to make a little request here, if I may. Many Students send me registered letters, and they put on the envelope "DELIVER TO ADDRESSEE ONLY." Please don't do that. If I am away, as I am a great deal of the time, after a couple of weeks such a letter, marked for my personal delivery, has to be returned. I have no time to go to the postoffice these days. Even when I am in Moscow I don't have time to personally get the mail. No matter how important your letter may be, just mark on the envelope "Strictly Personal," and the letter will receive the proper attention. Do not, though, mark any registered letter to me "Deliver to Addressee Only." If your letter reaches here, and I am available to answer it, I shall do so. If not, any important letters are either held for my return or answered by Dr. Tenney. I don't know just what I shall do if this Movement continues to grow as it's growing now. Certain Dr. Tenney, and his assistants, won't be able to answer all the mail. However—we know that the inspiration of the Spirit of God will always guide. And we are quite sure we shall always follow. Will you promise me you will do that, too?

Cordially your friend and fellow-Student,

Frank B. Robinson
