A MOVEMENT OF THE SPIRIT OF GOD ON THE EARTH

★ LETTER OF TRANSMISSION WITH LESSON 48 ★

Dear Fellow-Student:

Here is Lesson No. 48. I wrote this Lesson many months ago. It has helped many I assure you. The beauty of this Teaching lies in the fact that all, regardless of race, creed, or color, can find God through it. By the way, a very unusual book has just been published. It's the "LIFE OF CHRIST" by the famous English author of "THE CHRISTIAN"—Mr. Hall Caine. The book took 40 years to write, and it was published after the death of the author. It's published by Doubleday-Doran, New York City. By all means buy that book and read it. It's strange, remarkably strange how scientists, and prominent men, are writing and saying now what I first advanced to the world ten years ago. You may doubt me when I tell you that most of these bible stories may be more fiction than fact, but you cannot doubt such men as Hall Caine. Please get this book. If your library hasn't it—have them get it. It will be in every theological seminary in the country ere long. It made me very happy. I knew then, what I have suspected for some time, that at long last, the actual truth of God is coming to this earth. Those who have operated as religious organizations, will either have to change their philosophy, or get out of the way and make room for those who have the true picture of God. For the time is at hand when the Power of the Spirit of God is about to be manifested on this earth in an unmistakable manner. All signs point to it. I am supremely happy, beloved, that my part in this Movement, and your part too, is being so prominent. don't forget the Home-Study Clubs and don't forget to keep me supplied with names. Talk the Teaching wherever you go. Your spiritual reward will be great.

Cordially your friend and fellow-Student,

Frank B. Robinson
