A MOVEMENT OF THE SPIRIT OF GOD ON THE EARTH

LETTER OF TRANSMISSION WITH LESSON 55

Dear Fellow-Student:

God gave us intelligence and reason so let's employ our plain common sense in deciding what is Truth. God is Truth or infinite Wisdom and with God as our guide the new day will dawn when man, in perfect harmony with God, will recognize the actual presence of the Spirit of God here on the earth. As it dawns we shall accept the God-Law which always works in a beautiful and natural order. The new day dawning will bring together all humanity to worship the one, true Spirit of God and in so doing there shall be "peace on earth, good will toward men," because as Jesus said, "The Kingdom of God is at hand." We recognize this fact since the Kingdom of God includes peace, power, joy, eternal life, love, and infinite wisdom. To be born of the Spirit means simply to realize that the Spirit of God is our very life which causes us to breathe, our hearts to beat, and ourselves to be conscious of existence. Jesus was a man but his being was filled with the Spirit of Christ which means the Spirit of Living Truth. Let us realize that Christ is the living Spirit of God, which manifested through the personality of Jesus. This same Spirit of Christ will manifest through our own personalities if we but recognize its presence and depend upon the changeless, eternal Law of God to keep us in perfect health, and to send to us everything we need for joyful, happy and helpful living. Jesus said, "Thy Kingdom come, Thy will be done, on earth as it is in heaven." He meant that this earth is God's heaven and, we who dwell therein will receive God's blessings if we keep in tune, for in Spirit and in Truth we have already received.

Cordially your friend and fellow-student,

Frank B. Robinson
