"PSYCHIANA"

A MOVEMENT OF THE SPIRIT OF GOD ON THE EARTH

LETTER OF TRANSMISSION WITH LESSON 58

DEAR FELLOW-STUDENT:

Let us try to realize that our earth is in reality a part of the Spiritual Universe which is all good or all God. For God is All in All. "World" means simply material thought. When we learn to believe that God is real and the manifestation of perfect good, then we begin to see through this mist of material belief and to see our real earth in its spiritual perfection. The earth, God created perfect just as he created the heavens perfect. Also, He created man perfect. When we learn to know God, when we become like God, we, too, will see God in everyone and everything because we are looking for the good in all things. It is conscious communion, in the silence, with God, that brings this great revelation of Truth to our consciousness. As we grow Spiritually, we are able to see with the eyes of Spirit, the true, spiritual earth, peopled with Spiritual beings. Love guides us in all our undertakings. Peace fills us always. We thrill to new joys daily as we grow on youth, beauty, and perfect health. Thus we become like God and manifest God's image in whose likeness we were created. There is nothing in the Universe but God.

Cordially your friend and fellow-Student,

Frank B. Robinson
