A MOVEMENT OF THE SPIRIT OF GOD ON THE EARTH

LETTER OF TRANSMISSION WITH LESSON 59

DEAR FELLOW-STUDENT:

In this Lesson I urge you to help others by your thinking. The powerful thoughts of love can be sent out just as a broadcasting station can send out music and spoken words into the ether. The only difference is that every man is spiritually tuned in without any effort or knowledge on his part. Begin by sending thoughts of love and well-wishing to all with whom you associate. Those thoughts will register and be a wonderful help to those who receive as well as a means of increasing your own store of love and power. Direct your thoughts to carry the message of love. During your quiet moments when you, yourself, are drawing this love and power from the Infinite Source, be as an open channel through which this healing, revitalizing Power can flow out to those who need it. Learn to recognize the Presence as your desire is fulfilled and then at some unexpected time, some friend will reward you by telling you how much better he feels and how much happier his life has become. That will be joy enough for you for "It is more blessed to give than to receive."

Cordially your friend and fellow-Student,

Frank B. Robinson
