A MOVEMENT OF THE SPIRIT OF GOD ON THE EARTH

Letter of Transmission With Letter 63

DEAR FELLOW-STUDENT:

When we recognize the actual Presence of the Spirit of God in our lives we throw into play the action of this tremendous Spiritual Power. This comes with the realization that God is All in All. Every thought that then crosses our consciousness is a positive thought of Power and force because the only real thought in the universe is God thought, originating in the one and only Infinite Mind. Thus when you are conscious of God's Presence you will realize that we do all our thinking with true Mind, hence all we do is the result of Infinite Wisdom. This powerful God thought or action of God reveals to us true Heaven on earth. This Heaven, God's realm of peace, joy and abundance, spreads before our view as we tune in and recognize the actual, living Presence of the Infinite Mind of God, source of all Good, doing our thinking for us. The only real things in existence are the actual joys of Heaven which are perfect, real, changeless, and eternal. We, ourselves, in reality are perfect spiritual beings with God as our life. God and perfect Good are one. Perfect Wisdom of Infinite Mind and its manifestations on the true earth is the only Reality.

Cordially your friend and fellow-student,

Frank B. Robinson
