

To "Psychiana" Students on the Pacific Coast

DEAR STUDENT:

I am planning a Pacific Coast Conference with my students and friends of "Psychiana," to be held in Los Angeles some time toward the end of November, or the beginning of December. In order to help me secure a large enough auditorium, will you please drop me a post card immediately telling me if you will be able to attend this conference or not. Important plans for the future of this Movement will be discussed and your presence is very urgently requested. So write me a letter or post card today, telling me that you will or will not be able to attend. I shall personally conduct this conference. Please don't fail me in this.

With kindest personal regards,

FRANK B. ROBINSON.
