"PSYCHIANA"

A MOVEMENT OF THE SPIRIT OF GOD ON THE EARTH

Letter of Transmission With Lesson 64

DEAR FELLOW-STUDENT:

The Spirit of God and the physical body are one and the same identical, real and perfect creation, made in the living image of God, filled with the one life which is God, breathing, living, moving by the Power of God. This physical image or Spirit, thinking with the Infinite Mind, is in heaven here on the earth. This earth is likewise the perfect creation of the Perfect Creator. It provides everything that life needs for its sustenance and includes all the joy, peace, health, beauty, youth, vitality, love and wisdom that the Spirit of Life living in you desires for the complete fulfillment of that life. You live in the Realm of God and the Realm of God is heaven. Be quiet, tune in with this great truth, realize that it is true and become conscious of the Reality here in this great, eternal present which is the actual Presence of God. Let this realization dawn on you and wake up to find yourself with heaven all around you and you in heaven where in reality you have always been.

Cordially your friend and fellow-student,

Frank B. Robinson
