

VERY IMPORTANT NOTICE

On September 16th, 1938, we announced to the world that the method of distributing the "PSYCHIANA" Teaching would be changed from a "pay" basis to a "free gift" basis. We expected a great increase in the demand for this Teaching under the new plan, but we did not even faintly anticipate that it would tax our resources to the limit to supply our Students with these Lessons. But this has happened, and we find ourselves today utterly unable to supply the demand for "PSYCHIANA." Last year, we built a new Printing Department covering 6,300 square feet of floor space, and twice as large as the building we formerly occupied. Although our printing department is working night and day, we still are unable to print the Lessons and the other literature fast enough to keep abreast of the demand for it. Facing this situation in the best way possible, the only remedy we can see is to send these Lessons to our Students, one every SECOND week instead of one every week. This was the manner in which we sent them out before the change. So, effective immediately, ALL STUDENTS WILL RECEIVE THEIR LESSONS EVERY SECOND WEEK INSTEAD OF EVERY WEEK, UNTIL FURTHER NOTICE.

A Second Important Announcement

With this increase in the demand for our Teaching, our Students' Advisory Department has also been flooded with letters, and this Department, too, is utterly unable to cope with these letters. Dr. Tenney and his assistants are very willing to help every Student with his or her Lessons, where such Student feels it necessary. However, with the unexpected flood of correspondence, the following rules governing the personal letters from Students MUST BE FOLLOWED. First: PRINT PLAINLY YOUR ENROLLMENT NUMBER AND NAME AND ADDRESS AT THE TOP OF THE FIRST PAGE OF YOUR LETTER. In this way we shall be able to at once designate a letter from a Student. Letters from non-students positively cannot be answered at this time. Second: ENCLOSE A SELF-ADDRESSED, STAMPED ENVELOPE, or a THREE-CENT STAMP WITH YOUR LETTER. During the present emergency it is necessary that this be done. Otherwise your letter in all probability will be laid to one side, and the letters which have this information will be answered first. We do not know when we shall be able to get to letters from non-students. During the past 90 days (from Sept. 10 to Dec. 10, 1938) more than 200,000 "PSYCHIANA" Lessons were mailed from this office.

A Third Important Announcement

Naturally, this rapid and unexpected increase in the demand for this Teaching, and for information regarding the Teaching makes us very happy. This is a worthwhile Movement, beloved, and it looks as if it won't be too long before the whole world is grasping this New Conception of God, and is using the Power of the Spirit of God which accompanies it, as our files show. I give you my word of honor that neither Dr. Tenney nor myself is interested in your money or in anyone else's money. ALL WE WANT IS FOR ENOUGH MONEY TO COME IN TO MEET ALL OF OUR EXPENSES. We MUST have that. Naturally, the expenses of this increased demand are very heavy, and they must be met. So PLEASE cooperate with us. Send your donations to us ON TIME, and INCREASE THEM IF YOU CAN. The financial burden is heavy, but with your help we shall be enabled to do a work for God and humanity which, we believe, has never been duplicated on this earth before. Men and women are FINDING the Power of God, here and now, and this Power, if given a chance, CAN BRING PEACE TO THIS OLD EARTH WHERE NOTHING ELSE CAN. WE NEED YOUR FINANCIAL AND SPIRITUAL HELP IN THIS EMERGENCY. Will you give it to us, and assist us in what will very likely prove to be a spiritual revolution in America?

Now a Word to Non-Students

As you probably know, we make no charge for this Teaching, depending solely on the free-will gifts of those who study with us. We welcome you to our ranks, and will do everything in our power to bring to you the Power of the Spirit of God, which has been experienced by so many of our Students. If each Student will make a minimum donation of \$2.00 a month, we believe we shall be able to pay all expenses and overhead. If you can donate more, do so. It is NOT for us. It IS for God and HUMANITY. The TRUE conception of God can save this war-maddened, distressed world. It can save you, too. So come along and study with us. Do your part. That's all we ask.

Cordially yours,

Frank B. Robinson
