

To My New Students Everywhere

DR. FRANK B. ROBINSON
Founder of Psychiana

I HAVE A LITTLE FAVOR TO ASK OF YOU. I FEEL SURE YOU WILL GRANT IT.

My dear friend and fellow-student:

It really was a happy moment for me when we received your enrollment to study these staggering Truths of God with us. The transformation which has come into so many lives, after finding the actual Power of God, can come into your life too. That's what makes me so happy.

This is my twentieth year of piloting this Movement, and believe me, my joy is complete when I think of the untold thousands who have found, and are using, this staggering spiritual Power, which really is God. It has been quite a task, believe me. It has taken the actual Power of God in my life to do what has been done.

Yet I feel that everyone who enrolls with us can, if he will, achieve every good thing his or her heart can desire, because God certainly can do just that for you. Now what is the little favor I am asking? Well, it's just this—you can help me in a very material manner if you will send in the monthly payments as you agreed to. Your first payment is about 30 days overdue, and the dollar you have sent in does not even begin to pay us for the money we have so far extended for you.

Now that's all I ask. It isn't much—is it? Thank you a lot.

Sincerely your friend and teacher,

Frank Robinson
