Mr. F. E. Whitmore,  
Palm Springs, California

My dear Mr. Whitmore:

Dr. Robinson is still organizing "PSYCHIANA" units in California and I am still hoping that your time comes for meeting him face to face sooner than you expect.

In the meantime, you do not know how much I appreciate that splendid letter of yours. This again demonstrates that the Power of the Living God exists here and now and has no limit when ample faith is manifested.

Continue to remember there is no limit to what the Power of the Living God can do for you if you apply these Spiritual Truths to your personal affairs as you are now doing. Do your very best with heart, head and hands, confidently and trustingly and write again just before Christmas for we expect Dr. Robinson home for a few days about that time.

May the Spirit of Eternal Peace abide with you forever.

Sincerely your friend and Teacher,

C. W. TE NEY  
ASSISTANT TO DR. ROBINSON

Dear Mr <sup>Jessie</sup> ~~Donny~~;

I rec'd your nice letter of 11/16 Pt. for which I thank you kindly I intended answering sooner. But when you are living in a tent, and very few conveniences one gets so they don't care whether they ever write. Rents are very scarce, and what is available is beyond my means. Well things have broke a little more favorable. I went on a job. on 3<sup>rd</sup> of Nov. A fair sized job. And I was the (old man). I expected to be laid off that date. But thank God. There was one man. who appreciated having someone on the job. who could go ahead and do things without being shown or watched. Well anyway I am in charge of the job. now. And I didn't bump anyone to get it. It's the 1<sup>st</sup> break I have had in a long time. I have either worked for myself or had charge of work. most of my life. But it seems they

don't want a man that shows gray  
 hairs, no matter what his qualifications  
 are. Well I am trying to get away from the  
 Bldg. game, as a means of a living. But will  
 try & stick it out here as long as the work  
 lasts. It seemed to me, a few feelings came  
 over me, about the time I rec'd your nice  
 letter, a sort of new courage & hope. And if  
 your message bro't it, I will always bless you  
 for you don't know the bumps I have had  
 the past nearly 5 years. I am enclosing  
 one dollar. I had so many things, and I  
 am only recently out of debt. Wish I could  
 make it more. It is in my heart but not  
 in the pocket book, ha ha. With every good  
 wish I am as ever. Most sincerely

F. E. Whitmore.
