My dear Mrs. Perkins:

As Dr. Robinson is out of town for about two weeks, allow me to thank you for your good letter with the splendid enclosure. I am sure that Dr. Robinson will appreciate the way in which you answered Mr. Morse's letter.

We were sorry to learn that you had been in the hospital but were equally happy to learn that you are up walking again. I am sure that you have learned from these lessons that the answer to all life's problems lies in the great Realm of God which exists as an invisible dynamic realm or sphere right here and all around about you. If you will take up your problem quietly and with an earnest desire and throw it into this great God-Realm, the answer will come back.

Sincerely yours,

Secy. to Dr. Robinson

Postal Inspector Morse
Seattle, Washington.

Dear Sir:-

I wish to say emphatically that Dr Frank B. Robinson has always been perfectly fair and honorable with me.

I think he is perfectly honorable and a thorough christian, and is trying to do good to every one.

It has got to be a pretty pass if a person cannot worship God as they think he should be worshiped.

If these people who are persecuting him were christians they could not be engaged in this diabolical, devilish work.

I care not to what denomination they belong, it is a matter of jealousy. And if

were trying as hard as he to do good.
They would not be in this dirty work.

It is a shame and a disgrace to
any one, no matter to what church
they belong to be guilty of this persecution.

God will be with him and his
enemies will fail.

Respectfully
(Mrs) Addie E. Perkins.

This is an exact copy of the
letter I wrote Inspector Morse and
the copy you asked for.

Dr Robinson I wish I had the money
to buy some of your books so I could
help you, but I am too poor to do so.

I have been very unfortunate.

I went to a hospital a year ago with
a hip that was fractured in three
places. I was there four months and
three months in a convalescent home.

To day the 27th of July I went out
onto the street for the first time.

It has cost me a lot of money.

I am 88 years old and it is not
easy to recuperate at my age.

I believe God will be with you
and you will come out of this a victor.

My prayer is that you will.

Yours for success

Addie E. Perren.
