My dear Mr. Bergerson:

In answering your good letter of recent date let me state that I am still here and that I intend to be here for some time.

Regarding the letter you received from the Postal Inspector, I would like to have you send that letter to me together with the copy of the reply which you sent him, telling just exactly what your reactions are, and then let me have this form letter with the copy of your reply.

Now, the fact that I am still here, of course, leaves you no room for worry as to whether the work will continue. Regardless of where I am, it will continue anyhow, but I expect to be here for quite a long time yet.

May the Spirit of Eternal Peace abide with you forever.

Sincerely your friend and Teacher,

FBR:mm

Dear Mr. Tenney:

I do hope this letter will reach you, for I am anxious to hear from you. Had a circular today from the Postal Inspector at Seattle, wanting information in regard to my connections with Dr. Robinson, so I suspect he has been deported, which makes me feel very sorry.

I am living in hopes however, that "Psychiana" will live and the work go on from somewhere. I am so anxious to keep up the study and finish the course of 30 lessons!

Sorry the way I wrote about the last lesson, but I did not know the circumstances and trust you will forgive me.

I would like to know very much if there is a chance to purchase the remaining 12 lessons, I have up to date received 8.—

or, if the work will go on from wherever Dr. Robinson went too, or, if you are to continue the work at Moscow.

If possible, Mrs. Tenney, let me hear from you. I sure should appreciate it and it will mean a great deal to me to find out something about the future of "Psychiana" and the possibility of getting the remaining 14 lessons.

With Greetings,

Yours Sincerely,

C. H. Bergstrom
