My dear Friend and Students:

Thanks for remittance, and your book has been sent. Remember us to that splendid boy of yours. Both of you know just as well as we do that the same God who created you can take care of you, and will do just this thing if you recognize His omnipotent, helpful, healing, loving Presence.

Work with those who know you best, and believe in you most. Let us help spiritually. Plan now to expect and report complete Victory.

Never give up, and let us know just as soon as the new hope and better days begin to come your way.

Sincerely your friend and teacher,

C. W. TENNEY

My dear Dr. Robinson:

I love to read your lessons and Psychiana Weekly. The Spirit of God as revealed thru them is very beautiful and wonderful. I'm trying hard to contact this God Law, for I need the Power of the Living God at all times and most especially now because I am so grieved over my son because he has gone back to "drinking". Please do help to throw the Power of the Living God against that terrible demon - whiskey - and drive it forever, out of his life.

He used to drink, then quit after taking up the study of Psychiana & did fine for quite a time.

I'm sorry to have to call on you - since you are so very busy but I don't know what else to do. You will hear from me later.

Enclosed find one dollar (\$1.00) for which please send me the book - "What God Really Is."

Thanking you many times and wishing you God speed in this great work, I am,

yours sincerely,

Mrs. H. C. McMahan
