My dear Friend and Student:

Thanks for your remittance, and helpful report. You already know just as well as we do that the same God who created you can take care of you, and will do just this thing if you recognize His omnipotent, helpful, healing, loving Presence and let that be the controlling impulse of your very life.

Work with those who know you best, and believe in you most. Let us help spiritually. Plan now to expect and report complete victory. Never give up, and let us know as the new hope and better days continue to come your way.

Sincerely your friend and teacher,

C. W. TENNEY

Dear Dr. Robinson

Enclosed find money order for $2.00 on my account and sorry I have been so slow on paying, but by God I will be able to pay a little faster, Dr. I think things are starting to materialize I am doing everything you are telling me in the lessons and Thank God the law is starting to work a little, when I read the lesson books I get a strange shaky feeling, kind of vibration inside of me, but it is a nice feeling so that I wish it would stay, kind of a happy feeling as if things are not so bad after all. and I read the lessons over and over, so when things right themselves I will send for some of your books. such as "What God really is." but I thank you Dr. for being patient with me. as I have been

badly up against a stone wall for money
But now thank God he is hearing me and
I know he will see me through.

Thank you again Dr. and God
bless your work. and keep it up we all
need it this world would be a better place
if every one would read. Phy. Psychiana
The weeklys are great too.

Sincerly yours
