My dear Mr. Miller:

Thank you for your good letter of recent date. It was good to hear from you.

If you knew how many thousands of people write to us as you did, you would know that at long last the actual Truths of The Spirit of God are being made known to men and women on this earth. When it is understood that man is the highest creation of The Great Life-Spirit, the earth will be a paradise.

May The Spirit of Infinite Peace be with you always.

Cordially yours,

Alfred B. Robinson

My dear Dr. Robinson -

I'm not a religious person, but this great gift is coming to me. When I start taking Psychiana lessons last year, I was broken down old man, spiritual and in health six hundred dollars in hole, and was looking for happiness in whisky bottle, well last year in July, when on my job in the factory, I was thinking about God, about you Dr. Robinson, and about my lessons, well I was experiencing a feeling and peace, I just can't explain in writing, Dr. Robinson, I know you understand what I mean. To day for 57 old man

I feel like 20 years old  
my vision is coming back,  
the invisible power is rebuilding  
my life. I got new car paid  
for, - 1000.00 dollars in the bank,  
and 120.00 dollars in my pocket.

This miraculous power  
is blessing me with spiritual  
richness, it is my duty to call  
this to your attention.

and all in only one year  
time. Please excuse my  
spelling, for I never had  
any schooling.

Yours faithful student  
Tech Miller

P.S.

I am glad I found out about  
Psychiana. May it bless you and  
our Psychiana.
