10 with it into thousands of lives. The tremendous,

11 surging power of Psychiana is transforming those

12 thousands from defeated sufferers into dominant, success-

13 ful, contented persons, rich in spiritual and material

15 dynamic, infallible source of supernal power that

16 wheels the stars in their courses, and as certainly

17 moves our lives along their appointed way. As this

18 great leader moves across our musical threshold to

19 bring you his radiant message of hope and power, ponder

20 on the God Law which can bring you all that you desire

21 in life, even as it transformed Dr. Robinson from a

22 humble drug clerk to become a world famous psycholo-

23 gist and religious leader.

ANNOUNCER: 1 Do you think for one moment that a Power such as  
2 Dr. Robinson has told you about, great enough to  
3 sustain the universe, can fail to bring to you  
4 every material thing you need. It can and will,  
5 if you will but follow the light to peace, happiness,  
6 and abundance. Here is the joyous testimony of one  
7 who has gone a little way into the contemplation of  
8 the God Realm.

9 R. C. in San Jose California says:

10 Dr. Robinson: You have given me a sense of wisdom  
11 and understanding which I never had before. After  
12 years of darkness I now have the courage, contentment  
13 and happiness that I have longed for. It has  
14 been my salvation to have had the opportunity to be  
15 shown and helped to find the Power and Faith that  
16 has made life really worth living. Thanking YOU,  
17 Doctor for days full of happiness and enjoyment, I  
18 am your student, (Signed)

R. C./

23 of the mighty, unchanging, universal God Law. Remember  
24 that the voice of the great teacher you have heard is  
25 the voice of a simple man, even as you and I, a

27 has brought to him a wealth of material things, and  
28 a neverfailing source of happiness and peace.
