My dear Mr. Mitchel:

Thank you for your good letter of recent date. It was good to hear from you.

If you knew how many thousands of people write to us as you did, you would know that at long last the actual Truths of The Spirit of God are being made known to men and women on this earth. When it is understood that man is the highest creation of The Great Life-Spirit, the earth will be a paradise.

May The Spirit of Infinite Peace be with you always.

Cordially yours,

Ladies and Gentlemen.

I assure you I had no intention of cheating Psychiana out of any money. This bad weather we've had in this part of the country since Christmas, has thrown hundreds of people out of work. Left me owing bill a plenty. Bills in which I had to fork in to right away. I thought Psychiana if it wouldn't mind, could wait a little while.

Of course I know I should have written to you before now. After all it has been some months since you've heard from me. But I just didn't feel like writing to you without money. And yesterday I received your letter then I thought it better to write you money or no money.

I got a job last week at the Claridge garage, and I am doing fine. When I get kind of straight, I will send you paid in full, the balance.

I enjoyed the course so much that it is unexplainable, and I have been benefited very much.

I wish every one could study with you. I have talked to people, turned them from the wrong track. I have told people about your course, and have given many your entries.

You should have seen people that I have talked to. I supposed you would have been amazed.

Yes, I believe in this law, and shall forever remember you and your course as the most profitable treasure possible.

Yes, that was the most fortunate day of my life when I picked up a letter page in "I talked with God!"

Thanks, and thanks a lots for ever calling this to my attention.

P.S. If I ever come to Moscow, Ill come to Psychiana Inc. I want to start your other course as soon as the other one is paid out.
