My dear Mrs. Peden,

Thank you for your good letter of recent date. It was good to hear from you.

If you knew how many thousands of people write to us as you did, you would know that at long last the actual Truths of The Spirit of God are being made known to men and women on this earth. When it is understood that man is the highest creation of The Great Life-Spirit, the earth will be a paradise.

May the Spirit of Infinite Peace be with you always.

Cordially yours,

Gentlemen:

On July 10, 1948, I mailed you my check No. 45N48 in the amount of \$2.00. This remittance, as noted on the face of the check, was enclosed with order blanks for a one-year subscription to THE WAY and one copy of your book, SHALL WE KNOW EACH OTHER BEYOND THE TOMB. The cancelled check bears The Idaho First National Bank stamp endorsement dated July 16, 1948.

About two weeks ago I received the June issue of THE WAY, but to date I have not received my copy of the book. Can you advise me when I may expect it?

My student number is 17-330.

Most of the time I have been a jump or two ahead of your lessons and affirmations, yet have acquired something valuable from each. Something so valuable that I am greatly disappointed if the lessons don't reach me promptly. In Lesson No. 10 you started to catch up with me. The beginning of my "spiritual awakening", which has been having growing pains for nearly 36 years, cannot be credited to your lessons as it was that awakening which prompted me to request your lessons. However, I would not be without them, and I can very readily see that one not so rich in the many varied past experiences with which I have been blessed (often in disguise) would be unable, positively, to fathom the value of your lessons before starting to read them and using the affirmations. I have always wanted to know, and know more about, God than any church ever gave me, and your lessons can furnish the guidance to a knowledge of Him that is as I want it, unadulterated.

In passing, may I say that it seems almost prophetic to me that the headquarters for fighters for God should be located in Moscow, Idaho, while headquarters for godlessness is located in Moscow, U.S.S.R.

After receiving your first lesson, my mind kept projecting that war-time song, "Praise the Lord and Pass the Ammunition", and it's still there!!

Yours very truly,

E. M. Peden
