My dear Mr. Smith:

Thank you for your good letter of recent date and for your photograph and the names you sent. It was good to hear from you.

If you knew how many thousands of people write to us as you did, you would know that at long last the actual Truths of The Spirit of God are being made known to men and women on this earth. When it is understood that man is the highest creation of The Great Life-Spirit, the earth will be a paradise.

May The Spirit of Infinite Peace be with you always.

Cordially yours,

Alfred L. Robinson

FILE July 20th 1948

Dear Dr. Robinson,

I was indeed happy to receive your recent Bulletin and to learn of the wonderful progress the Movement is making.

I started studying Psychiana about seven years ago when I was sixteen years of age and it would take a book to tell you of the wonderful experiences I have had with the God Law. I shall be forever grateful to you for giving to me this wonderful message.

I would be extremely happy to take one of your new courses but the British dollar shortage and the political chess game which is going on in the

world right now makes it virtually impossible to send any money out of these Colonies right now. However, I am enclosing the names and addresses of two friends of mine in the States and I shall be very glad if you'd send and tell them something about the God Law and the wonderful work you and Caychiana are doing.

I am also enclosing a recent picture of myself — as you will notice, I have become a musician and almost overnight too (thanks to you for showing me the God Law) for within two years from the time I started teaching myself the trumpet I was good enough to take over first chair with the leading dance orchestra in these parts and now I'm planning to some

- how get to the States. I could relate to you a lot of wonderful things which God has done for me but I guess you hear of such things every day. Just the same tho, Doc, I want to extend to you my deepest and heartfelt thanks and gratitude for showing me The Way and if there is anything I can do to help this Movement, please don't hesitate in letting me know.

Yours in the God Law,
Curtis Smith (32-1564)

P.S. The names and addresses are as follows: Mr. Mark Deplan, 4911 N. 17th Street, Philadelphia, Pa. and Mr. Benjamin W. White of Post Byron, New York.
