My dear Mr. Spring,

Thank you for your good letter of recent date. It was good to hear from you.

If you knew how many thousands of people write to us as you did, you would know that at long last the actual Truths of The Spirit of God are being made known to men and women on this earth. When it is understood that man is the highest creation of The Great Life-Spirit, the earth will be a paradise.

Keep in mind that you may depend on The Spirit of God to help and guide you at all times, to solve your problems in the right way, and sustain you in time of trouble. Above all, you must keep encouraged, continue to look on the bright side, and be expecting great things from The God-Power. Remember that The Spirit of God is sustaining you and will not fail you.

May the Spirit of infinite Peace be with you always.

Cordially yours,

Alfred B. Robinson

Dear Sir,

I certainly wish that I had read your advertisement a long time ago. I answered it out of curiosity but it soon filled a very empty place in my life. First, I would like to tell you about the most important thing this Power, and it has proved to be just that, has done to me. I am losing my fear of people, silly though it was, and with it my self-consciousness and I am much happier today. I can't tell you how much that means to me. For no apparent reason, people will go out of their way to speak to me while waiting for the trolley, or riding home after work.

I am doing well in high school, (I have been a poor student for years), have developed some new freinds, broke up a four year habit_of smoking, and made arrangements to get rid of a jalopy which I bought last year and has caused me no end of worry and sleepless nights.

I could write on for pages on all the many little things which once made my life almost unbearable and now clear up almost immediately, thanks to the small amount of the Power of God which has definately entered my life.

I am now on my fifth lesson and due to my own procrastination, it was just two nights ago that I actually experienced a real awareness of the presence of God. But I now intend to put some real effort into finding a real conciousness of this Power every day. Thank you freind for these lessons which have made so much difference in my life.

Sincerely,
Jim Spring - 78-900
