My dear Friend:

Thank you for your good letter of recent date. We were happy to hear from you.

If you knew how many thousands of people write to us as you did, you would know that at long last the actual Truths of The Spirit of God are being made known to men and women on this earth. When it is understood that man is the highest creation of The Great Life-Spirit, the earth will be a paradise.

May The Spirit of Infinite Peace be with you always.

Cordially yours,

Dear Dr. Robinson:

Your friendly letters along with your literature, were in themselves a joy to receive. But your offer to send to me, the psychiatric lessons, regardless of my being unable to pay for them, is something I will not try to describe. Other than to say that through your kindness you have accomplished, in one stroke, what this penitentiary has failed to do for the past six years; and, would have continued to fail for the remaining three. You, sir, have with one stroke, turned me from 'an anti-socialist to a socialist. And that, is a fact, without any intent toward flattery. For, I can assure you, from my own experience, that it's a horrible feeling knowing there's a slow hatred building up within you, and, it's even more horrible knowing you can do nothing toward stopping it.

Yes, Dr. Robinson, I have much to be thankful to you for, and were I to thank you a thousand times over, I would always be a million short.

Sincerely yours

Charles Tolajkowski 18907
