My dear Mrs. Smith:

Thank you for your good letter of recent date. It was good to hear from you.

If you knew how many thousands of people write to us as you did, you would know that at long last the actual Truths of The Spirit of God are being made known to men and women on this earth. When it is understood that man is the highest creation of The Great Life Spirit, the earth will be a paradise.

May The Spirit of Infinite Peace be with you always.

Cordially yours,

Alfred B. Robinson

Dear Mr. Robinson.

as my Study Lessons are coming to
a close. I want you to know I am 100%
behind this movement when one gets into
its grasp. there is nothing can shake them
that is if that one wants to stay by the truth
no creeds beliefs or any thing else can ever
mar my faith in God. I have always known
there was a living God. But did not know
how to find him until I found ~~psychians~~
I am not the type. who once found the truth
then ^{turn} around and deny it. No not me.
I shall always stay and live my life in
the light. I have found in these Grand
teachings what a pity the world is so blind
it will not at once heed these Precious
truths seems that they don't want to acknowledge
God. the Great Creator I just can not see their
point. I have reached the East Ocean of Power
But I am not by no means there yet I want
to lift the veil between me and God. This is
the Greatest teaching this world has ever had
this Godless dying world certainly needs some
thing to shake it up and awaken it. over

I haven't done my part ~~to~~ perhaps. But I
 have a very slim chance. as I am Bound by
 hand and foot. But that's no excuse I know
 that. How ever I am doing what I can to
 interest people. I now have hope of winning
 a Group. once I get it started I believe it
 will grow & grow. I'd let you know when
 I feel I have established some thing
 once I get started I'd then ask you for
 some advise on how to handle it
 as I want your Guidance.

The reason I am using my lessons is so
 many Wallow's about the price. But that
 did not stand between me and God. money
 means little or nothing with out God.
 to me the Price was small. for the simple
 reason I wanted God. if every one would
 not cling to the dollar and let God remain
 in the rear what a different world we would
 have. Since I have studied psychians
 a Prochers voice I cannot sit under seven
 turn them off on the Radio. their teaching
 is so ignorant any more. or so useless
 unbelievable or what ever it is. Thank you
 so very much for the truth you have given
 to me in these lessons. your student
 sincerely yours Jeannette Smith
