Dr. Frank B. Robinson,
Moscow, Idaho.

An intensely interesting, highly illuminative 6000 word lecture, Psychiana, by Dr. Frank B. Robinson, ^{who is} said by many to be one of the keenest psychological minds this country has ever produced, is available without charge to listeners of this station. Psychiana is a new and revolutionay religious teaching based entirely upon the misunderstood sayings of the Galilean Carpenter, and is designed to show YOU how to find and how to use the same, identical power that He used. Dr. Robinson claims that once the Truth is understood, once a full understanding of the Truth is reached, then, that pulsating, throbbing power that rules the Universe is yours to command at any hour of the day or night, yours to command for your better health, your better mental and spiritual condition, yours to command for outstanding financial success. Dr. Robinson claims that this power, this force is abundantly able, all powerful, and that it never fails to bring health, happiness and success when fully understood and properly used. Dr. Robinson's lecture is revolutionary, it is startling, it is intensely interesting. It tells the story of Dr. Robinson's forty year search after the Truth, a search that culminated in a blaze of light as the full realization finally burst upon him in all its splendor. The lecture will tell you not alone WHY Dr. Robinson believes as he does, but HOW you may learn to command that invisible, mighty, dynamic power on which the entire Universe is based, how YOU may learn that if you will but put forth the necessary mental effort. This lecture is available to listeners of this station without charge. Merely write or phone, asking for Dr. Robinson's lecture, P S Y C H I A N A.
