From Pentecostal Evangel:

"We are told that there are 800 closed churches in New England alone, and that among the 7,000 ordained ministers of that area only 1,000 believe in an authoritative, infallible Bible and in the deity and atonement of Christ," says Paul W. Rood. "We are told that there 10,000 villages in America without a church, and 30,000 villages without a resident pastor.

"The city problem in our land should cause us concern. Los Angeles, has 1,000,000 people untouched by any sort of religious influence. New York has 4,000,000 people who are unchurched; Pittsburgh, 25,000; Cleveland 400,000 ; St. Louis, 300,000; Minneapolis, 300,000; Seattle, 250,000; San Francisco, 425,000. In San Francisco only five per cent belong to Protestant churches.

"Only eight per cent of the people of our nation attend services on Sunday morning, and two per cent Sunday evenings. About forty per cent of the American people are on church registers, but only twenty-nine percent ever attend church at all." And we call ourselves a "Christian Nation!"

Prov. 29:18 - "WHERE THERE IS NO VISION THE PEOPLE PERISH" and judging by the condition of the world today, not only people, but nations are on the verge of perishing. Look all around you, Germany - France - England - Russia

(Paint picture of world conditions)

Picture our own United States - communism, atheism - infidelity - socialism - revolutions, etc.

Germany claims it must lead the world.

Great Britain adopts the attitude of European mediator.

France says Germany is about to attack her -- Germany says same of France.

Italy goes to Africa - slaughters, Lyon of the Tribe of Judah helpless.

- II -

If there is any vision, I would like to know what it is.
Visions of fear, of attack, of disaster -- all material visions if any at all. NO VISION OF GOD.

With all due respect to religions organizations, they are powerless to stem the tide of atheism and infidelity which is sweeping the U.S. They hold out a hope for the future - but none for today.

They do the best they can.

They are absolutely honest.

They are following their vision.

- III -

WHERE DID THEY GET THEIR VISION OF GOD?

Let's talk plainly - Let's not mince words.

(GO INTO DETAIL WHERE THE CHURCH VISION CAME FROM)
ITS A VISION OF THE PAST - Men are looking 2000 years back for their inspiration and not to the present of future.

The OLD VISION HAS ACCOMPLISHED NOTHING YET, for in spite of the earnestness of the churches, and in spite of the ir philosophy, the world is in a worse mess today than it ever was.

Therefore, I say we need A NEW VISION OF GOD.

Now what VISION would best meet the needs of the world today.

What are the Nations clamoring for?

What are individuals clamoring for?

- IV -

HOW IS NEW VISION ATTAINED? - Turn your eyes from the past to future, and see the existing Spiritual Truth.

This Truth has always existed, but you couldn't see it.

"Oh, that the people of America could only understand what tremendous possibilities stand before them - Waiting, waiting, waiting for them to turn away from creeds, cults, dogmas, isms and all else that binds and limits, by keeping their attention from the Great God 'Presence' within their own hearts! O America! Beloved Children of the 'Light!' let this Great God 'Presence', Its wisdom and power surge through you now and see how quickly God's Kingdom can and will manifest upon earth. America is the Way Shower among the nations, bearing the 'Light' that heralds the incoming Golden Age. Regardless of her present conditions, 'That Light' shall burst forth and consume the shadows that seek to disrupt her Ideals and Love for the Great God Self. America has a destiny of great import to the other nations of the earth and Those who have watched over her for centuries still watch. Through Their protection and Love, she shall fulfill that destiny. America! We, the Ascended Host of Light, love and guard you. America! We love you."

"A feeling or desire for the death of another person goes forth to the person and then begins its return journey to the one who sent it out. Many times individuals allow resentment against injustice to flash forth, with an intense feeling to rid the world of a certain individual. This is a subtle form of the thought of death, and to the one who sends it out, it must return. Many, many people bring about their own dissolution, by this very subtle activity of the human self for no one ever escapes this "Immutable Law". Thoughts, feelings, words, and deeds are each but so much force acting, and eternally move in an orbit of their own. If you will make yourselves an Eternal Fountain of Divine Love, pouring it forth into every place your thought goes, you will become such a Magnet for All Good that you will have to call for help to dispense it. Peace and Calmness of Soul release a power which compels obedience of the outer mind."
