(MUSIC SWELLS FOR FIFTEEN SECONDS) (FADES SOFTLY)

It's peaceful here isn't it? There's something about this ~~study~~ ^{home} that's - well inspiring.....something you can't describe. . something intangible, but REAL just the same. *Dr. I hope we're not intruding*

DR. ROBINSON

you never intrude you know that
I'm glad you feel that way about it because -- I like having you here with me. If you have a problem that's been bothering you - all the better ~~|||~~ perhaps we can help start you on the path that so many of my students have already discovered - the ^{secret} path to happiness and ~~security~~ ^{peace} ~~and~~ ^{and} the path that lead to security. *all suffer*

GUIDE

So many of us are seeking - just that Doctor -- security. How CAN it be attained -- to most of us it seems so elusive - so almost impossible to grasp --!

DR. ROBINSON

A person often feels that way - especially if he has made no provision for the future. I have a letter here from a man in Oklahoma who has just such a dark outlook on life. He tells me the future seems to hold nothing whatsoever for him. He seems to think that there's an age-limit that restricts him ^{from using} ~~to the use of~~ the power of the Great God Law! What a foolish thing to believe. The only reason this man cannot attain security, is because he has failed to realize that the power which controls this entire universe - the power that called it into being in the first place -- is certainly great enough to give him - and to give YOU and ME the few little things we might need to give us security HERE and NOW.

GUIDE

It does seem as though that should be true.

DR. ROBINSON

It is true. It is being demonstrated - Here and now throughout the civilized world -- wherever Psychiana is being studied. You know, there's a little passage of scripture which comes to me right now, -- Remember that passage about God, so clothing the grass of the fields which today, is, and tomorrow is cast into the oven? If he can do that, how much more shall he clothe you of little faith? You'll notice that there is no age limit set there. It doesn't say that God is going to look after the people up to the age of 25 or thirty - or thirty five, but it does tell us that as long as we have physical life on this earth - the power of the great God Realm is abundantly

able to care for it.

GUIDE

But I suppose, reaching the evening of life, one just can't help looking back over the past and thinking - well you know Doctor -- sort of wondering if -- there's MORE to life -----

DOCTOR

I've had MANY letters come to me from students in the evening of life. They've been unable to accumulate anything, and it really looks to them as if the poorhouse is ahead.

GUIDE

And what do you tell these persons?

DOCTOR

I can only urge them to discover the present existence of the God Law. One woman in Portland Oregon even wanted to know if she was too old to obtain the benefits of the GOD LAW. She writes: "Dear Dr. Robinson: What is going to happen to me?"

GUIDE

And what did you tell her Doctor?

DOCTOR

That it makes absolutely no difference how old, how poor a person is, Once the present existence of the God Law is understood, its benefits begin to manifest themselves. It makes no difference what has happened in the past. Anything which happens in the absence of knowledge ~~in~~ of the power of the great God Realm is gone. It's "water over the dam!" We must deal HERE AND NOW, with the present and the immediate future. And if the power of the invisible God Realm is recognized at this moment, then the future automatically becomes bright. There are no age limitations in the power of the great God Realm. The very moment it is recognized and applied in human life, IN THAT

MOMENT the trend is never downward - but ALWAYS UPWARD.

and immediate
GUIDE
Even when a really GREAT ~~lack~~ exists?

NEED DOCTOR
Where the greatest ~~lack~~ exists, the power of the God Realm always concentrates on that one angle of the human life to supply that need FIRST. It has been borne out, time and time again, in the letters which have come to me by the tens of thousands, that if ones great need is material possessions, then the power of the God law with its infinite wisdom knows that fact, and immediately goes to work to remedy it.

GUIDE
Then we can be certain there need be no worry when the evening of life comes -- no fear - ?

DOCTOR
None whatsoever --. Fear and recognition of the power of the ~~DIVING~~ GOD REALM - cannot live in the same house or in the same body at the same time, *if* anything, the power of the God Law will work twice as earnestly to provide what is needed materially. In other words, the greater the need, the greater is the power of the God Realm able to supply that need. Physical age has nothing whatsoever to do with the power of the God Law.

GUIDE
And these letters that have come to you Doctor Robinson -- do you answer each one personally -- and - do they seek advice from you?

DOCTOR
I answer every single letter personally. Some of the letters seek advice and guidance, while others tell me the *WONDERFUL* ~~glorious~~ benefits Psychiana has brought to them. For instance - here's a letter from

Texas. That's the Longhorn State isn't it?

GUIDE

Yes Doctor it is.

DOCTOR

Well -- from Blum Texas -- a woman writes and encloses a letter from her sick son. "Dear Dr. Robinson" ^{she} /says: Words fail to express my gratitude to you for your help. I couldn't feel I could manage things by myself."

GUIDE

Just what was the trouble there Doctor?

DOCTOR

Well you'll understand that every letter which comes to me is absolutely confidential. I won't tell you what this woman and her son went through. But I will say that she witnessed one of the most remarkable demonstrations ~~of the present existence~~ ^{PRESENT} of the Power of the God Law, I have ever seen. It ^{WAS} absolutely amazing. And in the very same mail that this letter arrived, came a letter from Florida -- I'd like to have you read this one.

GUIDE

Mm - from Pensacola Florida - North A. St. "Dr. Robinson: Every thing is getting bright now. Your lessons have been a grand gift to me. My cup is running over." How many letters DO you receive like that Doctor?

more than

DOCTOR

I have ^{more than} 50,000 in my files this very moment. And without exception these letters tell me of the material benefits people are receiving daily from the power of the ^{GR}~~LIVING~~ GOD REALM. Letters such as this one, for instance. A student in Cleveland Ohio writes - Dear Dr. I can't tell you in mere words how much Psychiana has done for me. At last I have a splendid foundation for life and one which no one

can take away from me. Thank you, and may the power of the Living God continue to bless you all and spread this most wonderful of all teachings everywhere throughout the whole world.

GUIDE

Already Psychiana HAS spread throughout the whole world hasn't it Dr. Robinson?

DOCTOR

Yes, in one year's time - it went into 67 different countries. But I'm impatient. I want EVERY LIVING soul to know that MAN CAN NOW TALK WITH GOD. I want you to get away from this sense of hopeless despair which is gripping the world, and I want you to know what the invisible God Realm can do for you here and now. I won't be satisfied until I see the fruits of these labors - until I know that the time has come when ~~the glory of~~ the knowledge of the present existence of the God Law shall cover the earth as the waters cover the sea.

GUIDE

And now Dr. Robinson - since our time is nearly up - and our visit must soon come to an end -- may we have the pleasure of hearing you play for us once again -- just as you did when we first came today.

DOCTOR

I would love to play for you -
