When a person is beginning to contact The Realm of The Infinite Spirit of God, many rather unusual Spiritual manifestations come to that person. This, however, is only proof that he or she is beginning to get close to The Realm of Almighty God.

If you knew how many thousands of people write to us as you did, you would know that at long last the actual Truths of The Spirit of God are being made known to men and women on this earth. Mr Frank Robinson -

Dear Dr Robinson It comes to me, to say a few words to you as a student of this Great Spiritual Power I am receiving through your teaching. I have been much help through this God power that is now helping me every day, We have already attained some of our desires namely a nice 4th wash car and my health is much better. my side left pains me some time; But I say that is due to my job; But after all I am able through this great power to continue to -

2

Work: And God works in my whole family: Dr Robinson & us to sit and here you talks over Raids; It help me so much and every nite at 8:00 o'clock I am with you and God sends his blessing. I work from 4-12 each nite. I can close my eyes in letting God dwell with me, and see the globe as God made it: that is to say I see the great element of stars and clouds of its many colors. Statues of of Angles: esp the seven stars can you tell me what that mean? and on my job I am healing people through this Great God Law: I heal them. and they tell me they feel

Better Through this great power of
 God; And I be so happy over it
 But you know some times
 I do not mention it to them
 Because they would not under-
 stand;

Dr Robinsons I am now asking
 God for a nice place to
 live in; that is a nice flat
 are a buy place.

I must say this Dr to you and I shall
 close; for me to tell you all of this Wonders
 power of God, would take a whole book.

But this and I am through; A few weeks
 ago last year they laying people off my
 job; and did lay people off that had
 worked there much longer than I
 But, my Forman came to me
 and told, Dont you worry a minute

you will not lose your job. others was astonished how could that be? and some came to me ask me how is it you hold your job there is others that have been here longer then you; They go? my Reply was This I have my hand in Gods hand; and there is no man stop him;

So I am so proud the mail Mary Brought to me that mail that lay untouched for days; but at last one day when I was house cleaning I found it. So I am first thankful to God and you. So you find enclosed & placed on my lesson

Dear Dr. B. Robinson:
Kindly mail lesson # 8. it is missing. I'm sorry to bother you this way. but I would appreciate having # 8 also in my file. So far, I have been reading lesson # 12. and every lesson becomes more powerful with understanding. I'm following your steps to the Power of God, and I've found what you expect me to find. I'm learning how to actually contact God's power, and I know that it can be done. What I've always had in my thoughts is, I'm thought one thinks of. It's God's thought and it must be a reality. It is up to us to make it so. I thank God for what I have found in your lessons. I thank Him for directing you to write these powerful lessons. and I thank you for doing what God has told you to do. for the sake of all Christians everywhere who care for God's Power. Here is the way I have it. If I'm wrong please tell me so. God is Life. What is Life? Power. So God must be. POWER! A living POWER!

Today as I was reading lesson 12, a storm
came up. it was nearly 5 P.M. a real heavy
storm. I looked North of this storm and saw
heavy dark clouds, and South of the storm
was the light showing as tho nothing was
happening. A sudden bolt hit with a loud
noise, and I saw that flash really spread
so I began to realize just how much Power
the Living God really has. Well since I do
know today how much Power the atomic
bomb has, I just staggered in my mind
to the Power our Living God must have!

It's true when one just sits down to try and
realize what Power one can contact. Well all I
could say to myself is wow! You know why
"Jesus" raised the dead. Let me correct that
statement. God raised the dead, and "Jesus"
was aware of His Father's Power!

Example. The record is full of music —
until the person aware of putting it on the
recording machine to play, knows that
it will play music. I'm sure I am aware
of God's Power. So far it has helped me very much.

Anything that is done, is of course, with the
Power of God. yes I do believe in the Power
of the Living God. Closing. I'm sure of my
every more, and again I thank God for
His everlasting Power in me. ^{Yours truly,} W.D. Chamberlain

Dear friend, and teacher;

Inclosed, is the sum of \$3. which pays my account in full with Psychiana. Needless to say how I feel about your course, for I has found what I has been searching for practically all my life. The power of the living God. What and where is God?

I can truthfully say, that I has found great joy in studying your lessons. I am now studying lesson 17 and I cannot find words to express the joyous thrills it gives me when I reads the story of creation as unfolded by you. I assure you, that I has obtained **amazing** results from every lesson to date, and I am **deeply** grateful to you. for your conceivable revelation of the true facts of mans relation to god.

And for the unfolding of the secret of how to make instant contact with that mighty operating spiritual law. Dr. Roberson; I thank god from the very bottom of my heart, for you. You is leading me into the realm of his power. Where you lead me I will follow, for I believe in the power of the living god,"

And that is all I care to believe in.
May god bless you.

My dear friend and teacher:

This is to inform you of the change of my address.
My former address was, 2031 Soniat St.
New Orleans 15 La. My present address is,
3419 Cherry St; New Orleans 18 La;

It actually happened. These words (I thank thee father that thou hast heard me,") brought the answer to my unspoken desire, right from the invisible realm of god into actual manifestation. A beautiful home, the evidence of my desire, just as I had mentally made it.

It makes me so very happy, so much so untill I some-time shed tears to know that god lives in me, To know that my life and gods life are one. To know that I am so very close to him now. To know that each day of my life by degrees I am shutting out the physical, and turning on the spiritual.

To make it a little more clearer, I am closeing my eyes to physical consciosness, and is opening them to the consciosness of the spirit of god which lives in me. (This body of flesh). You is leading me to god. Each day of my life I makes this statment, I thank thee father that thou hast heard me. Because what I desire, exist in the realm of

the spirit of god. And that statment is what I call creative prayer, because it creates the answer.

From the start, I belived that you were a man of god. But as I follow you along the trail to eternal life I know of a surity that thou art the emansapator of the world, Sent from god too lead man back to ~~full~~ the full consciosness of the spirit of god, showing him how he can be restored to absolute communion with god, the giver of all life.

Dear Sirs:

Through the Power of the Living God I have received many blessings for which I am thankful. I am also thankful for my teacher because he is such a wonderful man. When I started this course I was a miserable wreck. There was a \$2,500 mortgage on my home and I did not know what to do, but now through the Power of the Living God, it has all been worked out for me, and there is only a few more hundreds left.

There are other things which I needed or wanted and they came like magic. I have needed a typewriter for more than three years but could not purchase one unless I had a business of some kind, It seem almost impossible until one day I was thinking over the matter, when I received a call from someone informing me that there was a typewriter within my reach. In less than one half hour it was delivered to my home. Thanks to the Power of the Living God.

Mr Frank B. Robinson

Dear sir

its useless to try to tell you
about how much truth and
enjoyment I have gotten out
of my lessons.

I have started a small study
at least for letting a friend
of mine read my lessons.
I'll send the name later,
she seems to be very
happy over them and I'm
hoping to start a real
study in the very near
future.

There's one thing I'm asking
you help my health is
very bad. Has been for several
years. I want to be well
so I can get into gods
work and really use
the power of the living
God.

2

will you help me on this
my mother is also sick
(Again I'd say
I'm enjoying my lessons.
and thank a million
and praise the power
of our loving God.
yours for a better world

We do not send a receipt for your payment as each payment will be recorded in your next statement. Send all CASH PAYMENTS by Registered Mail only. Make checks, drafts, etc., payable to THE ARCHBISHOP OF PSYCHIANA, Moscow, Idaho.

Your enrollment was received on the 24th of the month, thereby making your payments payable on or before this date.

WHEN YOU RECEIVE A BILL—

TO RECEIVE A BILL IS AN HONOR. Instead of getting all riled up when the mail brings you a statement of account, you should be genuinely pleased. For the bill is an indication that someone has faith in your honesty.

If you never received a bill (unless you always pay cash) it might indicate that no one is willing to grant you credit.

Credit is the most valuable thing a person can have. Money may be had by various means, but credit comes only from years of honesty and prompt meeting of bills when due. When you pay a bill, you are merely being honest.

When you receive a bill, then, meet it if you possibly can. If you can't, frankly tell your creditor why you can't. You'll find him more than ready to meet you half way.

Cherish your credit as you do health, happiness, and other priceless boons equally rare and elusive.

Help

few

Dear Dr. Robinson:

I have received my first two lessons. So if you havint mailed another number one lesson do not do so because I received lesson, one the day after lesson two arrived.

I am so thrilled over these lessons. I used to be so weak and tired I would fall way behind on my housework now I have so much more strength to do my work and other things too. When I wrote for my first lesson I asked that you pray that I could sing. I have always wanted to sing classical music, so far that "voice" hasint arrived, but I am confident that it will.

I have already told a neighbor about Psychiana and she is thrilled beyond words it is so simple yet so beautiful.

I can hardly wait for lesson three, they are so wonderful.

Enclosed you will find my payment. I am not sure of the date my payments are due. I sincerely hope this payment isint late.

I remain,

Your grateful student
Lois Akers.

I liked my lesson very much and I enjoyed every word of the Spirit of God. I guess I'm getting better every day of my life. About 2 weeks ago I had a hot water burn and I went to the doctor for treatment & I prayed the Spirit or ^{the} Power of the living God to take all the pains away. And I did feel better. I went for 2 weeks for dressing and I didn't suffer. Thanks to The Power of The Living God.

I did have a little talk with one of my friends and I told them how good it is to know God. So I guess I have said enough for now.

Thank you.

In view of the fact that you have only had your first two lessons, we will not say much to you now, as we prefer these Lessons to speak for themselves, which they usually do. Please study each Lesson quite carefully as it comes to you and realize that it is designed to show you what a staggering Power there is in you. This Power is The Spirit of God which you may use by speaking it into existence.

Dear Dr. Robinson

Received my first lesson Jan. 23, 1948 and studied it faithfully every day until I received lesson No. 2 Feb. 3. I liked the first lesson very much. It was much easier for me to understand. I have to agree with you in your instruction for Lesson 2 ^{first} Paragraph, that there is something beginning to manifest in my life which is different from any other experience is right. It's something which must be born of God. It's lovely to know who we are & where to find God. I feel God so very close to me & yet I have not to this very moment experienced the light spot you mention in Lesson one.

And I guess until I see that, I am not filled with the Holy Spirit & able to do the things Jesus did. However this is only my second lesson & I must not be impatient. I am a little disappointed because I did not see the light so far. But I must trust in the Holy Spirit he will show me in his own time. I hope he will. I feel bad about it. All the rest is fine. But I would love to heal all the sick people around me. Your teaching is wonderful. Thank you so much for your kind & patient teaching

What one believes does not matter too much. Among our Members are to be found almost every religious faith imaginable. We never ask our Members what they believe. Our sole aim in life is to reveal The Power of The Spirit of God to all who will. This Great Spirit of God always responds when the conditions are met, regardless of one's beliefs. The great manifestations which follow this Teaching happen in all sorts of cases--what they believe seems to make little difference to The Spirit of God. So, I would not let either your belief or our belief bother you. Just follow us closely, and, if your experience is like that of scores of thousands of others, The Spirit of God will be made known in your life.

Please find enclosed the remittance for my fourth instalment on the Psychiaua lessons; and I wish to thank you, for the extra copies, as I want to send them out to another party, whom I believe will be interested. Owing to the isolated location in which we live, it would be next to impossible to hold meetings; the only mode of travel is by boat, and the weather is so unpredictable; However, I will use the mails to reach those of my friends, I can't contact, personally; I have already sent some of your literature to a Herbert W. Armstrong, an un denominational minister who broadcasts his sermons over several stations, the one we receive best here is X.F.R.B. - Rosarita Beach California. I would like so much to help him, in his work, but am not financially able to at this time, however, he does need your guidance to bring about "The Power of The Living God" in his life, otherwise he teaches the same doctrine, but seems to have missed the most important point, The Power of The Living God. I believe he is a most sincere man, and I want you to help him in his struggles, you each have much in common. Haven't we all?
My husband and myself are

2
are progressing slowly in our studies,
and have received a peace of mind, which
we hadn't had for sometime; I have been
wondering, if we should be members of
any Church, or if we should have been baptised
to receive the full benefits of the Power of
the Living God? as neither one of us knows
whether we have been baptised or not,
but we have never belonged to any
Church. In fact when ever I have been
asked this question, I have always
answered, that I did not believe one
had to belong to any Church to be saved,
and that I belonged to God, instead
of a Church, & I believe that Christianity
comes from within us; Years ago, I
read a pamphlet of some Bible Study
Society, which always remained in my
mind, & which I have practised ever
since; that when you are in need
of spiritual help, to go into your own
Secret Closet, and talk with "Almighty
God" and receive the assistance you
request, and I have done this many
times, and always received relief from
my troubles, but it ~~is~~ helps to know
there is some one else who practices
this procedure. Thanks to you, To Psychiana
& To the Living Spirit of God in me & every
living human being. I do sincerely believe
in the Power of the Living God. I am

Box 111, PASADENA, CALIFORNIA
January 29, 1948

Dear Friends and Co-Workers:

GREETINGS! in Jesus' name: Here we are, already well into 1948, a slumbering, indifferent, pleasure-loving world plunging heedlessly to its DOOM! Yet, despite spiritual lethargy, the sober, all-important work of God, to WARN our nations and proclaim the TRUE Gospel to a dying world, is progressing in greater and greater power against most trying circumstances and obstacles.

The official United States government view now is: **"ATOMIC WAR IN FIVE YEARS!"** The government foreign policy, and military strategy is geared to that schedule. One top-flight radio news reporter, I am told, stated to the nation that Russia had the audacity indirectly to notify the United States she will attack with atomic bombs in five years!

Five-star General Arnold, head of United States air forces in World War II, states bluntly in an article that America has won her last war---she will lose next time! Is the atomic bomb a SECRET? **NO!** says Dr. Robert M. Hutchins, chancellor of the University of Chicago, where the first atomic explosion was set off, in an article in the American magazine (Dec. '47). The FACT is, he candidly reveals, a great part of the preliminary work, and most of the subsequent work in producing the bomb was done by foreigners. Of the ten top scientists, half were GERMAN, one was French, one Danish, one Italian, one American. The Germans were far ahead of us at the outbreak of World War II. Every single basic idea in atomic fission came from a European mind! America merely applied these ideas and PRODUCED the bomb. ALL these foreign scientists know how to produce the bomb! Today they are scattered throughout the world. **THERE IS NO SECRET!** Can Russia make atomic bombs? OF COURSE, answers Dr. Hutchins. IS Russia making them? It would be foolish to assume she is not, he replies. Two years ago it was known Russia had the secret, and an able scientist then prophesied she would complete her first atomic bomb in three years---one year from now! There are 27 first-class nuclear physicists in Russia! Inside five years from now, Russia will have enough bombs in production to blast every city in the United States out of existence over-night! **AND THERE IS NO DEFENSE!**

One medium-sized bomb could wipe out of existence Indianapolis, Denver, Portland, Atlanta, or Jersey City! It is now possible to make bombs 1,000 times that powerful! By taking advantage of prevailing winds, an enemy with just TWO of these super-power bombs could make the entire United States uninhabitable, by contaminating our entire area as winds sweep radio-active air over the face of the land! It is as impossible to destroy a bomb on its way to a target carried by a high-speed missile as to destroy an artillery shell in flight! But it is estimated it will take five more years to perfect those bomb-carrying missiles, plus enough bombs, by some enemy nation. We have that much time to PREPARE---yes, to prepare---FOR WHAT? **THERE IS NO DEFENSE!** If the German V-2s had carried atomic bombs, England would have been totally destroyed! In one night, ten atomic bombs could destroy America's steel industry. Five more could stop our oil production. Another five our coal production. Thirteen bombs could destroy every great metropolitan and manufacturing center in the United States. Our nation can be wiped out **IN ONE NIGHT!** **AND THERE IS NO DEFENSE!** And **ENEMIES WILL BE READY IN FIVE YEARS!**

And we sleep on, heedless, bent on pleasure and working for a future that WILL NEVER COME! Co-Workers, **THE ONLY THING THAT IS IMPORTANT NOW IS TO SOUND GOD'S WARNING TO THIS NATION---TO PREACH AND PUBLISH WITH GREAT POWER THE TRUE GOSPEL TO THE ENTIRE WORLD BEFORE THIS ATOMIC-DAY COMES!** Frankly, I do not believe it will actually come in five years ---but it COULD! But I do believe we have not more than seven or nine years to finish the work God has commissioned us to do! Just BARELY enough time, and NO MORE! That is why AMBASSADOR COLLEGE had to start without a year's delay. That's why God performed MIRACLES to open the way that it might start. Sober, serious young men and women are being thoroughly TRAINED to carry this work now INTO EVERY NATION. Every student, by hard application, is proving to be an ALL-A student! Final exams for the first semester are being held this week!

The true Gospel is going to the nation nightly and every week-day morning. XEG has INCREASED its power. Letters are POURING in---700 to 1,000 every day! Precious souls are being converted. Lives are being CHANGED! Oh, how I wish you could read the letters! Many hundreds appeal to me that God will HEAL them of sicknesses, diseases and injuries, and scores are being healed. Often I am called on to pray for 150 to 200 at a time! One letter just received says: "Oh how I wish I could help you more in the great work. You have been such a help to me. I know it was your voice that made me wake up and take notice to God and His Word. How I thank Him that I heard you that first time! I truly believe"

God was calling me, through your voice, because it was the first time I ever heard the Bible explained in its true meaning....I have accepted Jesus Christ as my personal Saviour, and though I find it quite hard at times, (there are so many temptations in the world today) I also find it is the happiest and most important thing in all the world living for God, and by God's laws and truths. Dear Mr. Armstrong, you are called of God I know, because you preach the Bible---what it says. God bless you. Please pray for me."

Another writes: "I've been listening to your broadcast each evening. I enjoy it so much. My brother near --- was listening to your program one night and was reclaimed--- had been backslidden for several years, so I began to listen in. I hope you can keep on the air till Jesus comes. Yes, we have been so blinded by traditions till it's hard for some to understand when someone is really preaching the truth." *** Another: "I am just so happy that I heard and accepted this wonderful Gospel that you are preaching over the radio, which is the only thing that will save us. God has wonderfully blessed us (my family) through you, and we are praising His holy name! We listen every night at 8 o'clock, and sometimes at 5:30 in the mornings, read our Bible along with you, and it is wonderful! We have just begun to LIVE, thank the Lord." *** These are typical, just received, of letters coming in every day telling us of precious souls brought to Christ and salvation thru the broadcast. Also, in every mail are appeals for help. Here are excerpts from just a couple in today's mail: "I've listened to you for over a year, and you preach what I believe, but my mind is in a whirl. I have been, in the past, one of the most wicked women that ever breathed. I have broken every commandment God gave to us. I'm a divorced woman, not because my husband wanted to get one, ... he was a good man. All the fault was mine, because I was unfaithful, spender of his hard-earned money for liquor, and "good-time crazy." ... What I'm concerned about now, is how can I serve my wonderful Lord. Do you think God has forgiven my sins?" Then she asks some personal advice and help. Of course, God has forgiven the sins of all who come to Him thru Jesus Christ, accepting His death on the cross in payment for the penalty of our sins, accepting Him as personal Saviour, having REPENTED of sins, desiring to be reconciled to God and to know and live by God's laws. *** Another typical letter, showing the dearth of spiritual food received in this world's churches: "Thank you SO MUCH for all the help and truths you give the world. I belong to the --- Church. But as you know, we need so much more than we get in church. I feel that there's so much that I haven't received. I have never received the blessings that I know the Lord gives. Please pray for me." The reason so many do not receive more blessings is that they do not understand fully what Jesus taught: "It is more blessed to GIVE than to receive." The principle of God's law is LOVE---which is selflessness, the principle of GIVING, SERVING, rather than GETTING. The more we GIVE, the more we RECEIVE! *** From Mississippi: "I always share with interested persons your publications and special pamphlets. They are always received with much appreciation, and I am called on from time to time for these. We have a regular reading circle made up of these and we listen to your broadcasts and discuss them among ourselves, and this is growing each week." *** A young man high-school senior: "I have been listening to your broadcast, and I can say from the bottom of my heart that I certainly admire a man that will stand up and preach the true Gospel like you do ... I spent two years in the Navy; got discharged in 1945. Attended Junior College, in which I am now enrolled. I was about like the rest of the boys when I got out of service. I didn't live a very good life. (He surrendered to God last October). I have been thinking of going to -----(college) next year, but I would like to receive some information from you. Are you a Bible teacher in Ambassador College? ... Why I write you all this is because I am seeking a way to make preparation, not just get through school, but to have the real thing after I get out....I think you have the true doctrine." This lad expects to enter the ministry. We hope he comes to Ambassador. Yes, I personally teach the Bible class at the college. *** I was rather amused, and much pleased, at a letter from a former zeal-filled member of a certain popular sect which claims NOT to be a Church or Organization. He is typical of thousands whom the broadcasts have CHANGED from error into TRUTH. There's space for but a small part of his letter: "Dear Representative of God only by the authority of God and by the authority of Jesus Christ: What you are preaching is DIFFERENT from anything I've ever heard or anyone else has ever heard today. You certainly preach a different Jesus to what the -----Society (which he formerly followed) or any other religious organization preaches. There's as much difference in your, or the BIBLE interpretations and the -----Society's interpretations as there is between daylight and dark." *** Another in this category: "I listen to your broadcasts and will say that you are the first man I have ever heard that I believe tells the WHOLE TRUTH. I have sought for many years to know the truth, as it must be written, but I could not quite grasp it. I am not a church man, but I try to live a straight honest life."

Dear Friends and Co-Workers, WE HAVE ONLY A FEW YEARS LEFT! The horrible atomic war will COME! Dr. Hutchins says 65 scientists with him made a last-minute frantic effort to persuade President Truman to prevent the dropping of the stomic bomb on Japan---for that meant OTHER nations soon would have it to use on US! All hope of preserving the awful secret was then lost! The end result, now, says this authority, can be ANNIHILATION OF ALL HUMAN LIFE UPON THIS PLANET!

But the PROPHEPIC picture of the atomic future is just a little different from that which the world expects. Prophecy does say that our CITIES will be destroyed. A THIRD of our population will be blasted out of existence. But it does not say the nation

which will do it will be RUSSIA. Unexpectedly, a dynamic CHANGE in world events, especially in Europe, will hold Russia off---prevent Russia from doing that which she undoubtedly would do otherwise. But the atomic destruction WILL COME!---and that's the IMPORTANT THING. God Almighty warns us OUR NATION AND ALL ITS CITIES WILL BE DESTROYED, unless we return to our God, and QUICKLY!

Yes, THAT'S the important thing! TIME IS SHORT, and WE MUST WARN OUR PEOPLE! If the nation won't heed, then each individual who does may find divine PROTECTION, to escape ALL these terrible things that SHALL QUICKLY COME TO PASS, and to STAND before the Son of man, at Christ's coming!

Listen, dear Co-Worker! As I've said before, YOU won't be living where you are ---AS you are, enjoying what you are now, MUCH LONGER! DOOM is hurling surely and relentlessly down UPON OUR ENTIRE NATION! General Arnold sees it. All great scientists know it! They tell us they are frankly FRIGHTENED! You may be sure General Eisenhower, President Truman, Secretary Marshall all realize it! Yes, they all know more than they dare tell! GOD foresees it, and WARNS US!

TIME IS SHORT and swiftly running out on us! We STILL have time, and just BARELY time, to fulfill the Great Commission, before it's forever TOO LATE! We can't stop, falter, slacken our efforts now!

And yet SOME FEW of our co-workers continue to write in after every urgent appeal I'm forced to send out: "Why is the work always in an emergency? Why must it always need more money?"

Oh, dear Co-Workers, LISTEN! Let's all realize JUST WHERE WE STAND! We are in the very LAST DAYS! The only thing on earth that COUNTS, now, is THIS GREAT WORK OF GOD! It isn't MY personal work---it is YOURS as much as mine---it's GOD'S work, to which He has called YOU and me. I can speak in front of a microphone. But unless YOUR MONEY makes that microphone LIVE,---carries what is spoken into it out over many radio stations of super-power to MILLIONS OF PEOPLE, I would be talking into a dead piece of metal in an empty room ---just talking to myself! Often, when I speak to you, there is not another soul in the room with me. Usually Mrs. Armstrong is there by my side, and sometimes visitors, but not always. You see, of myself I CAN DO NOTHING. Without YOUR part, this great work would be as dead as the proverbial door-nail. I need---fully realize the need---and am sure I have, the help and power of GOD. I have to plead for His help, guidance, inspiration, and power daily---He has promised it, and He gives it. But without YOU CO-WORKERS, this work would fold up and STOP DEAD in less than ten days' time! I can write articles, and booklets. But unless YOU send the money for paper, printing, and postage, not a hundred people would probably ever see the Message God has given me. I can teach the marvelous, amazing, precious TRUTHS God has revealed to me to the Bible class at AMBASSADOR COLLEGE, and the other professors can teach the other things these students need to prepare them for God's service ---ONLY if YOU send in the money to keep the college operating!

And this work has been developed and organized SO EFFICIENTLY, under God's inspiration and guidance, that EVERY SINGLE DOLLAR you send carries the precious vital Message to TWO THOUSAND PRECIOUS SOULS, who will not hear it if you do not send that dollar---or as MANY dollars as you can!

Yes, this work ONCE AGAIN is in a LIFE-AND-DEATH CRISIS! I've explained before how we had no possible way to anticipate the \$30,000 reconstruction job unexpectedly thrust upon us. We HAD to meet it. But it is not paid yet---and it forced us to get behind with our large super-power radio stations, and I have had to give notes in LARGE AMOUNTS, due monthly, which will keep this terrible crisis on us for THREE MORE MONTHS at least. We are not yet out of this dire emergency, and WON'T BE for another three months at least! But I am happy to report to you that we are rapidly getting this work out of debt---and are committed to a stiff schedule that will rid us entirely of the reproach of debt after another three months. Rapid, almost miraculous strides have been made---but we must put our shoulders to the wheel until the job's finished!

Some of our co-workers are doing FAR MORE than their share---God bless them! Some have made tremendous sacrifice---giving one, two, three thousand dollars---some LOANING us, until they need it, money they cannot give, that this money may at least be USED during this present emergency in this most important work on earth! I must ask OTHERS now to give, or loan us large sums to meet all the heavy obligations and keep this work alive, and GROWING. But some---as I said, only a VERY FEW---seem to take offense, and write me criticizing letters because this emergency is still on. Oh, dear Co-Workers, can't you realize that every bit of it is, financially, my PERSONAL RESPONSIBILITY?---that it is I, not you, whom the building contractor, the radio stations, and others, threaten and pressure! It is I they make feel like a dishonest dead-beat or a criminal of some kind, when YOU fail to send in enough money! It is I who must endure all this, often unable to sleep nights, and still must try to keep up my morale and good spirits so I can talk cheerfully and encouragingly over the air to help millions of people---who must try to encourage and inspire our office staff, our professors and students at the college, and KEEP THE WHEELS TURNING, no matter how heavy the responsibility reposes on my shoulders! Now of course I

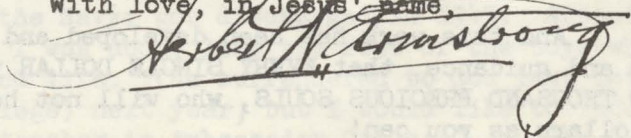

realize, since this is God's work, that there is no cause for worry or fear---and I DO have perfect FAITH, born of long experience. I do always KNOW God will see to it that everything comes out all right, in due time---as He always has, does, and will! But dear Co-Workers, I am a human mortal just like you, not a great super-man---subject to all the human feelings, temptations, weaknesses and everything else just like YOU. And being human, even tho my faith is strong and unwavering, and there is NO QUESTION in my mind of the outcome, yet these things are terrible ORDEALS which cause SUFFERING you can never know unless you should be in my place, have this frightfully heavy load of responsibility on YOUR shoulders, and know by experience! And yet some of our dear co-workers have written me that when they get a Bulletin or some of my letters since this crisis has been on, they feel it so deeply they just can't sleep---so I know many of you feel a big share in this responsibility with me' ---GOD BLESS YOU!

Well, here's the situation of the moment! Today I have to meet the regular heavy monthly payment on the college property. By drawing some from our reserve fund, I have enough to meet it---I'm sure God will never let us lose it! But a note for more than \$2,000 is a couple days PAST DUE, another one for another \$2,000 will be due in three days, the heavy monthly pay-roll is also due then, beside many first-of-the-month bills. Once again, I MUST get in not less than SIX THOUSAND DOLLARS WITHIN A WEEK! For the present we must keep BORROWING as many thousand dollars as some of our good co-workers, who are not in position to give it, can let us USE in God's work temporarily---for as long as you can spare it---preferably two or three years, but even for two or three months if longer time is impossible. I must send out again the urgent call for LARGE GIFTS, of sums of \$500, \$1,000, and up to several thousand dollars! Again I must ask you, and in Jesus' name, and for His cause, for all the widow's mites---and please try to DOUBLE even the small offerings if possible. We must have MANY offerings in amounts of \$25, \$50, and \$100. God does not expect any to give what he has not got, but He does expect each one to TITHE faithfully, ONE-TENTH OF INCOME, and to give in addition generous, liberal offerings, ACCORDING TO ABILITY

NOWHERE else can this money do so much good, or reach so many people! Except ALMIGHTY GOD interferes, this world faces certain DOOM---utter annihilation of human life on this globe by atomic destruction at the hand of man! The glorious GOOD NEWS of the coming KINGDOM OF GOD, and the SECOND COMING OF CHIRST to at last straighten everything out for us and bring a blinded and deceived humanity understanding, peace, and joyful salvation---the true GOSPEL of Jesus Christ---must now be shouted in great power to the entire world. Soon it will be TOO LATE. NOW is the time! YOU have your part, just as I have mine I'm doing my very best---will YOU do ALL that YOU CAN? Please rush your offering, as large as possible, as soon as possible---air-mail (now only 5¢) or even by telegraph.

God bless you---SOMEHOW I know we will be carried through, and this great work will survive and continue on, TO THE END!

With love, in Jesus' name,

Return in 5 Days

Dear Dr Robinson;

Enclosed please find two instalments for the last two lessons, which arrived together; As we advance, these lessons are becoming more & more interesting; My husband went to work at a cannery some distance from home, & only comes home on week ends. Saturday nite. he came home & had so many small jobs he felt he must do, around home, but in the night got such terrible pains in his right foot & limb, so got up, thinking they would leave, but kept getting worse finally had to go back to bed, and I began putting cold packs on him. Then while he was in such pain he could hardly speak, I got all the "Psychiana" lesson sheets & began to make all the affirmations, & had him repeat them after me more especially the second, third, fourth & fifth; with in an hour, the pain was completely gone & he fell to sleep, & when I went in to

the room, he awakened, & said he was going to get up, but I told him to lie still, and rest, as the work wouldn't run away, & he could do it next week end, but he got up & dressed & all pain was completely gone. That was the first attack of those terrible pains he had had since February, when they came on him so severe & without any cause; after reading up in my doctor book, we decided it must be hardening of the arteries, as all the symptoms were there. But Thanks to The Faith he has, in the Living Power of God, & Thanks to you for giving us the knowledge of that Power, I am sure he will not have a re-occurrence of that excruciating experience. So thanking you again, we are;

Cordially Yours, in the Spirit of The Living God.

P.S. The sick fellow is
doing fine. He read one of
the letters that I received.
He is not a member however.

But now he feels better. Before hand he was about to die from a heart ailment or something.

Well he did not give up. So he is better.

After these few studies I find myself able to keep out of serious trouble. And I feel better myself. I really enjoy reading them as they are right and natural.

Dear Friend and teacher -

This is one of the Greatest Pleasures I Ever Had in the History of my Life. First I want to thank God for Directing this message to me thru James & more my pencil across this paper the spiritual power of the living God is running thru my fingers. I am happy because I am receiving the desires of my heart. Yes I must tell this dream that I had a few weeks ago. I dream that I run my car in a burning fire I thought the car was burnt up. The story goes - - How ever the car was return back to me in good condition. I was able to drive on I come to another building where there was a plenty of every thing. One could wish for I was made welcome there. I didn't understand this. Now ever I was determined to reach the goal I am satisfied that I have all ready contacted the spiritual power of the living God. No time in my life has I been as happy as I am now. I hope you can read this.

Dear Mr. Robinson:

I recently rec'd some mail from you addressed to Jessie B. Allen - Mrs D. D. Allen and the one addressed is the same person. I know you are too busy to write to one who steadily study your teachings - It did not take me long - only the first lesson to prove to me the value of your teaching - The neighbors can't see how I can do what I do - When I came here such a sick person - yet when I tell them they can do the same - they say I am going to be lost - I live next door to a Baptist minister's widow - she is very concerned about my soul - so I told her the church should teach its members how they too could be well - they only stare at me - but this D. D. Allen is the one who has them wondering - he came here from Colorado to very sick people - he is doing his own work now around the used car lot - does not look like the same person that came here - he would have been operated on if he had been able to stand an operation - and had listened to the surgeon in the place of studying with you - There is quite a story - I know you are very happy in your work - helping people who are sick and discouraged - if everyone knew how wonderful it is - how different things would be -

Very Sincerely

Wm. & Mrs. D. D. Allen

My dear Mrs. Allen,

Thank you for your good letter of recent date.
It was good to hear from you.

If you knew how many thousands of people write to us as you did, you would know that at long last the actual Truths of The Spirit of God are being made known to men and women on this earth. When it is understood that man is the highest creation of The Great Life-Spirit, the earth will be a paradise.

May the Spirit of Infinite Peace be with you always.

Cordially yours,

Alfred B. Robinson

Dear Mr. Robinson:-

I have already enrolled
and am eagerly waiting for my
second Lesson.

I'm glad to receive your third
invitation for it means that
as soon as I receive the
full Power of God I can give
the invitation blanks to others.

This I know will happen
though I've been in the Psycho-
Religion such a short time.

I'm grateful to you for ending
my search for Peace and a way
of clearing my home troubles
I and ending.

Sincerely
Mary L. Allen

Dear Mr. Robinson

Bob

I was so in need of help and it was just chance that I saw your notice in the paper for I seldom find time to look one over. But one glance told me that at least my search was over.

I've only received two lessons so far but was an opening up so that I can keep receiving these wonderful lessons. I'm so grateful.

True money matter need a worry but far more so were home conditions. But the

Wonderful Power of the
Living God already is
relieving those Conditions.
I sincerely thank
you for reaching them
too soon. I know that
when I've fully received
this wonderful Power
of God and know it
to the fullest I'll be able
to pass this knowledge
to the family, then
meeting together we
will pass it on.

Sincerely

I'm sorry that I cannot make more than the regular payment. No one dislikes paying on the installment plan more than I do but I could not be taking these lessons otherwise.

Before I started these wonderful lessons I was a very heavy smoker. I couldn't break the habit and I couldn't afford the cig. but I did just the same.

It wasn't long after starting these lessons

that I give up one
month out any effort
on my part outside
of doing as you said.
No more the money goes
to pay for these lessons.
My husband wouldnt
give time to reading or
love. We are of different
religions and I cant
I am able to give proof
of these lessons I
have to study kinda
secretly. This worries
me, but I know that
when I can give proof
of what I believe he
will be eager to study
too.

We have six children
and my mother stays
with us. There is little
time for studying.

My Robinson I'm so
tired by bed time when
I do my exercises I'm
afraid I fall asleep
before the 15 minutes
are up. I'm very a great
deal during the night
with the children I try
each time to stay awake
and finish my lesson.

I believe with all
my heart in the Power
of God. I know all
things will be
straitened out before

too long. I guess I'm
too impatient

Thank you for
these wonderful
lessons. I look
forward to them.

Sincerely,

These are the most wonderful Lessons. I'm grateful to have run across your advertisement that day. I've not seen it in a paper or magazine since.

It would lead

show to these
wonderful truths
as it did me.

We were very pleased to hear that you are interested in starting a Psychiana Church Group. We feel that these groups will eventually be the backbone of The Psychiana Religion; and, therefore, we are very anxious to have them started. Material is being prepared for these groups with definite instructions and procedures to be followed. These Students also need to talk to someone of the same religion to obtain a deeper understanding and benefit from Psychiana. I think this method of bringing out Students together will be very successful.

May the Spirit of Infinite Peace be with you always.

Dear Friend & Teacher:

You no doubt are very busy - so I won't take very much of your time. I am on my fourth lesson and I indeed find that God isn't as far away as I had been taught. You'll never know how happy I've been since studying your lessons. My worries and fears seem to be vanishing. My husband has even stopped worrying. He studies with me when he is at home.

II

we have learned to take our troubles to the spirit of God in us and leave them there.

My health has even improved. Though the Healing Power in us. I am able to lay my hand on any pain I have in my body and pray-it is gone.

I have taken the problem of getting a group to gather to study these lessons to the spirit of God, and I'm sure it won't bring until I can get it started. I want to do that more than any

thing I know of - so I
am asking for your help
in prayer.

Just one more thing
and I'll close - I have a
very dear friend who has been
a cripple since she was nine
days old. One of her legs and
foot are so much larger
than the other one. It is
about the size of a two months
child's foot and she has to stay
in bed most of the time. The
doctors don't know just what
it is. She has asked me to
ask you if you would pray
for her.

I am so happy I have
learned of your movement-
wish I could have heard
of it before now. my eyes
are being opened. Thank
you so much for your lessons.

Sincerely,

One of your many
students,

Dear Mr Robinson,

Your letter of June 14th is read again, It is two months up to date that I received your fine letter of encouragement regarding my daughters illness.

She is much improved, words fail to express my gratitude to you for all the Blessings that have been mine thru your teaching.

Altho I have not been as faithful as I should like to have been due to the fact that I am very busy.

Am working with the Volunteers of America, but read and reread your lessons in every leisure moments when I return home. Any suggestions Mr Robinson are very much appreciated

I surely did the best thing I ever
