My dear Miss Hicks,

Thank you for your good letter of recent date and for your remittance of \$3.00. It was good to hear from you.

If you knew how many thousands of people write to us as you did, you would know that at long last the actual Truths of The Spirit of God are being made known to men and women on this earth. When it is understood that man is the highest creation of The Great Life-Spirit, the earth will be a paradise.

May the Spirit of Infinite Peace be with you always.

Dear Dr. Robinson, Bill

While sitting  
here I thought well before I  
read my lesson for tonight, I will  
write a letter just to tell you  
how wonderful these lessons are.  
I am very glad I found out God  
dwells within me and not in  
the sky. Although I tell many  
people about my lessons they  
always say you are 22 years of  
age and believe in things like that;  
but that's alright I am not going  
to let anyone tell me anything against  
the lessons. I think they are  
wonderful and I am very glad

I am receiving them.

Just like one lady told me  
the money I am sending for this  
I could use for something else  
although I have to work very  
hard to get extra money to send  
for these lessons I don't read  
it at all. even if I had to  
work day and night I would  
do it because I feel deep down  
in my heart some day they will  
be of benefit to me. Thanking you  
a million times for these lessons  
maybe some day I will be able  
to show these some people what  
the spirit of God can do for  
me as well as them.

I have read with a great deal of interest your various writings. First of all your God Power, I have read a Prophet Speaks, Ye Men of Athens, The Strange Life of Frank B. Robinson, Recently I have enjoyed Psychianna Study lessons seven, ten, eleven and fourteen.

I believe in your message or I wouldn't have read them all of these years.

Truth does not make a man great, but a man can make truth great.

I want you to connect your God Power with mine for greater Power in the work which you are doing. I too am a favored son of the month of July. (9)

Dear Mr Robinsm

You have received a  
money order for Dec and Jan.  
payment on "psychiana". When  
you have returned check for  
2<sup>rs</sup> marked "insufficient funds"

Thank you for immediate action  
on this. Sorry to have troubled  
you.

I am enjoying lesson  
# 7 immensely. The deeper  
I get into the course, the  
plainer it becomes. I'm sure  
that the God-R Realm is already

manifesting in my life. Two  
weeks ago one of my articles  
appeared in "Alabama  
Christian Advocate," (circulation  
50,000) entitled "The Spirit of  
God." It was the first article  
I have had published and  
altho this publication is free  
gratis, so far as the contributors  
are concerned, I was happy  
to spread the message.  
Since then I have written  
another titled "Can America  
Bring World Peace?" That  
I sent to a magazine and  
I'm hoping it will reach  
publication. If it does I will  
know beyond question that  
the Spirit of God is working

because God Himself was the  
 sum and substance of my story.

I plan now to do a fiction  
 story on Easter with religious  
 background for a Southern  
 magazine. I have sold one  
 story to this magazine several  
 years ago. (I have not written  
 a line since then) until  
 since starting your course. There  
 is a power running through  
 my body, re-vitalizing, pulsating,  
 and leading me into action,  
 lifting me out of the rut of  
 my ~~fifty~~ years of life, into  
 new ideas, inspired by a  
 Higher force. I no longer feel

old and useless and without  
 purpose. I <sup>have</sup> taken an active  
 part in my church work also  
 since starting your course.  
 appearing on programs with  
 an ease that I never  
 suspected <sup>I had</sup> and spreading  
 Gods truths where ever I can.

Please have your staff  
 just mailing me application  
 blanks and inform them that  
 I'm a student. you need the  
 literature for others.

Thanking you for the  
 wonderful opportunity of a  
 new life, I am

Sincerely yours

Ira Trotter Hill

I am very interested to know  
if any of the people, whose  
names I mailed you are taking  
the course. If so will you  
please supply me with the  
names that I might watch  
them in their work. I will  
keep their identity confidential.  
I'm interested because they are  
friends and fellow workers  
in my church, Sheffield Ala.

Dear Dr. Robinson.

Well here are some of the good in words these lessons did me. I guess words could hardly express the good done. However I am always slow to take any kind of teaching that I am not very familiar with.

I am not done with these lessons yet. Before long I hope to take the Master Series lessons.

I am <sup>2.</sup> a Registered Nurse and I guess you know I have a good idea what health is. a year or so ago I was Sick indeed. When I started with your lessons, as I have already stated I was taking them slow.

I could hardly balance myself unless being held by my hand. If I got out in the yard to hang out cloths I would swing like a bird on a limb trying to balance

myself. Medicinal  
Doctors hardly found  
anything wrong with  
me. "only I," knew  
how sick I was.

I have five  
children living and  
one dead, as you  
see they must have  
attention all the time.

one morning I  
started to get up and  
if the world was  
being twisted from  
under my feet it  
wouldn't have been  
much worse, I layed  
back down and began  
to cry. Then I thought  
about your first

lesson, which I begin to say the sentence you ask me to repeat, and suddenly I got out of bed and went to doing my house work, so I have been going ever since.

I have been nursing some lately. last week it was a slick snow on the ground here and it became necessary for me to walk about four miles in caring for the sick. so I just walked the distance and I was alright.

5.

I am sending you  
a few names who  
should be interested

Hoping much

Dear Teacher:

For the first time in my whole life I've never been so happy, all of your wonderful lessons I have. I love them. As I was peeling corn, I could see God transform it into beautiful white velvet, and so beautifully shaped like rose buds. Yes Teacher, I saw the power of God work, and I am so overly happy I can't write straight. I can't talk to any of my friends like this because they noticed the change in me. They said, you're not the same Lena I know a few yrs. back I am glad again I've changed. I have more time for my God than I did before I am alone and I can study. This all came about one morning when I lived on the farm, I was looking through

The news paper and right on top I saw  
this: "Do you want to Talk with God".  
I said yes right out loud, they all ask  
me what was wrong, I said, Oh nothing.  
When everyone was out I hurried and  
got in touch with you + since then I've  
been receiving my lessons. Later I  
moved back to my home town Detroit  
+ am settled once more and I have a  
better understanding than I ever had.  
Thanks a million times Teacher for  
the lessons, and I thank God a  
billion times for directing my eyes  
to that little corner of the paper +  
I thank God again for giving me the  
sense to think and the sense to  
know he's the one and only one  
that can put you on the right path.  
Thanks again + again.

P.S. please Teacher don't think me  
foolish for writing. I had to write.

Dear Dr. Robinson:

I'm so beaming with a new found joy. I don't know what to write. I just read your book "For Rent - A Cross" - It really did a million dollars worth of good to me - in the first place, I found I could take my glasses, I've been using for over 18 years and can look out across the street, which always before the light would blur things - Well it doesn't now. Thank the Spirit of God. I would that everyone everywhere could read the book. It does take a bit of understanding and belief in a Living God to dispense with all the things one had been taught for years - but in a moment - it can be done - I know now. I want the rest of your books too. I couldn't lay this one down until I completed it - It was truly wonderful find.

I'm enclosing a Money Order for \$19.<sup>50</sup> for which please send me the books listed - I might add I hope I'm one to get an autographed book.

This find is such a wonderful thing -  
One lady has my first book now - you can  
bet I'll be using it now.

I can truly see where things will be  
different in my life from now on with  
the knowledge of an everpresent living God.

I hope before to long I can have read all  
your books. I trust they're all as fascinating  
as the lessons & this "For Rent - a Cross" and I  
do enjoy also the 2 copies of "The Psychiana  
Bulletin".

I'll not take up too much of your time  
today. I know you have loads to do, but  
with an Everpresent God to help you - you  
will succeed.

Yours for God  
Mrs Wm. C. Hoke.

Dear Sir:

Inclosed find a money order  
for \$3.50 for which please send me  
the two books, "A Prophet Speaks" and  
"The Pathway to God".

I've been reading "The God Nobody  
Knows" and I love it as well as the  
rest of the books I have of Dr. Robinson's.

You wrote about a Hymnal, but I  
don't find it listed, would you send  
me the price, that I might order one.  
I sort of collect song books. That is I  
love several.

I sent you a telegram April 29<sup>th</sup>  
and received your answer. However  
I must have missed out along the  
way, as I have not caught complete  
victory yet, believe me I try - but

I've not succeeded as I should have.

I think I'm doing all I'm supposed to do and believe me, I can't hardly wait to read the new lessons when they come. I never found anything so enjoyable to read. I miss very few days in reading them. I close my eyes tight, but somehow I can't seem to get God revealed to me. I know it must be me. Maybe I'm not convincing enough or I must be lack somewhere. Can you help in any way other than your lessons - I want complete victory & keep telling God. I do - but to no avail as yet. Maybe your prayers or your help in some way will help me. I feel victory is coming, but when? Hope I'm not being too selfish, but I want what you're talking about.

Sincerely yours

# Tell Your Friends

There are scores of people, friends of yours and perhaps hundreds of people who would give almost anything to know of the existence of the truths being taught to you. These friends will esteem it a favor and will thank you heartily if you will call their attention to this teaching. If you prefer to have us call their attention to it, print the names and addresses of these friends plainly on this form and send it to us. Only give us the names of those friends you are reasonably sure will be interested in this line of thought. Do not try to think up names but just give us those whom you are reasonably sure would like to hear of this teaching. We shall appreciate this and you will be helping to carry the good news of complete liberation to those who may not see our national announcement. We will not mention your name.

Thank you very much for this courtesy.

Dear Dr Robinson,

This is my first time to write you, since taking up your course of study, which I have been studying about a year, however I am only on my thirteenth lesson, it is so deep and rather difficult to understand, so I do not allow myself to go into another lesson until I feel that I am entirely ready for it, in this lesson you asked that your pupils write you if they experienced any strange vibrations, for some time I have had what seemed reflections of lightning shooting across my closed eyelids, but now when I relax on my bed and say father I thank thee thou hast heard me, the drawing in the back of my head is so strong it almost pulls my head back on my back, it is then I know I am in touch with the mighty life spirit the God law.

in my child hood I experienced some  
like you did, I was raised in a  
Baptist Christian home, being one of  
8 children, my father was a lawyer  
and a recognized Bible scholar in fact  
at his death, he had his data already  
for publication, a study on the bible  
that was endorsed by all the ministers  
of Houston in the place he lived,  
we had family prayer and we children  
were required to read and study the bible  
every day during the summer months  
when we were out of school, I could  
never see things as my father tried to  
teach me or as my pastor preached,  
In later years something came into my  
life, that drove me away from the  
Church entirely, but there was always  
the hungering desire for an understanding  
of the true plan of life for months I  
prayed for that understanding, so when  
your literature came to me, I felt

it was demerly sent, so I at once ordered the course, it is giving me something I have wanted all my life and I intend to keep on studying with you,

Again we have something in common my husband is a druggist, he is 66 years old, so he is no longer able to stand the long hours of drug life, we have never had any children of our own, but have raised 3 orphan children who have long ago grown up and out of our home, we are now facing old age our home is still not paid for and our financial strain is most too much for both of us, my husband is a Baptist and I haven't been able to get him interested in studying this course with me in fact have only gotten him to read the first lesson

These are my desires, financial security, my husband to get out of the drug business and get into some thing else he can make more money at, shorter hours, not such hard work, and that he would be happy in, health and happiness, please study my case and let me hear from you as to what you think and if I am progressing as I should in the course,

I have sent in a number of names and have several of my friends who are studying the course also

My dear Friend:

My sister, Mrs. Julia Mason,  
is writing this letter for me  
because I cannot see well enough  
to do so myself.

The last week of June when  
she sent a message to you asking  
for help for me, I was unable  
to see at all, and was suffering  
from the effects of diabetes and  
high blood pressure to the extent  
that I lost my mind.

I have been told since my recovery  
that the doctors despaired of my recovery.  
But when I began improving so stead-  
ily the doctor and nurses were quite  
surprised.

I want to say that I know  
that it was your spiritual help  
that made my mental comeback

so successful.

My sister kept after me, at the time of her daily visits to think hard on the affirmation "I Believe in the Power of the Living God." That is still my daily task, and I have faith to believe that I may yet completely recover my sight and normal health.

I'm going to spend some time with a friend in St. Louis next week and I'll tell her, as I have told others, that the Power of God has made it possible for me to enjoy my home and friends again.

I cannot thank you enough for what you have done for me, but I am telling others about your teaching through the Psychiana course. Thank you again.

Gratefully yours

Mr Albert Robinson

Dear Friend,

I received my June copy of "The Way" yesterday, and read it with much pleasure. The words of your father are especially comforting. If you will pardon me I want to tell you something. I have never been sorry I studied the lessons. When one has lived for nearly 84 years believing or trying to believe things taught in ones youth and never <sup>having</sup> been satisfied, its hard to read just ones belief to something so radically new, and to cast off old beliefs for new. but I came to realize what was taught in the lessons was true they answered so many questions and doubts I had had. Of course I believe in a God, but not one in the sky. I repeated the words over and over again. "I believe in the Spiritual Power of the living God". but I was in nearly any peace of mind. did I, or didn't I,

really believe that, as related to me.  
One evening just about a week ago, I was  
sitting by <sup>my</sup> radio, reading and listening, when  
I heard a faint noise like my clock was  
striking. I looked at the clock and it was  
8 o'clock, now, I haven't heard my clock  
strike for such a long long long  
time, that I was astounded. I decided  
to wait for the 9 o'clock and then I  
listened, sure enough I heard it again.  
a little louder. at 10 o'clock it was much  
clearer, and now it's almost as clear  
as it used to be. as I was thinking over  
this happening, the thought came to me  
with a rush, why I do believe in <sup>the</sup> Power  
of God, and that's why I hear my clock.  
I am so troubled with noises in my head  
they ~~keep~~ <sup>keep</sup> me from hearing. I am trusting  
and trusting in this Almighty power to  
give me my hearing and eyesight. and  
cure the neuritis that makes my feet so  
numb. I have noticed for some time  
that so many people, who are strangers  
to me, smile and speak to me, they look  
at me as if I were getting ready to speak  
to them. and so we smile and speak to  
each other.

I am a friendly soul - and like to speak to people even if I don't know them when I start out to go someplace, I stop and ask to be kept from harm, going and coming. when I have work to do I ask for strength to get thro' the work. and I get what I ask for. so many little things I have noticed. I get out of patience & loose my temper, not at people, but with myself - I live alone; I read a great deal, do my own work. people who don't know my age take me for maybe 70 or ~~less~~ because I don't look or act even that old. One is only as old as you feel - and I never let the thought of old age enter my mind. It only gets you wrinkles and gray hair. and they come whether or no.

Don't get the idea that I am a grumpy, silly, old woman. If I speak or smile at anyone I guess it's because I am happy inside, and feel I must share it. I have often wondered if there were any person in Delaware who was a student of yours. I'd like to know them. they may even be friends of mine, or some one I know. or could you tell anyone's name?

I think your Father is a wonderful man. what he says goes down, deep into the heart and understanding of any one, who reads his words. I don't go to church, here at for, a very, long time. could not hear any more, and then I got nothing out- of all the words that were said. I am sincerely hoping I will <sup>soon</sup> be able to tell the true reason for my not going, and show the results of my faith in the Power of the Living God, and what it has done for me. until then I am not saying anything. I have often wondered who sent my name to you I hope you will excuse my mistakes my thoughts come faster than I can write. this is maybe too long a letter, but you will pardon me I hope.

With all best wishes for you

I am Very sincerely

My dear Mrs. Hoskins,

Thank you for your good letter of recent date. It was good to hear from you.

When it is understood that man is the highest creation of The Great Life-Spirit, the earth will be a paradise.

If your friend actually believes that The Power of Almighty God can instantly heal any disease she might have, it would not take her five seconds to claim that healing. So, in addition to holding the thought that she is going to be healed, she is going to have to act as if she already had received the answer to her sickness. It is the acting as if she had received it which brings the actual and literal physical healing. Think that through once, because in it lies the secret of all religion, as well as all spiritual healing.

Rest assured we will do all we can spiritually.

Read the enclosed clipping carefully which is almost an accurate account of what took place. Note where it says the child showed no form of life and believe me that statement isn't exaggerated. When they brought him in his whole body was blue and I couldn't find a heart beat with a stethoscope even after he had had artificial respiration for as long as 45 min. or more. Also bear in mind we were half way to Overton before he started breathing. If I had never believed in Psychiana before I certainly would now. The townspeople give me credit for saving his life. All I say to them is: It was a higher power.

*A paragraph from one of Bertha's letters.*

# Mesquite Child Almost Drowns In Water Ditch

MESQUITE, Feb. 20—A 15-months-old son of Mr. and Mrs. Iran Tobler of Mesquite is convalescing in the Overton hospital today after a frightful experience yesterday in which he fell into an irrigation ditch and "nearly drowned," hospital officials reported this morning.

The child fell into the ditch at 9 a.m. while playing in the yard of his home at Mesquite. His mother was doing housework and his grandmother, Mrs. Alfred Tobler, was washing nearby.

It was the grandmother who first missed the child, according to the report. She presumed that he might have fallen into the ditch so she frantically followed the stream for approximately 200 yards before she and Calvin Reber found him.

He showed no form of life when they pulled him out of the stream, according to the report. He was rushed to the hospital at Mesquite where Mrs. Bertha Howe gave him artificial respiration, but still the child showed no signs of life.

It was then decided that a pulmotor was available at Overton, approximately 40 miles away, so the child was rushed there.

En route, Mrs. Howe continued artificial respiration, and half-way between Mesquite and Overton the child recovered. "He was crying loudly when he reached here," hospital attendants said.

The child was reported doing well today.

# Sects Should Strive For One Church in One World

## Rev. Mark Strickland Also Urges Establishment of Protestant Chaplaincy in City's Hospitals

Commenting on the official opening of the first assembly of the World Council of Churches in session in Amsterdam, Holland, August 22 to September 4, Rev. Mark B. Strickland of the First Congregational church, speaking at the eighth summer union service at the South Main Street Congregational church Sunday morning, stressed the need for "One Church for One World" and the sharing of common faith and fellowship.

The minister voiced the opinion that people should seek to know God's design for their world

as in contrast to secular attitudes in which man seeks to impose his design on God's Children. Communism and fascism, he said, express their extreme effects in this way although other nations of the world are not without guilt in this matter.

In Amsterdam, men are gathering for the purpose of studying man's disorders and man's designs, seeking thereby to know God's will and the purpose of His people, declared the speaker. They will come in a spirit of brotherliness, without reference to cast or color, to talk over their heritage from God in true fellowship, their one purpose being to talk over God's will in the world in which we live. They will come as children of God—men from the desert, jungle, oil and coal fields, wheat and rice lands—not with a purpose of imposing man's plan on God's world, but rather as stewards of God's world, he said.

In Manchester, there are too many Protestant churches and too many denominations working without cooperation and not making good use of their spiritual resources, the minister remarked. In mentioning this spiritual inefficiency, he noted as an example the great task of spiritual leaders getting around to visit the sick and suggested the idea of establishing a chaplaincy for hospitals in the city.

We could go a long way in unifying Christinity in the city and enjoying a sense of oneness, explained Rev. Mr. Strickland, as he stated that too often the churches are divided in institutional and social lines. We need to be consolidated in Christian energy and force, he said.

Men gathered in Amsterdam today, continued the speaker, are bringing testimony to the world that they as Christians are one people in one world worshipping one God. This spirit, he declared, may well be applied to our city.

SATURDAY MORNING

## COUNCIL BROADCAST

This week's broadcast of the Massachusetts Council of Churches is by the Rev. T. Chipman Day, minister of the Congregational Church, Littleton, and is entitled:

### POLITICS

There are hardly more relevant words to be spoken in a year of political activity than these lines from Ralph Waldo Emerson's poem, "Politics":

When the church is social worth,  
When the State House is the hearth,  
Then the perfect State is come,  
The republican at home.

The "Wisest American" calls upon every one of us today to uphold with a willing spirit the church's standards of personal integrity and translate the conscience's discernment of right and wrong into the very heart of political life. Only consecrated men and women, after all, can lead our world in the paths of righteousness and peace. "The spirit only can teach," says Emerson, "not any profane man, not any sensual, not any liar . . . can teach. . . . The man on whom the soul descends . . . alone can teach."

Thus did Emerson see the church as "social worth" and, by the same reasoning, the State House as "the hearth." There the "republican" is truly at home—republican spelled with a small letter, *res publica*, the "commonwealth," government of, by, for the people. This term is more inclusive and significant than any political party. For when men in high office or in humble estate see these ideals of the church as the only realism for our time, then will men feel themselves quite as responsible for decisions in the State House as they are for decisions around their own hearths. In such tremendous days as these, think on these lines by the Wisest American—and then act with all your wisdom, too!

My dear Dr. Robinson:

I'm doing as you requested after studying the third lesson received from you.

In as much as I've been very unhappy in the world as it has been these past years, I'm most grateful for the help and guidance thru your instructions.

At the time of first writing you I was living in a room without my children. It has not been possible for me

to have them with me  
since 1942. That was when  
I last had a home. This  
fall, through praying as  
you have taught me and  
carrying and expressing  
my belief to whom ever  
I could, I am to have  
them again. In the time  
which has elapsed since  
the first lesson. I've  
secured a home and  
am now preparing it  
for when the children  
will be with me again.  
There will be seats once  
more and I'm more than  
grateful for the two  
things I've prayed for  
all these years.

It's somewhat difficult  
to express what I've been  
feeling. Mainly peace

and optimism. Although the home and every thing in it are new and I'm enjoying them - the beauty and ownership of it all seems secondary. It's the inner glow & the peace within that I appreciate the most. I've prayed not to allow all these material things to become too important to me that I'd lose the other peace and happiness. They haven't - for which I'm very grateful.

Disappointments and obstacles seem easier - and I'm feeling more and more sure of myself. It's that inner sureness that cannot be affected

-4-

by whatever is said or  
done by anyone else.  
This I cherish more than  
anything which has  
happened to me in a  
material way.

Thank you again for  
your help and guidance.  
Each lesson teaches me  
so much I've needed to  
feel sure about. I never  
tire reading them.

The address of  
my new home is  
Mt. Airy Road

I am sending \$3.00 in payment of

I am becoming more and more  
aware of the presence of God,  
within, I'm not aware, completely,  
of perfect health, but am getting  
better, as I am getting a better  
understanding of God. My blood  
sugar came down from 158  
to 106 in one weeks time. And 2  
days last week I didn't take any  
insulin at all and felt fine. The  
doctors are so amazed until  
they are going to make a blood  
sugar once a week to see if I get  
normal, and normal is around

100, I am just 6 points over.  
I am looking forward to being  
completely healed before you see,  
I can't say how thankful I am,  
Dr. Robinson if you can say any  
thing other than you are saying  
in the lessons, I'd be glad if you  
would write me a letter, I know  
it would be of great help to me.

Dear Dr. Robinson

I am very happy as I write this  
and I am thankfull to God  
and you for finding this power  
I am sorry it took so long  
for me to find this out  
three years this month I enrolled  
as a Member I read them but  
I didnt seem to get anything  
out of them but this summer  
I took sick and had to go  
to bed I had time to think

then a card came to me about your  
lessons I filled it in and sent it  
to you forgetting to tell you I was  
already a member

then I thought of my lessons I had  
put away I got them out and  
started all over again I only got  
to the 3<sup>rd</sup> lesson when I found  
a wonderful change and happy  
to know that God is with me always  
so now I am going on with my  
lessons to the end thanking you  
again for writing to me

Dear Friend and Teacher,

Just received my sixth lesson and read it over, there is only one thing wrong with it, it was only half long enough, honestly I get more good out of these many things I have ever read, saw or heard, they seem to build up something inside me something big, well I can't put it in words but I know you will understand, and when I talk with God that is when I get the most glorious experience I ever had, I was like you I have been to most all the different churches looking

for something<sup>2</sup> my heart longed for  
but I found it not I know  
this is the real truths of  
God.

There are somethings I don't  
understand till maby I have  
read the lesson over several  
times, then out of a blue sky  
it is there before me so very  
simple, then is when I want  
to cry I feel so good thanks  
to you for leading to one where  
I can find such joy and happ-  
iness in the spirit of God in me.

I was very sorry I could  
not meet the requirements for  
the free handritting analysis  
I would like to have it but  
couldn't at that time but I  
want to thank you just the  
same, but I will do my  
best to have you paid up in

Dear Mr Robinson

I received your letter for the subscription to "the way" and I am so glad that it is being published I think think it will be a good thing to kinda help in freshing up our minds and help in keeping closer to god. as we are so inclined these busy days to thinking to much about our work and forgetting. to think of god whitch is the Real Main part of it all. So if we have this Magazine we will pick it up once in a while any way and Read where other wise we just keep on working. So I think this

8

Will be a great help to Every  
one. I have accomplished a  
lot with this god law we have  
a little farm of our own Now  
and so many other things that  
I am positive I wouldnt  
had if I hadnt used the  
god law. I have lots of work  
to do but I thank god for  
giving Me strength to do it.  
and I know if it hadnt  
ben for this god law I would  
of lost My son he was only  
a living skeleton only waid  
80 lbs adound 6ft tall he was  
pritty Clost to three End I  
wrotte to you to do what you  
could for him rite then we  
took him to Madison hospital

and No one Except Me Ever  
Expected him to Come back  
alive. but I was sure that  
god would heal him and bring  
him back all rite. he was  
there 2 months then he Came  
home he had a few bad  
Spells after he Came home  
but I worked over him and  
did just as you told Me to and  
to day he is Can work rite  
along with all the rest. he  
has been working in Milwau<sup>auke</sup>  
in the big factories all throu<sup>gh</sup>  
the war and he still is. that  
was about 10 years ago that  
he had that bad Spell. I could  
tell you lots more so I know  
it works. thanks to the lord

I just have to write  
to you. I had a chicken dinner  
Sunday the 21st somehow a  
chicken bone stuck in my  
throat in my windpipe. Sunday  
night I hardly slept all day  
Monday I was in misery and  
Monday night I went to bed  
and could only sleep a few  
minutes. I was up at 12 and  
was smoking my pipe and

I thought of the affirmation  
on that certificate at 1 o'clock  
I went to bed with that  
affirmation with me. Dr. I  
was soaking wet a nervous  
wreck I could not swallow  
with out pain. I awoke  
at 4.10 and I can not  
find words to tell you  
how I felt. I swallowed a  
few times and my throat  
was as clear as ever. Not

a pain I felt like a new  
being. I cannot tell you  
how I felt Sunday night  
Monday and Monday night  
I cannot find words to  
thank you for bringing

Faith in Gods Power somehow  
removed that bone from my

Mr Robinson

Dear Sir

For some time I have been planning on writing you and thank you for the many changes that has taken place in my life since I started your course. For the first time in my life I know I am close to God. My health today is perfect. My home life is more happy and I have recued a raise in salary and will get another raise in salary in Nov of this year. Yes it seem as though I am a

changed men in fact I am. Of  
that I am sure. I am now on  
my 10th lesson. No more do I  
look to the future with fear  
but with a confidence I never  
thought possible. For many  
years I have been seeking God  
I never did belong to any church  
because I could not believe what  
they tried to teach. I am 54 years  
old I have had many experience  
in my life I have directed several  
large sales Org and been more  
or less what you would call a  
success. Even though I am 54 I  
know that my greatest work  
lays ahead of me for now

I am working<sup>3</sup> with God -  
Dr Robinson for many years God  
has given me visions and keeps  
telling me to write at times  
I cannot suppress the feeling  
the flood gates just open.  
I am going tell you about this.  
I am sure I can depend on you  
to tell is it possible for me  
~~that~~ had a little schooling to  
make success in this?

Some year ago my son interested  
the army he tried to get into the  
Air Corp but his eyes were bad  
and he had glasses and this greatly  
discouraged him. So God asked me  
to write him a few verses of some  
poem and with God help I did (over)

(Sunny will have use this side,  
just int. paper)

and after reciving ~~these~~ verse  
I sent him he took off his glasse  
she got in the Air Corp in 2 months  
he was corporal and in one year  
Sgt. won many medals and he  
told me Dad when things got  
bad I read those verses and  
and every<sup>thing</sup> was right. I am young  
include it in this letter This is it

Here's a message from a Daddy  
To Son who heard the Call  
You were blessed by God in  
birthrite

I'm this greatest Land of all  
You were born within a nation  
Given. there is priviledges for you  
And I want you to remember

That Dad real proud of you  
When I met you at the station  
Where we came to say a dee

There a feeling overcome me  
That to old Glory you'd be true  
And I want to remember

That your Dad's real proud of you

And if you go to battle  
And you have to see it through  
With the face stand face to face  
You'd do credit to your heritage <sup>and name</sup>  
And I want to remember

That your Dad's real proud of you

And when the war is over  
And battles all are won  
You will <sup>be</sup> named among the heroes

4  
For the part you played my Son  
And I want you remember  
That you had real part of you

---

This what I mean and many  
others some years ago I had a  
visit from a minister trying to  
get me to go to church and after  
he left the verses I am going  
to enclose come to my mind.

I thank you again for the  
wonderful help you have been  
to me I am

Make no difference were worship

Some people love to worship  
In churches and temples fine  
Other in beautiful Cathedral  
The dream of and architects mind  
For me its the world and its spaces  
Mother nature the teacher divine  
And deep in the heart of mountains  
By side of babbling brook  
I can read works of my Creator  
Not found in lines of a book.  
And alone in deep meditation  
It seems very close to God  
As I send out to him my problems  
And have them returned solved.  
Is it not the place that you worship  
Is the feeling deep inside  
When you take to God your problem  
And ask him to decide.

Thats just some there many

Thank you for your good letter of recent date. It was good to hear from you.

If you knew how many thousands of people write to us as you did, you would know that at long last the actual Truths of The Spirit of God are being made known to men and women on this earth. When it is understood that man is the highest creation of The Great Life-Spirit, the earth will be a paradise.

When a person is beginning to contact The Realm of The Infinite Spirit of God, many rather unusual Spiritual manifestations come to that person. This, however, is only proof that he or she is beginning to get close to The Realm of Almighty God.

Be

My Dear Friend & Teacher:

I am sorry to take up your time but you asked any student that should experience ~~strange~~ strange vibrations to let you know I experienced this about three weeks ago, I don't know if this is a vibration. I will tell it as I experienced it, this night I couldn't get to sleep, I kept my eyes focused on the white spot in the line of vision but I just couldn't fall asleep so I turned over & got into a relaxed position, when all of a sudden I felt a sort of tingling, it started from my toes & crept up over my entire body.

until I was enveloped in  
 it, it was something I  
 never experienced before it  
 was very nice + before  
 I knew it I was asleep  
 I dont know what it was  
 maybe you can tell me,  
 I also had another experience  
 this was when I closed  
 my eyes, I could feel the  
 Great God-Law very near  
 me, + I became so happy  
 that I felt as if my heart  
 was singing I felt so  
 happy I hated to open my  
 eyes, I wanted to stay like  
 that,

And I also have different  
 colors in my line of  
 vision, I have had purple

orange & a dark spot  
surrounded by a very light  
circle, I have had other colors  
too, but I can't remember  
them. Well dear Dr, I sure  
have been helped in a  
different way such as my  
home life has improved, &  
so has my health, it  
was gradual, Just now  
I do see a difference, but  
as yet I haven't had any  
manifestations, I know I will  
receive them all in good time  
as I do every thing I am told  
to do, so I am so happy  
for "Psychiana" I don't  
know what I would have  
done without it, I was so  
depressed & unhappy

My dear Mr. Ireland:

Thank you for your good letter of recent date, also,  
thank you for your remittance of \$1.25. It was good  
to hear from you.

If you knew how many thousands of people write to us  
as you did, you would know that at long last the actual  
Truths of The Spirit of God are being made known to men  
and women on this earth. When it is understood that man  
is the highest creation of The Great Life-Spirit, the  
earth will be a paradise.

May The Spirit of Infinite Peace be with you always.

Cordially yours,

Dear Mr. Robinson

May I take just a few minutes of your time?

I just want to tell you how happy & contented I am - My business? Oh yes just a newsboy. (63 yrs) financially - not too much - but I have everything that I've wanted. No I did not have money in the Banks - neither did any one lend me any.

These are a few things I wanted - and received.

a fine new Radio \$104 -  
my own furniture -  
a beautiful \$25<sup>00</sup>  
electric clock - Seth Thomas -  
an apartment - with all  
necessary needs. in fact  
I don't know just what  
I do need, but whatever  
it is, I know I am going  
to get it

Thanking you so much  
for that first start I got  
I remain

Your friend

Dr. Robinson

If I am not appearing too familiar - may I address you as Frank? I think & feel it is so - oh so very - friendly a feeling -

I received No 16 Lesson today I am reading while lying in bed - it is now about 10 P.M. I was reading the part of thinking of you, or about y. While I was reading it, I thought - how strange - or rather I should say - how wonderful - why? because without you writing that - I had - on several occasions done that very thing. I'm too full of happiness right now to express myself

exactly how I feel &  
just what & how - to say it  
I think you understand,  
as I have just stated, I was  
lying in bed - thinking -  
just thinking, all at once  
up I jumped out of  
Bed & here I am writing  
you -

Frank. I have, in my  
window sill a plant,  
it's just shooting into bud,  
every once in a while I look  
at it, what do I see?

Myself -

I see me, the flower pot  
(the physical body) then I see  
the earth, (my earthly organs)  
Then, the stem, - (physical  
support). and then the  
Bud - (my spiritual light  
just beginning to glow -  
but how warm that

of joy - I am hardly  
wrote the letter & finally  
because - I am so full

of joy -

Do I know what I'm  
talking about? The day

I am not only a  
child - but a man - friend

but a happy one, who has  
just found a new thing

Does Frank - see often  
on a sudden urge -

is excited to write, sometimes  
I wake up - out of a sound

sleep, & want to write you  
then - I think, you are

as busy - and tired, I must  
not bother you -

Love, friend and  
Aimee Sturdevant, writing

You all success -  
The best of luck -
