

# A Merry Xmas

Christmas has rolled round once more. The past year has been filled with varied emotions. There have been moments in which our faith in God has been put to the test. But we stood the test and once more we demonstrated the ever-living fact that those to whom God has become a reality, are never confounded. It's been a hectic year. Yet it's been a very blessed year. The most important move we have ever made was made in 1938. With a living faith in a Living God, we removed all charges from "PSYCHIANA" and we put our faith to a living test. Not every man would have done this. But we want to bring this New Conception of God to as many people as we possibly can, in the shortest possible time. We want no one to be refused this Teaching on account of lack of funds. As I write this Christmas Greeting to you, there are thousands of dollars which we owe, and which should be paid, but we know of no instance where we are being crowded. In time, we shall be able to pay all. The expense of the change was very material, but it brought in many Students.

Beloved—I wish I could be in your home this evening. I would like to sit down with you for an hour, and just rest. I don't know who you all are, but there is a feeling of infinite love for you all. As this great work progresses, and as the actual Power of the Realm of the Spirit of God makes itself known to you, may I ask you, through the coming year, to recognize the immense responsibility resting upon you. I am depending upon you to help me spread this message. If you have not yet started your "HOME-STUDY GROUP," and it is convenient to do so—won't you do this? If my Students will send to me each month, the names and addresses of those who are interested in knowing the actual Truths of God, I shall be saved the expense of spending tens of thousands of dollars every year, in national advertising. And we have enough active Students to send us about 100,000 names daily if they would. So, while I am giving the very best in me for the Realm of the Spirit of God, let me ask you, at this Christmastide, to help me as much as you can through the coming year. If you can help me financially—please do so. Our every bill should be paid, and we must lose no time in calling the attention of the United States to the staggering Spiritual Power manifesting in human lives, through a simple belief in the existing Spirit of God. Perhaps before the end of another year, things will be different. But, if you will pull with me, we can make "PSYCHIANA" the most revolutionary religious Movement this world has ever seen. GOD WANTS YOU TO BELIEVE IN THIS REALM OF THE SPIRIT. IF YOU DO BELIEVE, YOU CAN NEVER BE CONFOUNDED, FOR GOD IS TRUE, GOD IS EVER-PRESENT, AND GOD ALWAYS RESPONDS.

May the Invisible Spirit of Infinite Peace and Power be ever present with you. Please let it lead you through the coming year.

Cordially yours,

*Frank B. Robinson*
