My dear Mrs. Ulledahl:

Thank you for your good letter of recent date. It was good to hear from you.

If you knew how many thousands of people write to us as you did, you would know that at long last the actual Truths of The Spirit of God are being made known to men and women on this earth. When it is understood that man is the highest creation of The Great Life-Spirit, the earth will be a paradise.

May The Spirit of Infinite Peace be with you always.

Dear Sir,

Inclosed please find  
money order for 9 dollars.  
(~~\$9.<sup>00</sup>~~). The last payment  
for my lessons.

I am not able to  
write you how wonderful  
your lessons are. I received  
my 20<sup>th</sup> lesson some time  
ago. I am not through  
all my lessons yet. But  
I have put them away,  
and study them one  
at a time. I had very  
little education, and

am not as fast at reading,  
as I'd like to be, but thank  
God I do understand them.

I don't just read them,  
but I study them, and I  
am finding the understanding  
of the God Law, in the way  
I wanted to find it, but never  
could before, as in all other  
readings it was hidden,  
but you have helped me  
in a way, and that way  
is in the real truth, for  
which I thank you  
so very much.

Soon I will write you  
of greater things the God Law  
has done for me.

my lessons are now all paid  
up, and will soon be ordering books.

Yours. Very Truly  
Mrs. Ray Ullendahl, Parshall.

Dear Teacher

These names are of my neighbors when I lived near Calliance Neb. which was my home until three years ago.

I am <sup>not</sup> sure all of them will be interested in Psychiana. I feel sure if they ever read some of it they will get interested.

I never read anything I was so interested in. before I sent for these lessons I wrote to a minister and ask him what he thought about it. he advised me to let it alone. but I could not ~~help feeling I was doing~~ wrong if I did. so I decided I would send for one at least. and after I read the first one. I felt sure they were what I was looking for. you dont know how glad I am that I did not take his advise. one who ever read the bible can very plainly see. you are right.

I would <sup>not</sup> give them up for any thing

Respectfully

Dear Dr. Robinson:

I want to express my thanks and appreciation for those wonderful lessons. I have been somewhat handicapped in my studies and progress rather slow, due to the noise & confusion of building to our home, which is slow going, we also are trying to sell a few house trailers, and how to Cap every thing else, my husband has accepted a "Watkins Product" route, so you see I am a busy person, but, a very happy one, ever since I began studying those inspiring Truth lessons, things are happening. They work for me, in every way, in every thing I do, just like you stated in your teaching. I am now studying lesson 18. I never hurry

thru any lesson, tho' I am  
wondering what 19 + 20 contain  
I am not over curious + will  
study them well, in turn, when I come  
to them. you will never know, what  
"Psychiana" has done for me, my  
husband had a serious operation  
last. Feb. 23-1947 and in 3 months  
was completely restored to normal  
health, + he has done half of the  
work in building our home, which  
is a rambling type Bungalow, +  
unusually attractive in wonderful  
surroundings, The thing I wanted  
most was health - I have that also.  
my Aunt was seriously ill,

Not expected to live from day to day,  
3 doctors had failed to help her,  
her heart was bad, almost Anemic  
+ her limbs pained from hips down,  
everyone said she wouldn't get well.

I went down - I took her a stack  
of Psychiana Literature - "not the lessons",  
I rubbed her limbs. (massaged)  
I told her I had healing hands,  
and she would soon be better.

She laughed & said she hoped so.  
In 3 weeks she was out of bed.  
(she had been in bed three months)  
each night before going to sleep  
I said to the "White Spot" Aunt Anna  
will get well - over & over again all  
thru. the day I repeated that tho'.

she is quite O. K. now, does all her  
housework, she is 72. I wonder if  
I really did help. ??? I think so.  
I try so hard to interest my friends  
and relatives in "Psychiana"  
some think I'm "queer" - others tell  
me "I'm a lost soul!" - they won't listen,  
and they won't read. I feel very  
sorry for them. My husband is  
studying also & joins me in  
thanking you for the most  
wonderful teaching this world  
has ever known. I just finished  
Reading The Strange Autobiography  
of Frank B Robinson. I'm going to  
offer it to my friends to read.  
When I finish the lessons you  
will hear from me again.

God Bless You - Sincerely  
Mrs. Hugh Ukefer.

Dear A.R. Robinson

This is to let you <sup>know</sup> where  
I am headed for after the upset  
with the Congress has come so  
our officers of the Church ask me  
why not take my message to the  
Church which I drop out though  
I have not been invited as yet  
yet I did not think the time is  
yet ripe I receive messages  
from multitudes wanting to see  
me of course some are preachers  
said they would call upon me  
I had ~~to~~ preachers to call  
<sup>on</sup> me yesterday he calls quite  
often me that a while I knew  
he wanted to hear me talk so  
I said Rev. do <sup>you</sup> think ~~as~~ a  
woman could birth a Spirit

he sprang and was startled  
said no go on and tell me  
what you got to tell me  
well you understand where I  
went of course I have never  
seen in print what I said  
finally I walk to the window I  
said look up do you think  
any whiskey bottles and gambles  
up where the stars are yet more  
startled he said how could  
it be I said well you have  
preach they are bound to be  
he said wait a minute he opens  
his bill folder he says here is a  
dollar I see now you have  
the good mind thank God  
for finding you

My Dearest Friend and Dearest  
Waunderfully true teacher.

Dr. Frank B. Robinson:

You are one of the History of the  
Worlds grandest and most waunderfully  
true prophet and teacher of this  
wide world over and I also know  
every words comes from your lips  
is true cause you are carrying  
and teaching what Jesus came  
to this world to bring this grand  
message and the people waunder  
not except it what a pity

now Dr Robinson you ask me  
to write and tell you what I have  
expearence by now I am here to tell  
you that I expearence a whole lot.  
that I didnt know before I started  
with you and I have begun to  
waunder why I couldn hear of  
this waunderfull presence.  
spirit of the living God which  
lives within me before and you  
are the only one who would tell  
me now I am thanking you with  
the world full of thankfulness.

(2)

and still I will be thanking you  
for ever and ever and ever lasting  
you are one of the most wonderfully  
many of all who ever lived upon this  
Earth before I don't know if I will  
ever see you are not. But if they  
are any way that I should get to  
see you I would be so happy to  
meet your sweet smiling face once.  
But you are dying the worldwide  
and all over the globe the <sup>very best</sup>  
best true regions that God ever  
put breath into you and I know  
for sure that he surely did put  
all of his own breath into you  
and so did he put all of his own  
Breath into me O how precious  
how wonderfully how beautiful  
it is to know your God my God  
that spirit of the living God that  
lives within us all O what a joy  
it is to know all of this I am  
the happiness woman in this whole  
world since you have told me  
now know body can tell me where  
God is and the only one true God  
they are know more and I take  
it as a matter of fact that its true

the only true God that they are  
 so my doubt and doubting of things  
 are <sup>all</sup> ended I can insure you now  
 I will always worship this <sup>one!</sup> true  
 loving spirit within me in truth  
 and spirit only. and I have  
 studied some of your most  
 wonderful lessons that ever  
 been written by a most truest  
 man that was <sup>ever</sup> born on this earth  
 before I am so very happy yes  
 wonderful happy yes O. so real  
 happy now since I know my  
 real true God which I have  
 always wanted all of my life  
 before now every thing is <sup>going to</sup>  
 settled with me now I am carrying  
 this good <sup>true</sup> message what Jesus  
 brought on earth once I will  
 tell every one I can and I have  
 told several of them now and  
 I have wrote letters six hundred  
 miles out in Ohio where I use to  
 live and told my friend Mrs Ben  
 Brown about this true God O  
 how I do love that true God of  
 mine and it has never left me  
 alone he always has been with me.

came with me when I was born  
 and is with me always my power  
 is God my life is God O my  
 But what a staggering it was to  
 me it staggers me to know all  
 of this But it is so precious to  
 know my only true God that  
 I'll never let it go and was put  
 there for my use to give me  
 the power to help win this  
 world for God now I must  
 tell everyone I can about this  
 true God that exists I have  
 recognize the invisible power  
 of the spirit of God and I  
 actually and literally realize  
 this power <sup>within me</sup> actually is God  
 now I can go ahead and use  
 this God-power to get whatever  
 my heart so much desires  
 and more than that I can heal  
~~sick~~ people also and more than  
 that I can help with this power  
 which is God to help win this  
 world for God I have my Sunday  
 school teacher I want to

My Dearest Friend & Teacher.  
Dr. Frank B. Robinson  
Marcow Idaho--

I will write you a letter along with my payment whether I recieved and amount it depends on how much time you got to answer it you say you all are as busy as Bees and I know this is Spiritually true how do I know this because where their <sup>eye</sup> work they are faith where they are know work they are know faith and every thing is passable with God so we must all work all of us to have faith these four vital words proves it all up what Jesus said Have Faith in God in us. I know I have the power of God in me cause <sup>God</sup> is my power he is every thing I want he is the Substant of what my heart so very much desire and needs and I also know this is all spiritually and literally and Scientifically true and I know it exists and I am satisfied to know that =

God and I are united in flesh.  
 and in Spirit only Because the  
 spirit of God actually lives in  
 me and that I couldn't live one  
 second if it wasn't that proves  
 it to be the worlds ~~the~~ truth I am  
 wise enough to know this if I  
 only could of known this in my  
 younger days what a worlds of glories  
 Happiness and Abundance of Wealth  
 and perfect good health I would of  
 had But listen my Dearest Friend  
 and loving Teacher its isent to late <sup>yet</sup>  
 Cause I know God has never forsaken  
 me and left me alone he allways  
 has been with me he came when  
 I was Born 63 years ago he came  
 with me on June 22 this is my Birthday  
 I was Born in the year of 1885 so now  
 I am entering into the glorious  
 light of God the true light the life  
 my life which is God through  
 believing in the actually existence  
 of that light my life in me.

I have recognize its my power is  
 God and by me using this dynamic  
 power and explode it you can get  
 what your heart desire and need 5

right here and now on this Earth  
 the spirit of the living God in my  
 physical Body lives <sup>in</sup> me now is  
 my success right now and every  
 thing else cause I am in the Father  
 and the Father in me the words  
 which I speak unto <sup>you now</sup> are not of  
 me But the of words of my Father  
 that dwells in <sup>me</sup> and my works  
 as not of me it is the Father  
 in me that does my works not  
 of myself I could do nothing  
 I would be lifeless so you can  
 see now how I am increasing  
 in my studies and I give the  
 praises to that living life spirit  
 within us all and also know my  
 wonderfull teacher of the worlds  
 History he is the History of the  
 worlds true God and right here  
 and now and the people of the  
 whole world are a going to know  
 it before long. to O I hope for them  
 to go forewards and find their true  
 God what lives in us all how  
 Beautiful this Earth and world  
 would be a paradise without Faith  
 it is unparale to please God.

(my)

I am in actually earnest dearest  
kind and true & teacher with my  
night's dynamic exercises I want  
to explode the God within me  
I want to awaken up that big  
sleeping Giant in me who's been  
sleeping for so long many years  
ago O. What a shame it is for  
my church teaching a person so  
they couldn't find their true God  
within them now I am wise I got  
my wisdom my opening of my  
eyes is becoming more and more  
open as they ever was and more  
will come my what you call  
what my heart so much desires  
and need it's now on it's way  
to me now I am in earnest very  
earnest now I am putting in every  
night in this dynamic <sup>my</sup> desires of what  
I need so bad and I am not hunting  
for God cause no one needs to  
hunt for him when he lives in us all  
thanks to his great life spent within us  
all for his wonderful manifestation  
and I do believe what I say those good  
things shall come to pass and whatsoever  
I said I shall have them they are  
on their way to me now -

I will leave you now until  
I hear from you again <sup>My Dearest</sup>  
and my hope is for the world to <sup>Teacher</sup>  
go on forward and seek for  
this true living spirit of God  
within them all I will now  
join in and thank you for your  
grandest and wonderfully teaching  
of the History of the world of you  
throw God to let this true God  
be known to the world which  
they all need so very bad and ~~are~~  
going to be hungry after this true <sup>God</sup>  
until they find it within them.  
I died and I was lead by the spirit  
of God to my true living great  
spirit within me now I know where  
my true living God in me is at.  
I take him as my companion he  
talks with me he walks with me  
he tells me I am his own good - Bye  
and may God richly Bless you in

 Now this great spirit within  
 me has healed my sore toe  
 and it was awful bad my  
 daughter told me you

 doing something so I let it  
 go and let it go so one day  
 I did as you told me to  
 put my right hand on it  
 with the loud spoken words

4  
with my <sup>4</sup> eyes closed I  
knew the Father within me  
was my healing of that sore  
toe and it is perfect well  
and never to get that way  
again the work was done  
so now I am thanking  
and praising that great  
Spirit within me through  
your teachings for this  
wonderfull healing power  
now one cant tell me  
it isnt there every thing  
is passable with God.

Dear Dr. Robinson:

I have written you several times on the same subject that I am writing you now, and I sincerely hope you <sup>do</sup> not mind my writing again. When we started to make plans for this trip to Europe and adopt these children there were so many things that no one knew about one said see this one he said see another the upshot of it all is that no one seemed to know the answers, so I wrote you asking for help to get the passports and the Visa and want to say we are very happy that we did receive them, now as far as the adoption is that is all taken care of and will go through as soon as we arrive there ( we are leaving New York Aug. 20th flying) but now they write and say the returning of the children with us is a question and we want to return them with us. one says you can or they wouldn't have given you a permit at the State Dept. another says the laws have changed so now we are going and I have asked and trusted God with every thing up to date and it has turned out beautiful so we are going and know that God will take care of us in return with the children on Sept. 25. and can I please ask you again to give us some help I don't like to keep asking for this every couple weeks but this means so much to us this returning with them that I am in great hopes you will not mind. So let me repeat that we will return with them and that we will keep well and have no trouble with the return of our selves and our children on Sept. 25. It is just wonderful to sit back and see how things have gone here things seemed so uncertain but I went ahead any way several said you are pretty sure you are going aren't <sup>you</sup> and said I shouldn't be to dissappointed but I just told them I knew that I was going and had no intention of being dissappointed, and I feel the same about returning with the children it isn't that any one says it impossible but every one says to see some one else and the immigration office, American Consul and the State Dept. are all involved in this and they are saying get permission from this or that one and when I see them they say we aren't able to so that is how it stands. So as I said we are going and know that every thing is going to be alright and give us your help which I appreciate so much and thank you.

Yours truly  
Esther Vanselow

for the real truth concerning

too confusing altho I have  
always had confidence in

seems to unfold gradually  
and I have rec. many

felt so "elevated" that it

has been really under-

as soon as <sup>my</sup> condition

Dear Dr. Robinson:

I am very happy to write you today telling you of my good fortune, which I have tried so hard to achieve during the last year, I have studied as your student.

April 15th, I have been assigned a Management position as Acting Chief Operator or rather "Assistant".

About a year ago my morale had reached a new low, when I first wrote you but I have had faith, and so, the unexpected happened.

My daughters are older now and my husband agreed that I should take the work over. I rather hesitated

because of him, but he is of the  
"same mind as me."

My husband is a deeply religious man,  
(Church of Christ) and disapproves of your  
teachings. I have never discussed them  
any further with him but I do have  
faith in what you say. It has proved true  
in so many instances and truly, I'm a  
different person. I also have confidence  
now, in my ability to say and do.

I suppose it won't all be a "bed of  
Roses," but I'll do all I can to still have  
my peace of mind.

I have been trying to visit & help the  
more unfortunate people in our church.  
Last night I was one of the helpers at  
a birthday party for a crippled girl  
whose parents are members of our church here.  
She is 32 and has the mind of a ten year old.

The parents are poor but very good  
people. She walks on her hands

my knees. It was most pathetic to see  
her go to her own little table to eat.

We, ourselves, often fail to appreciate  
how fortunate we are until it is apparent  
from another stand point.

I only wish that I could do  
something more to help the girl. She  
has been that way from birth.

Doctor Robinson, do you honestly  
believe, that power to heal such as  
the above, is given to the most  
believing people, or that this comes  
with greater spiritual study. My  
husband's Church says that the miracles of  
Christ and the apostles were only given for  
proof of his being a Saviour. If Christ's  
teachings were to follow, then why <sup>not</sup> this  
power of healing. This is the part of our  
Church's doctrine, I find so inconsistent.

Thanking you for your help and wishing  
you future happiness and continued success.  
Yours truly,  
Mrs A. R. Varner

Dear Dr. Robinson:

I received Study-Lesson Number three four or five days ago and after studying it over and over like you say I feel that the Great Spirit of God which is in me is doing great things for me. I am not healed by any means yet, but I do realize the Power of the Spirit of the Living God can make me well. I am growing little by little each day. I doubted a marjority of the things you said in the first and second lessons but in the third one, my doubting becomes less and less. I think of some scripture once in awhile that I think you have put the wrong interpretation on and I get my Bible and read it and I have never yet failed to be convinced that you are right. Dr. Robinson is it natural that I doubt some of the things you say?

I am already beginning to know the Power of the Living God and I will be so glad when I know the fullness of the Power of ~~god~~ God. Then I can rise up out of this ole wheel-chair and lead a normal life with the sweet assurance that the blessed presence of God is ever with me. It is so good to know that the Great and All-powerful Spirit of God is living right in me.

May I say as I study the lessons that you send me, O, Lord God, hasten the day when I will know the fullness of the Power of Thy Spirit which dwell<sup>s</sup> in me.

Dear Sir :-

Your book, Gems of Spiritual Truth came. Words alone cannot express the feeling I experienced, when for the first time in all my life another's words expressed my hidden thoughts! I simply must write, before I have finished reading the book, and tell you I found it to be the finest healer for aching hearts the world has ever known.

Ever since I was a child, I was searching for something. Mother told me I was the one child that confused them with spiritual questions. In confirmation class I was the one dissatisfied student. The answer to my hunger was not there.

During adolescence I searched for my place, my reason to be here. I tried music, artistry; nothing was the answer. Nothing reached and stilled that thirst. I didn't know what thirst, I just knew it was there.

Father didn't think much of education, so I acquired whatever I fought for. I then wanted to be a missionary, but only got as far as Sunday-school teacher. I married, and still I was hungry, thirsty, and practically starving. My husband was a heavy drinker, and my minister often visited me, since he felt I needed consolation and help. It did

aid me, but I was still searching. Then, since I was talented in poetry, I began publishing some. But my ideas of God were not accepted. They were published, criticized, and I was called odd.

I studied astrology, and astronomy. I was astonished at God's majestic worlds of space, and wondered why ministers left this out in their teachings. I found a book on Esoteric Psychology, and though it proved some of my theories right, it didn't satisfy my thirst.

Now, now at long last, I found the answer, in Dr. Frank B. Robinson. I studied your first course, and now have Sem. My tears welled up in my eyes, as each word stirred my heart. Contact was made, My thirst is leaving me. After 30 years of searching, I find the answer. It feels like an untuned violin string was now in tune, and ready to ring in my heart. Something loose is fastened. I feel safe, anchoring to something solid. No more floundering in the dark.

Oh, Dr. Robinson, what a feeling that is. Only you can understand that!

You seem to stress Silence so much. Years ago I wrote this poem. You can see what I mean, when I say another expressed my thoughts, and whereas my thoughts were fearful attempts, urged on by some unknown power, yours were fearless and sure and certain. I feel free and glad and sure now.

Stillness of Stars. (my poem)

at night, when darkness weaves a prayer within  
Silence... I find I cannot bear the den

Of words, or read the printed thoughts on white  
 pages within a book beneath the light  
 a human mind brought forth. I need stillness  
 of stars... to know relief from day's long stress.

With my head sunk into the cool, damp grass...  
 just looking up at... sky, filled with a mass  
 of stardust, while deep shadows wash the earth,  
 so it is cleansed and cool at morning's birth...  
 Healed, lifted thoughts can free the heart repressed...  
 The shrouds of night... and stars... can bring me rest.

They may read books, and cling to things of day,  
 the transient things that steal the soul away...  
 But I shall gather all I need within  
 the timelessness of stars. The stars have been  
 my tower of strength and courage... now they mean  
 portals of peace and rest... and God... unseen.

You also teach of knowing God, without going  
 to church, and without practicing religion. In fact, you  
 find God in a blade of grass, a bit of sky. Here is a  
 poem I wrote in 1944. You can again see, where my  
 thoughts and dreams and visions blended with your knowledge.

### Communion.

I didn't go to church today  
 yet... I stood in a pew... to pray.  
 I heard the white robed choirs sing,  
 and wind-tipped bells were christening  
 yet sleeping babes. I've known the urge

To sing... for all was... Godly purge,

When I stood in my lovely few...  
 a simple, grassy plot, where dew  
 glistened in purity... I heard  
 Bells in the tree tops, as they stirred,  
 Sounds lightly dropping on the flowers,  
 all curled up in sleep those early hours.

I heard the white-robed, unseen choirs  
 Within the gold-tipped, blue-edged spires  
 Of silver dawn... so soft at first,  
 Ever increasing, till a burst  
 Of flame... the chorus of sun's light...  
 Was sung with all its swaying might.

No space of heart was left unutilized  
 Each nook and crevice sudden filled  
 With gladdened songs of gratefulness,  
 For I communed with things that... bless.  
 I didn't go to church to laud,  
 And yet I was... so close... to God.

And now, at long, long last comes contact with  
 a man who believes, thinks, and feels as I do. I am  
 so grateful. God be thanked! The small wavering  
 hopes and dreams that dared to flicker in my heart,  
 found the fire it belongs to. I shall weld my heart  
 with your words, and know Peace. Some day, I shall also  
 realize my hope of becoming a mental healer.

Sincerely  
 Mrs. Paul Voigt

My dear Mrs. Vojnovski,

Thank you for your good letter of recent date and for your remittance of \$2.25. It was good to hear from you.

If you knew how many thousands of people write to us as you did, you would know that at long last the actual Truths of The Spirit of God are being made known to men and women on this earth. When it is understood that man is the highest creation of The Great Life-Spirit, the earth will be a paradise.

note to the amount  
of ~~\$2.~~<sup>\$2.25</sup> in payment  
for lessons #1 and #2.

In a day or two,  
I shall make another  
payment to bring the  
payments more up-to-

I cannot begin  
to tell you what

Psychiana means to me  
and has brought into  
my life. There is a  
wonderful peace and  
happiness and the  
beginning of understanding  
and prosperity.

In my initial letter  
to you, I asked for  
help with my husband.  
That help came even  
before you could have  
possibly received my  
letter and since that  
time, my husband, Walter  
has discussed the  
things that have bothered

him so much, and  
has talked to me  
about God - something  
he would never do  
before. I know that  
soon he, too, will  
study Psychiana with  
me and learn of the  
real truth about God  
and when that time  
comes, I shall indeed  
know that the Power  
of God entirely lives  
in our home.

There are two  
others who are studying  
with me and are  
already beginning to  
know something of the

4 power to be used when  
one knows how. You  
will be interested to  
meet

Miss Shirley Moyer

who works with me,  
She is on Lesson #2 -  
and

Mrs. J. E. Seals

Jacksonville Florida  
my sister. She is studying  
Lesson #1.

I am beginning Lesson  
#14 which I received from  
my mother-in-law and  
have had several glorious  
manifestations. Thank you  
for telling us about God.

Dear Dr. Robinson,

Enclosed you will find two postal notes to the amount of \$3.00 each, a total of \$6.00 to apply to my account.

In my last letter to you, I asked help for my sisters Virginia and Sara. Your reply was for me to use Faith and the Power of the Living God, and to try to help my sisters find enough faith to help them. As always, you were right and my sisters are

2 both getting along  
fine and their individual  
problems are working  
out to be none at  
all. Thank you for  
helping me to understand  
how to use the  
Power of Almighty God  
to the benefit of others  
as well as for myself.

As for me, I can't  
think of the time when  
there were any problems  
for me — my life is  
becoming one of serenity,  
peace, happiness, joy,  
and everyday usefulness  
for which I thank you  
Psychiana and Almighty  
God with all my being.

You have mentioned  
a Psychiana hymn book.  
Since I'm studying piano,  
and am interested in  
everything concerning music  
and Psychiana and  
express myself in song  
at times, I should like  
to have one of the Psychiana  
song books. Will you  
please send me one?

I am including a  
few names and addresses.  
I hope they will find  
Psychiana as interesting;  
as Powerful and as  
helpful as I have found  
it, and that all will  
enroll as your students  
to their eternal gratitude  
and the Glory of the

To Ben

Dear Dr. Robinson! I want  
to write just a few lines. Long  
long time ago when I read  
your advertise, I want to  
write to you, but I was afraid  
that with my poor english  
I won't be able to understand  
if I have to read and study.  
At last I decide to write to  
you, and to day, after  
starting my second lesson  
I don't know how much  
and how to thank you.  
I was completely like a lost  
sheep, to day I have, I know  
"something" what is so  
wonderfull, that I never  
expected. I study my first  
lesson and now I am  
on my second one.

I am sorry my english is  
so poor. (I am polish, came  
from poland) I went through  
schools in Warsaw poland.  
I never study english. I can  
not express myself, but  
what surprised me is: that  
in my first lesson and  
second one to, I see so many  
things that I always been  
thinking of, like suppose  
about churches and  
religions and sects. Why so  
many of them and one  
hate another, when they  
all pray to the same God.  
Enclosed here Money  
Order for 5<sup>00</sup> for two  
months. Again thank you  
a million time to help me  
find a really happiness  
and peace. This lessons  
I can read and read

again. I like to ask you if it do not make a big difference to read this during day time instead of evening. Most of day Time I am alone in the house nobody bother me, but in the evening it is so hard to find a minute to be with my lessons when everybody at home.

I wish everybody can understand and know your religion, how happy we can be then in this world.

My dear Mrs. Vonski:

Thank you for your good letter of recent date. It was good to hear from you.

When a person is beginning to contact The Realm of The Infinite Spirit of God, many rather unusual Spiritual Manifestations come to that person. This, however, is only proof that he or she is beginning to get close to The Realm of Almighty God.

If you knew how many thousands of people write to us as you did, you would know that at long last the actual Truths of The Spirit of God are being made known to men and women on this earth. Dear Dr. Robinson: I am  
on my eight lesson now.  
More I study, more I love  
my lessons and "Psychiana"  
religion. It is something  
so wonderfull it is a  
blessing of God for the  
people to be a member  
of "Psychiana". I was  
raised as a Catholic, but  
from my young years  
of life I always want  
find a truth, I wasn't  
satisfied. Now I am happy.  
Till now I think I can  
understand my lessons  
very well (with my poor  
english). I don't know

how I am going progress later. Try to be conscious and live with my spiritual body in me. One thing I don't know why, but you said: look in a dark area and straight in a „bright spot“! I can not see to often dark area. As soon as I close my eyes I see very, very pale pink area, sometime I see a brighter pink spot but most always I see like I said pinkish color area with little dark spot sometime very dark. Am I doing something

wrong! I am worry about  
one thing, that I can  
not find the people to  
make them believe that  
they can have peace and  
happiness, with „Psychians“  
till now only my daughter  
in-law is studying from  
my books. She bore her  
lessons, only one thing  
she won't agree <sup>she is paying</sup> that  
Jesus was virgin born.  
Enclosed here 4.50.

May the Spirit of God be  
with you for ever

Yours very truly

Mrs. Mary Vonoski

p.s. please correct my name  
not Vonoski but Vonoski!

p. 5. I am true now  
with with old religione  
and I am not going  
to church, because of  
God is with me so close  
and I can pray here  
at home so why to go  
and pray in church,  
I have now only one God  
it is a Spirit of God in  
me.

Dear Dr: Robinson;  
Enclosed here 4.50 as  
my pay for lessons. I just  
cannot express myself and  
tell how happy and  
peaceful I am. During day  
time I am all alone, so  
I spent most of time in quiet  
talk with God. I came to  
the point now where as soon  
as I close my eyes, I am  
completely out of this world and I  
feel that I am so close to God. I can  
stay like that for hours and I have to  
force myself to open my eyes and  
come back to reality. I love my God  
so much, and power of God draw me  
close to God. The one thing is that

I was before  
living in this  
noisy world and all  
this noise do not  
bother me but now  
everything what is to loud  
it bothers me. I love peace.  
I am studying my lessons  
as hard as I can with  
my little knowledge of english.  
I don't know how to thank  
you for changing my life so  
much and let me find a  
true religion and God!  
God bless you.

Sincerely yours
