My dear Mr. Wager:

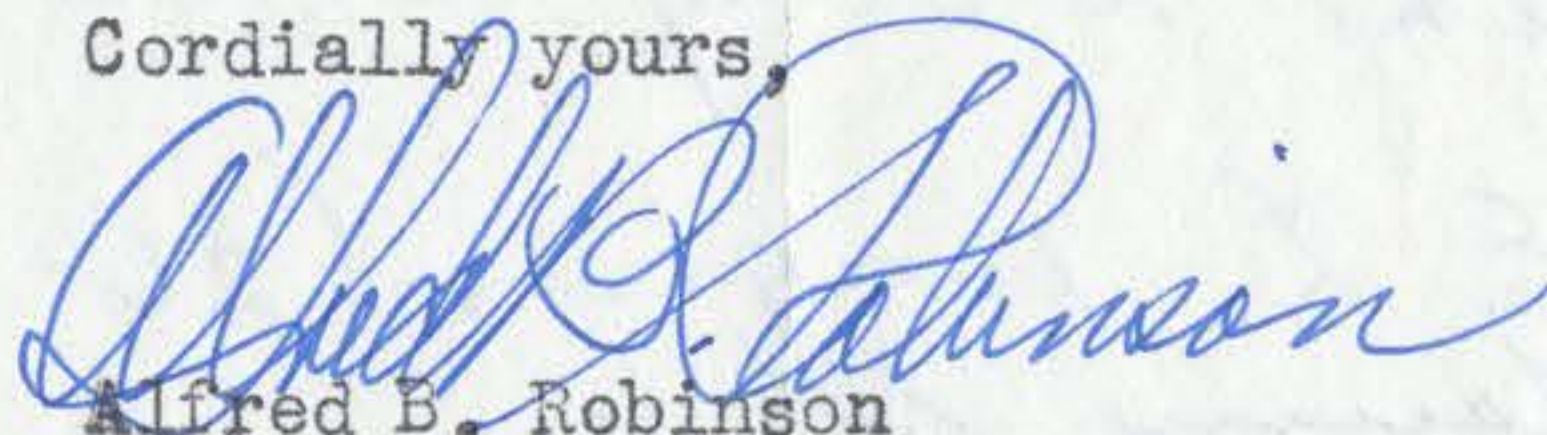

Thank you for your telegram of recent date. We were sorry to hear your daughter is not well.

If one of our loved ones who is a child becomes ill, it is your duty to call the best physician you can find and follow his advice. The Spirit of God works through the illumined minds of medical men too. In fact, were it not for The Spirit of God, we would have no intelligent medical advice at all. Perhaps the remedy for that illness already exists, as in the case of diphtheria. We know that the antitoxin, administered at the onset, is practically a sure specific for that disease. So, wouldn't you be foolish to take a chance on the life of a child by refusing medical aid, when, all the while, the means of healing that illness exists. This does not detract from the healing Power of The Spirit of God. Not at all. Your doctor can be assisted by gently placing your hand on the forehead of your child, and, with perfect faith in God, saying: "SPIRIT OF THE LIVING GOD, HEAL THIS CHILD." If you have that sort of faith, you will see a recovery. But, call your physician in every sort of illness.

Keep in mind that you may depend on The Spirit of God to help and guide you at all times, to solve your problems in the right way, and sustain you in time of trouble. Above all, you must keep encouraged, continue to look on the bright side, and be expecting great things from The God-Power. Remember that The Spirit of God is sustaining you and will not fail you.

Rest assured we will do all we can spiritually.

Cordially yours,

Alfred B. Robinson

Received your nice letter and am so thankful for your aid. My Daughter is in Pensacola, Fla. And I could not go to her at once. The M.D. (Head specialist) did not seem to know what ailed her and could not stop her nose bleeding permanently. So I wired you. I am so thankful I have taken those lessons. And I do believe in the God Law in every way. And I want you to know I have heard the small voice and met in times of need. I was so happy. I cried & perhaps I shouted too you asked in the lessons to let you know so I am doing so. I study them every day to see if I have missed any thing & usually find some thing new & staggering.

Thank you again for aiding me, I called my Daughter, she told me she started to feel better Tues. forenoon, & is still improving - Thanks to the Spirit of the living God.

For almost a year now, I have been studying your wonderful lessons, and trying to follow your special instructions as best I could.

I have never communicated with you in any way up until now. Of course I had a special reason for this.

I have been an active pastor of Baptist churches for 30 odd years up until 6 years ago, when I was kicked out of my last pastorate for preaching the fundamental principles of your teaching, although at that time I did not have the comprehensive view which I have acquired since studying with you.

I am convinced beyond a doubt that the message of your teaching is the message this world is dying for, and I want you to know that I believe it, and am 100% behind you.

I always did have stiff opposition to my messages from deacons and leaders in the churches although my message was just on the border

line of your wonderful truths a fact which I never could quite understand till now. Like all the others, I studied in the Baptist schools of Theology, and instructed from the Baptist point of view, and was never satisfied with it, neither was I able to see the folly of such a course until my path crossed yours. Now every thing is clear. It is really wonderful and I am just beginning to see.

I shall never be able to thank you enough for your wonderful interest in me

Yours sincerely

Dear Dr. Robinson:

It is indeed a great pleasure to write to you. for at last I sincerely believe I have found one who can help me thro. the power of Almighty God. and I thank God for that. Now I don't like to write too often as I know you are a very busy man. or you must be, in light of the Israel work you are carrying on. But I had to write and tell you that thro. the power of the spirit of God, I sign my lease on last Thurs for a rather year, I truly thank you for your encouraging letter, I read it over and over but I did grasp the meaning of it and I want to tell you I don't miss one day from reading my lesson. for I truly enjoy them, there are so much truth in them, there are so many things I would like to tell you about the experience of the Christian League - legion, and churches I have had, as I was brought up in the church and attend regular

on until a few year ago when I felt
it wasn't any use, or I just couldn't get
any results, no I wasn't sick, but I live
in poverty and fear, and the more I went
to church, it seem the harder things got
so it got so I didn't have the required
money for pastor salary, therefore I wasn't
recognized in that church as a faithful mem-
ber, so I came home didn't go to that church
or any other, and I want to tell you that
since I have been reading psychiana
I feel much better, and it has taught me
more truth about the spirit of God, then I
have heard in all of my 37 years of life.
Thank to the spirit of God that you came
across my name in ^{my} way. I do not know,
but I have no regrets,

enclose you will find \$5.
will send more next ^{week}. I am sorry I can't not
pay in full as I would like right now, to do
but I have more faith in the power of God
now then I have ever had because he reveal
his presence, therefore I know I will get the
money for these lesson's so I do want them

So much.

Dear Dr. Robinson:- at last I am able to Fill a substantial remittance which you & Psychiana so richly deserve. Please believe me dear doctor that I have not wilfully neglected my obligations to one to whom I owe so much.

Two years ago this May 11th I met with a most serious accident, an accident that made me totally and permanently disabled. This forced us to sell our farm at a substantial loss in order to exist. However the purchaser was unable to live up to the terms of sale (thru however no fault of his). We went to Voluntown Conn. to enable my wife to take care of her father who suffered a stroke. He died last May. We stayed thru the summer there and came to Florida in the early fall. While at Voluntown I became interested in Psychiana and enrolled with you. The lessons arrived and I studied them diligently and faithfully. I had another slight accident and my doctor advised us going to Florida. Good advice yes; but how. I couldn't walk and we had no money. We had an old 1936 car which needed a lot of work and tires before we could even get out of the yard. Then where would we live in Fla? Frankly I didn't know the answers to any of these questions but I knew who did so last August I told all and sundry that my wife and I were leaving Voluntown and Sept 15th for Fla.

My brother-in-law and sister-in-law were skeptical but didn't discourage us. I got in touch with the buyer of our farm and he agreed to borrow some money from the Farmers Co-operative so we could get the car fixed and go. This we did and landed in Miami Fla. after the first storm. We wanted to buy a trailer in which to live but we only had a little money and all the dealers wanted \$800.00 to \$900.00 as a down payment. So we were stuck, for all our smug smartness. Psychiana only worked for people who didn't need it? Well maybe but we didn't believe it. We parked for a short time and I concentrated ^{thinking} on a trailer that we could afford - not a dilapidated old wreck but a 1947 model. We drove over to U.W. 79th St. We stopped at another dealer. We went in. He showed us a trailer. \$875.00 down payment. Couldn't do. I explained our situation to him. He excused himself and phoned. We got a trailer, one ~~repossessed~~ repossessed by the finance Co. IT WAS A 1947 MODEL. The next day we moved in.

A few days later my wife got a job which enabled us to eat but not much more. However our farm purchaser sent us some money each month and by being careful with our purchases we got by. I applied at the Veterans Administration for \$60.00 a month but for some reason or another was turned down though their own doctors agreed that I was totally & permanently disabled. I tried to make some plastic novelties in order to augment

meager income. The buyers of the stores liked them but the season here was very poor so I got very little business except sample orders. I did however become acquainted with the Florida Association for Crippled Children and Adults which association is doing splendid work here with very limited funds. They gave me a great deal of encouragement but could not do anything in a material way. One day while visiting their office I remarked that if I could only get some money I would buy a motor scooter and sell ice cream. One of the Ladies got busy on the phone and found out the price. It was staggering.

To me it was the national debt. Let's forget it. I'm going down to the U.S. Employment Bureau. I went. They could get me a job as a watchman for \$18.00 a week. I didn't take it. I want a motor scooter.

I got a job selling insurance. Two weeks and my leg got so bad I couldn't get out of bed. Oh I sold some ^{insurance} but don't forget that but the doctors were right (for once). I want a motor scooter. Christmas came & went - not a white one but a pretty blue one. I still want a scooter.

In January I called at the association one afternoon. Mrs Carrigan the Head, said, "Do you still want a scooter Mr. Walker"? "Do I"? "???" She then told me to go to the Florida State Re-habilitation agency the next day and talk to them. I went, I talked. I argued. They agreed to a physical examination to determine if I could stand that type of work. I had it. The doctor agreed with me that I could.

do it. The agency then balked on their end and would only agree to pay half the purchase price of an old broken down scooter and insisted that I pay the other half In Cash. Well doctor I had almost three dollars to my name then but I ~~st~~ sat there and calmly agreed to do it. After leaving there I went to the Finance Co from whom we were buying the trailer but they only loaned money on trailers and wouldn't loan me anything on the old car. However they sent me to a man that would. ~~However~~ I found another way out of the dilemma that saved me high interest fees so didn't borrow on the car. At last on Feb 8, 1948 I loaded my scooter and started out.

I made three dollars that day but the next day I made six. I drove that old wreck three weeks and spent over \$40.00 in repairs on it. I went down to the dealer. I traded it in on a beautiful new one that costs with the ice cream boxes \$750.00 and only owe a balance of \$395.00 on it. The State advanced me \$135 on the original deal. Also I have repaid one loan of \$110.00 to my sister-in-law and sending you \$10⁰⁰/₁₀₀ and bought some white uniforms etc ect. I am trying to pay off other debts as fast as possible. My leg feels much better and I may fool the doctors yet and walk with out a brace and sticks. My last lesson was #12. I hope you will send me the rest and I assure you that next month you will receive another money order from me. Perhaps in full-perhaps an account. Only Psychiana knows. Thanking you for everything I am Sincerely La Forge Walker.

Dear Dr. Robinson:-

We received the 13th Lesson and are so grateful to you that you have seen fit to trust us and already our lives have taken an upturn, and I thank our lucky star that brought your literature into the hands of Mr. Wallace some months ago.

Words are inadequate for me to express my feelings toward Dr. Robinson and his wonderful teachings. He is the second Christ on earth and long may he be spared to give the world his wonderful thoughts.

The exercises are now second nature to me and I have experienced the happy feelings he spoke of. When vexing thoughts come into my head, I say the exercises and feel so much better. I know that we are going to receive all the good things we ask for and I cannot wait to receive the lessons in order to finish the course.

What I am writing at this time for is this: Should one ask for only the most important thing at a time, or can my wish be the following: "Every day, in every way, I ~~am~~ am happier, healthier and wealthier!" I want better health, I want my husband's and my life together be happier, and we both want more of the world's goods; in other words, we want to make more money and already Mr. Wallace has a good position, which came out of a clear sky to us. My husband's education has always been along the lines included in the lessons, and he finds it easy, while I had a lot of stumbling blocks to overcome, but now there is scarcely a day in which I do not go to bed with the lessons on my lips, and awaken in the morning, feeling happier to go through the day, always reading the last lesson some time during the day.

Awaiting your reply, and wishing you the Season's Greetings, I am

Very sincerely,

Mrs. Charles F. Wallace

My dear Dr. Robinson

I read the Psychiana Bulletin upon receiving it. I wish to extend my thanks for I found it very interesting and greatly enjoyed these few pages. I was sorry there wasn't more to read. I hope to read more in the near future.

There is something I wish to add to this letter about a month ago. I wrote saying if something good didn't happen real soon I felt like giving up. Well I guess I do get discouraged quickly. But do you know about a week after receiving a letter from D. B. Robinson I received two things from God. One I was longing for a long time, the other I wasn't expecting so soon. What was also why I wasn't feeling well. I can only thank God and Dr. Robinson for these good things. My God bless you & your family.

One thing more when reading the lessons I find them so clearly written and interesting I just want to read on & on. You once said you weren't a writer. I've never seen anything written so beautifully. If that isn't an authors work I don't know what is.

Thanks again

Dear Dr. Robinson:

I am sorry I cannot send the full amount on my account, but I will get it up to date as quickly as possible. This is the time of year when my work is slack, (I am a music teacher as well as church organist), as most of my pupils go on vacation. My husband & I try to conform to a budget;

where savings are concerned we do very well, but where spending is concerned we have quite a time making our money stretch, what with the high cost of living. However I am not looking at the negative side of the situation.

Since I have been studying your lessons in Psychiana my eyes have been opened to the Truth more & more & I have quite a different out-look on life. In practicing, speaking, & thinking the

affirmations that I have learned in the eleven lessons thus far, I have felt like and am still feeling like a brand new person. My work has increased by leaps & bounds; the feeling of insecurity that has haunted me is gone & my thoughts are organized, I am more peaceful in my thinking & waking hours than I have ever been before. My husband works at night at one of the banks here, but I would like to see him on another job

where he can make more money, & where he can work days instead of at night. We are trying to save for a home of our own, but the process appears to be so slow right now.

Please pray for us.

Dear Dr. Robinson,

How glad I am that I have finally enrolled in your studies for it's really worth it. I'm really having a wonderful experience as I travel along the King's Highway. Now I know that the Spirit of God is in me and is guiding me into all truth. How wonderful. I have found it.

I'm starting this year with His Spirit as my guide and I know his presence will be always be with me.

Each lesson becomes richer as I study them. This third lesson is especially important because as my health is somewhat broken, I am looking to Him for complete healing.

In connection with this I would like you to remember my boyfriend who is hopelessly ill with cancer of the lung. No doctor can help him unless God will.

Yours respectfully,

My dear Miss Warskawi,

Thank you for your good letter of recent date. It was good to hear from you.

If you knew how many thousands of people write to us as you did, you would know that at long last the actual Truths of The Spirit of God are being made known to men and women on this earth. When it is understood that man is the highest creation of The Great Life-Spirit, the earth will be a paradise.

If your friend is not well at the present time, remember that there exists in him more of the healing Power of The Spirit which is God than he will ever be able to use. Therefore, the only thing for him to do is to recognize this mighty but invisible Spirit of God which is within him for his use, and realize that no disease or illness can withstand this Great God-Power.

May the Spirit of infinite Peace be with you always.

Dear Mr Robinson

I wish you would not feel hard about me for not writing you for such long time.

I have been getting along with your lessons very good and finally am getting some results.

I've been having spells of indigestion and constipation I have been Doctoring for many years but never got no cure. it was gradually getting worse. when I ordered your lessons it was really bad and I was sick so I couldn't work much and Doctoring when I got your 7th lesson I went to a Doctor that I did not know but have heard of him a friend of mine told me that I should go see that Doctor so I did and the ~~rest~~ over

Doctor examined me and told me that there was no other cure for me but a knife that my pendic was bad and I had puss on my liver. That was on a Saturday and next Monday I was going to be operated on, so I did not know what to do they gave me orders what to eat and what not to eat and get ready for operation. So I did eat what they told me but I am telling you Sunday evening I got so sick I thought I will die so I just took plenty of pergutine so it cleaned me out. about midnight I was relieved feeling good. but I didnt go back there to take operation but to tell the Doctor that I will go to the Government Hospital and I did and there ^{the} Doctor examined me and said I had a weak intestine and that was all the trouble I had it was nothing else wrong with me I was Doctoring with him for about 6 weeks

Continued on page 3

page 3

I got well am feeling fine I believe that the power of the living God done it for me that I didnt have to be operated and get cured I can eat anything I want to and nothing hurts. but before I was afraid to eat this and to eat that because it seemed like everything give me a trouble in my belly. now I feel like a I have a new stomach and every body who knows me tells me that I look like I have got good health and it is really so. I done quit using medicine about 5 weeks ago and feel like I will never need any more. I have used plenty in my life hundreds of Dollars worths many difrent kinds, but now I will use the power of the living God.

now will tell you a little about the lessons and my studying them I have studied very hard sometimes and had vibrations and had some very beautiful colors in front of my eyes when I had my eyes closed. changing colors but never saw the white spot like you say in some of those first lessons over

page 4

Thanking you very much for all the lessons that you have send me from number 1 to # 13. - lesson 14 didnt come # 15 is the last one I recieved I should have # 16 by now but it isnt here, wish you would send 14 + 16 both

wish you to let me know what is to those vibrations and changing colors I would be glad to know I have had it few times but I can not ~~what it means~~ figure out what it means

now I thank you
God bless you

~~Handwritten~~
ME & few File

Dear Mr. Robinson:

Am enclosing P.O. note for five dollars on my account but meant to send it sooner. However I have finally found time to write you to-day and will try to explain a few things. To begin with the first three times I sent money, I sent cash but you failed to receive the second \$2.50 for which I am very sorry. After this I will always send a money order so that won't happen again. Every dollar I have in the world is only fifty dollars so I must be more careful in the future. I started receiving my lessons Sept 1-47 and have studied as much as possible altho for six weeks while visiting in Illinois I was very ill with kidney stone and as soon as I was able after that I was compelled to have two hammer toes removed because they were so painful. That was a week before Thanksgiving so you see it isn't to be wondered at that I wasn't able to do very much studying. After paying my Drs. bills and transportation out here to live with my sister and buying a trailer to live in and not being able to work except enough to repay my sister for keeping me, I haven't earned but \$2.50 in cash since I have been here. Your teachings have done a lot for me and even from the very first I have been getting results. I was a Methodist for years and

attended church and Sunday² school almost every Sunday
also prayer meeting every Wed. night. Finally I had
to quit attending because I was forced to keep boarders
in order to keep a roof over my head, my health
was very poor, my only son away four years in
service and in the hospital in America two years.
All those things created a feeling in me that made
me wonder why my religion was not any help to me.
I groped around in the dark so to speak, fighting
to retain my mental balance until your advertisement
in a magazine or news paper attracted my attention.
I wrote you while I was packing up to leave my
husband in Richmond Va. who is a drunkard and
has been for about thirteen years. He got to the stage
where he wasn't safe to live with and I knew he
wouldn't change because his mind was nearly gone.
I will be sixty nine years old March 28th and this
is the first time in years I have had peace of mind.
My sisters house has only three rooms so there was
no room for me there and no privacy to enable me
to study and be quiet so I spent the little money I
had for a good used trailer and am getting better
every day. I have had some wonderful experiences.
I have great faith in the belief you are teaching
me and I don't fail to ask God for the things I need
About two weeks ago we felt the shock of an earth
quake that fairly rocked the earth. I was writing
a letter and thought for a second that I was
having some kind of spell which did frighten me
me for I almost fell as soon as I arose to my
feet. In another second I realized what it was

and as soon as the disturbance stopped I sat down
to continue my letter and wasn't even nervous over
the experience. In just about five minutes my
sister came to see if I was frightened and was
astonished when she saw how I had taken it.
She said, "say don't you know we just had an earth
quake"? I replied yes I know it now but at first
I was frightened because I nearly fell on the floor
and thought I was having a stroke but as soon
as I discovered what it was I wasn't bothered at all.
We had this second earth tremor about a week later.
I was alone studying one of my lessons when the trailer
shivered as if some one was prowling around but as
soon as I took a second thought I decided it might
be a manifestation from God or another earth tremor.
Twice recently I lost my warm winter gloves. Looked every
place for them. Was just getting into my sisters car and
looked on the seat and floor: no gloves. I had searched
my pockets and hand bag for I knew I had had
them with me. As I sat down I remarked "oh God I
hope I haven't lost my gloves for I can't afford another
pair and my hands get so cold. I do hope I find them.
On arriving home I found my gloves on the car floor.
My relatives looked at me in surprise. I had another
experience with the same gloves Sat. night. I remembered
taking them off in a store and putting one in each
pocket. They were not in my pockets, hand bag or car
pocket. so I asked God to let me find them and I did.
My hands started to get cold and without thinking
I reached into left coat pocket for a little warmth and

-to my surprise I found ⁴ both gloves, where there had only been a handkerchief before. I didn't forget to thank God for my good fortune. There are only a few of the numerous experiences that I've had that worked to my own good. My sister is getting interested in the things that I am experiencing and thinks they are quite wonderful.

I went with my relatives for three Sundays to hear a well known preacher in Los Angeles & he also broadcasts from Long Beach every night. His kind of religion draws thousands of people every Sunday but his prophecies are so terrible that they create a feeling of unrest and confusion. This Sunday I asked my sister if they were going to hear Dr. Clem Davies again and she said no, so we spent most of the day resting and out riding in the sun.

We drove to Long Beach and it was my first glimpse of the Pacific ocean. I had plenty of time after we returned to study my lessons & talk to God which was what I needed for the end of a perfect day.

I have received every one of my lessons except No 9 and I wish you would send me a copy of ~~it~~ for I like to review my lessons and I know I won't be satisfied until I have the complete set.

Wish I could talk to you personally Dr. Robinson for I need a lot of advice and encouragement.

Dear Mr. Robison,

Lesson 6 (new Psychiana)
arrived to-day, and it is the best yet!

I first took the other Lessons, 20 in
all of Psychiana, and have read them
so many times I almost know
them by memory! Then I subscribed
to this new one, not knowing where
the \$2.50 will come from! But

knowing God is in me, and won't
fail me, there will be \$2.50 each mo
to send you. I endorse most all your
teachings - but I can't agree with
you yet about our bodies living for-
ever! and that idea alone is going
to make the Churches boo-hoo your
teaching. If God intended man to
live forever here on earth, he would

not have let one man's sin (doubt)
change his plans, so I believe with
millions it is the soul (life or God)
in us that never dies, but our bodies
do die. hence the scripture: "it is
appointed unto man once to die (that
is his body) but his soul (God) lives

The body and lives on and on in
Gods universe (scripture, the soul goes
back to the God who gave it).

according to your belief (and you
believe it fully) you will live to
be many thousands of years, and
that is in direct opposition to your
vision in your book "Blood on the tail
of a Pig" where your mother tells
you to work fast for your time
is limited.

most people, Dr. Robinson do not
want to live here on
earth forever, but prefer to go
to God's universe where there's no
sin, war, death & agony.

Besides if no one never dies on this
earth, this earth is not big enough to
hold & support the millions & millions
added to this world - see?

You have the faith in God's
Power we all need, and my faith
is increasing every day since
reading your lessons. and Kate
Smith has the faith too, so send
her your literature and lets talk
to God and get her to help spread
your teaching - and it will be
done. (turn to page 3.)

You are only to read and study the Lesson you received in any two-week period. In other words, when you received say Lesson #6, study that Lesson two weeks. Dear Sir;

It may seem queer to you for me to express my ignorance in this way, but it is said if one doesn't ask questions, he will not learn.

In regard to the lessons when I recieved lesson number two I read that one every day after supper like I did number one. During Sat. or Sun. I review lesson number one, that is once a week, or am I suppose to read all both everyday? Does the lessons in the book start at the begining of the book or where you have these three asterisk marks***?

I like the lessons and seem to have a different and better slant on life. Each payday I set half of the monthly payment for the lessons aside so when the month is over I'll have it to send. I only hope and pray that I can keep up the course. I repeat the exercises you have lined out for me as you want me to, even in the evening when I take a ride on my one cylinder motorcycle. I do a little typeing in the evening before I go out for some fresh air.

I am single now for about almost three years after being married for seventeen years, my former wife has found someone else rather the one she liked when we were still married. I am not angry nor neither do I carry any grudge against her nor anybody else.

I always said that a man who is alone is never lonely if he has faith and believes in God. Now since I have started this course I feel as though it is something I have been looking and searching for, all my life. Thanks to You.

Sincerely Your Student,
Clark Henry Wesendorf

disclosed you will find a check, which according to my records, pays me up in full.

I never wrote to you before because I wanted to be sure that things would continue to come my way as they did in the beginning of the lessons. I now truly believe in the spirit of the Living God within me. My only regret is I didn't know this years ago.

Before I started lessons with you I only had \$500.00 in the bank, and that's all. Today I have my own house (half-paid for) a fair automobile, two several refrigerators, and many smaller items that go into making up a home. And last but not least I have \$400.00 in the bank which is growing rapidly, because of so much work coming my way. In fact I have to turn down jobs, in order to get some rest

The secret of receiving anything from God is the secret of believing that it can happen and acting as if it had happened. In other words, there is no possibility of the invisible Creator manifesting where the mind of an individual excessively blocks that manifestation by doubt.

Dear Dr. Robinson:

Thank you for No. 4 & 5 just received. I did not know it at the time but just as soon as I spied those lessons in my mail a real prayer of thanks went into the cosmic realm to your credit. It shot directly through my subjective intellect, the only channel through which the universal mind of God can communicate with the "I AM" in me. It was real. It was free of any "contamination" possible by passing first through my objective or carnal mind, the "me".

Now I want to give you another idea which has come to me in my struggles. I'll cut it short this way. Tell your students to WATCH, WATCH FOR, ALWAYS WATCH FOR every time when he is really up against it, troubled, worried, full of desperate fear or in any kind of desperation in his mind. For such a mental state he can thank GOD. Because ONLY then can he do things which are otherwise impossible. Only then can he skip the objective mind (when initiation comes from him as a cause). THAT IS A REAL AND WONDERFUL OPPORTUNITY! IF, IF, IF HE CAN THEN SIEZE ONTO THE WORDS WHICH TRULY TELL GOD WHAT HIS PROBLEM IS, JUST AS TRULY AS HE CAN BE TRUE, AND THEN LISTEN TO HIS INNER "FEELINGS", the "I AM" and LET THE THE SELF ASK, ASK, see if there are not still better words of truer way to state MY ATTITUDE TOWARD GOD IN THIS (ASK GOD IF HE WOUL TAKE OVER), and through this affect a relaxation through speaking TRULY what he really thinks, feels, is in his wish, his desire that God take over and solve this problem or whatever it is, being willing to DO ANYTHING the answer may come to direct, then will come a complete relaxation and faith and go to sleep on that and in the morning HE WILL KNOW JUST EXACTLEY WHAT TO DO TO FUNCTION TRULY ACCORDNG TO THE LAWS OF LIFE IN THEMATTER and he will then KNOW AT ONCE THAT EVERYTHING IS NOW ALREADY WORKED OUT O.K. It's a kind of scientific way of going at and getting that something called faith; first, developed and second; knowing what do DO WITH IT after he has it and get somewhere with it- GET WHAT HEIS AFTER. In other words just to say have faith is not enough by a long ship. Not by a shot as long as from wanting something to having it.

But all kinds of wounderful surprises will come by it IF ONE CAN get hold of himself in a crisis by deliberately catching the self at it- at fear, worry, upset perturbation of any kind, THAT'S A GOD*SENT OPPORTUNITY. THAT'S DYNAMITE, yess It's T.N.T., It's infinitely netter than and ATOMIC BOMB. \$\$\$\$\$\$ This is given with joy that through you many others may be benefitted.

Just as soon as I can afford it I am going to buy everything which you have ever written.

Sincerely,

H. Bernard White

WE LIVE IN A CHAOTIC AND CONFUSED WORLD

and I need your help in doing my bit to straighten it out. It CAN be straightened out but it will take the Power of The Almighty to do it. Some years ago, while searching earnestly for God, I received a revelation from him which, to me, was one of the greatest spiritual revelations a man can receive. There is no question about the manner in which God revealed Himself to me. At once, (and this was 20 years ago) I began to tell the world about this discovery of The Power of God, and you know what happened. Religious history was made. The Power which followed this Teaching has never been equalled in the life of any one man ever, to our knowledge.

HERE'S HOW I NEED YOUR HELP

● ● ●

When you enrolled in this Movement, you became a Life-Member. You wanted to know The Power of God. Knowing this to be a completely non-profit religious organization, you may have said:—"Oh well, I'll pay the rest of my bills and let Dr. Robinson wait." Of course, that can be done and there isn't much we can do about it. But I don't believe you want to do that. It is not easy, I assure you, to fight for God in these critical days, even when all our Members meet their obligations. But when they do not, well . . . that makes it doubly hard. YOU DON'T WANT TO DO THAT . . . DO YOU? Of course not.

The sum of \$.....6.00 will bring you up-to-date. Will you help me by mailing this to me NOW? Thank you very much. It will make my path quite a bit easier I assure you.

Sincerely, your friend and teacher,

Frank B. Robinson

Great Election Day;

or,

Who's to be the Man?

held for Peter, St Mark 8:33

The whole place is in an uproar. Nothing but canvassing, and election speeches! What excitement! What a great ado! And soon it will be voting day; and then the excitement will reach its height. Meanwhile the cry is, "Who's to be the man?" And strange to tell, that was just the cry in a certain great city many hundred years ago. It was voting day in Jerusalem. What! you say, you did not know there was any voting day there. O, but there was. And what crowds, and what excitement there was then! You could have numbered the people by the thousands—aye by the tens of thousands. It was election day; and there never had been a day like it before; nor has there been a day like it since. The governor of the city presided at the meeting, and took the vote of the people as to whether they were for Barabbas or Christ—Barabbas the murderer, or Christ Jesus the Lord, the Saviour of lost sinners, "Who's to be the man?"

St Matthew 26: 60 to 75
16: 18 19 22 23

That was the question. And it was soon to be settled. "Who are you for?" said the governor; "Are you for Christ?" "No," they cried out, all at once, "Away with this man, and release unto us Barabbas." Their choice is made; their vote is recorded. They have elected Barabbas. They won't have Christ. They will have anybody but Him. They will rather have Barabbas, murderer though he be. And what is to be done with Christ? "Away with Him; crucify Him." And so Barabbas the people's man is set free, and Christ the rejected one, is led forth and nailed to a cross on Golgotha's hill, and hung up between heaven and earth, as it unworthy of a place in either! But God was not forgotten that terrible deed—the murder of His own Son. Ah! no. And there is a day coming when the world shall have to stand before God, and tell Him what they did with His Son. And Jerusalem's governor shall have to say what he did with Christ. And you, reader, shall have to answer the question—"What have you done with Christ?" "What!" you say, "me?" Yes, you. The question before you is the very same one that Pilate asked: "What shall I do then with Jesus which is called Christ?" Have you received Him, or have you rejected Him? Remember that that is the question God has in store for you. On the great day that is coming, God will not ask, "Whom did you vote for in this election?" Or "What party did you sympathize with?" Or "Who was your favorite?" But He will ask, "What have you done with My Son?" You need not say, "I'll be neutral,"

I'll neither receive Christ nor reject Him." Pilate tried that, but failed. There was no middle ground. It was simply

CHRIST OR THE WORLD—WHICH?

And that is the question with you, reader.

Does the world think any more of Christ now than 1800 years ago? Oh no. Go into that company, there, and say, "Let us have a little talk about Christ;" and they say, "Away with Him; we don't want to hear about Him; we'll talk of anything, anybody but Him." The vote of the world is still the same. God says, "Seek first the kingdom of God." But people say No, we must see this election over first. Mr. So-and-So is to be the man, and he must be put in. God says Christ is to be the man, and He is to be first; and the world virtually says He must be second this time. What terrible folly! Reader, you may be a voter, although possibly you are not, but no matter. In the midst of all this noise I ask, Are you born again? Is your soul saved? If not, what will this great ado profit you if God were to say, "Thou fool, THIS NIGHT thy soul shall be required of thee?" What then? Ah! "Lost forever," you would cry; "and I might have been saved had I taken God's plan and got Christ first." Then reader, I beseech you, even as you are reading this, to be reconciled unto God.

People say they don't believe in excitement. But look at the great excitement

that prevails just now. And if you got only half as much excited about your soul's salvation, the world would say you were getting into "too great a state!" How Satan is blindfolding the people! But don't be deceived, reader. Don't be afraid of getting excited about your soul. It will be terribly exciting for you to go to hell, for there you must go if you have not got Christ—if you are not converted to God. Then don't tarry. Let others get excited about the election or whatever they like—"Make your calling and election sure." Take the lost sinner's place, and claim the lost sinner's Saviour. While others are crying up this one or that one, and wondering who's to be the man, let the language of your soul be—"The Man Christ Jesus for me."

"My heart is fixed, eternal God—
Fixed on Thee;
And my eternal choice is made—
CHRIST FOR ME."

"RELIGIOUS BUT LOST."

Reader, come, be honest before God, which are you, yourself, **SAVED** or **LOST**?

Perhaps you say, like many, "I don't like to be spoken to in that way: and our minister never asked me such a question."

Probably he never did, dear reader. And is there not just a possibility of his being unsaved himself? If so, then certainly he will never ask you such a question. Moreover, if he goes to hell, that surely is no reason why you should go too, is it?

May be you reply, "I hope I am not going to that dreadful place. I am not a wicked person. I go to church, and I take the sacrament, and I teach in the Sunday school, and I sing in the choir, and I pray to God, and do the best I can."

Well, granted you do all you say. Now just take a slip of paper, and write down all those things, and then add this one short sentence, and then you will have the startling truth before your eyes, "I do all that, **BUT—I—AM—LOST.**" Yes, there is no question as to your being religious; but you are lost.

Do you not see, my friend, you have a religion without Christ? You are a lost sinner, and God has provided a Saviour for

act 8:9 11

you; but, instead of accepting the Saviour, you are working hard at your religion to try and save yourself. Take care, my friend, or you will be damned!

Nicodemus was religious, but lost, and had to receive Christ as his Saviour (John iii-1-16). The Apostle Paul, too, was religious, but lost, and he says, "This is a faithful saying, and worthy of all acceptation, that Christ Jesus came into the world to save sinners; of whom I am chief" (1 Tim. i 15). I could tell you of hundreds who were religious, but lost, and who came to Jesus just as they were,—poor, lost, needy sinners,—and He received and saved them. The churches and chapels, and meeting-places of various kinds, are crowded with people who are religious, but alas, lost! And "if our gospel be hid, it is hid to them that are lost; in whom the god of this world hath blinded the minds of them which believe not, lest the light of the glorious gospel of Christ, who is the image of God, should shine unto them" (2 Cor.. iv. 3, 4).

A young man was dying, but he knew he was lost, and was in a terrible state of anxiety. Ah! death is a terrible reality, and makes people anxious who never were anxious before. The clergyman was sent for. He came, and read the prayers and administered the sacrament to the young man, and told him he had nothing to fear. As soon as

he had left, a friend said to the youth, "I see you are happy, and can die peacefully now." "No!" replied the young man; "I am not happy. I have not peace, and I cannot die without that, What shall I do?"

No! my reader. Religion with all its rites and ceremonies, without Christ can never give peace to the soul in the dying hour. Never! Shortly after another friend went to see him, and began to read him that beautiful hymn:—

"Just as I am without one plea,
But that Thy blood was shed for me,
And that Thou bid'st me come to Thee,
O Lamb of God, I come!"

No sooner was the first verse read than the dying youth looked up, and with deep earnestness said, "Read that again." It was read over again, and he drank in every word, listening as for his life. As soon as the verse was finished, he said, "There, that will do; I can die with that." The dear fellow there and then came to Jesus, "just as he was, without one plea," without one solitary spark of goodness,—he came with all his deep need, and the Lord saved him. Reader, you must come in the same way, and He will save you.

O hear His voice, saying, "Come unto Me, (not come to church, or be religious, and

pray). "Come unto Me." a divine person, the blessed Son of God, who died on Calvary, that you might be in glory. "Come unto Me, all ye that labor and are heavy laden, and I will give you rest" (Matt. xi 28). All your religious routine is but religious slavery,—the devil's drudgery. And your sins are a heavy load. Then, come to Jesus, and He will give you rest. He can save you for the work is done. His last words on the cross were, "It is finished." Yes, the sin question is settled, and Jesus is risen and in the glory, the proof that all is done. Then, where you are, and as you are, just hear His voice, and obey it,—"Come unto Me, all ye that labor and are heavy laden, and I will give you rest." Take care, and do not hold to your Christless religion till you are eternally lost.
