Dear Friend and Teacher

I have just received the second lesson in the advanced teaching. We have regained our health, payed up most all our bills, now we have a car we been wanting to get for almost 10 years. I know the Power and spirit of living God is with us at all times. I have had soar running ears they are almost cured up now of course I had to go to a Doctor and have him put some thing in my ears to help cure them up. When I started getting these lessons we didnt have a place of our own it wasnt very long till things began to happen and we got a place of

our own. My husband was out of work  
now he has more work then he  
can get done in over a years  
time. I know that the God Power  
is working since I have been  
studying Psychiana we have  
had an abundance of most every  
thing. My Husband has had Asthma  
for years he has tried most  
every thing I believe through  
the Power and Spirit of the  
Living God and help of members  
and Teacher of Psychiana that  
he will be cured up He has  
tried every thing that any body  
has told him about. I want to express  
my Thanks to you for the wonderfull  
changes that have come into my life thru your

wonderfull truths unfolded to me are a  
source of continual happiness-  
The lessons have been of incalculable  
value to me. I am doing what I  
can to spread the good news  
I am very interested and waiting  
for my next lesson to come  
words can not express my  
gratitude to you for your  
help showing me the way to  
find God I some time am  
staggered at the Idea of  
Religions which do not work  
It makes no difference  
to the Power of God

I remain as ever a student  
of Psychiana

Mr Alfred B Robinson-

to My Unseen Friend-

Your New Letter at hand  
and Many Thanks for  
Remembering Me as one of  
Your Dear Dads Students  
and it was surely a shock  
to learn of your Fathers  
Passing: it just does not  
seem possible that he has  
departed from this old  
troublesome planet, and  
at that age only 62: for  
I had him figured to  
live to at least past 90  
for he understood Gods  
Law so thoroly that he  
would live on and on <sup>over</sup>

2

and how much I would like you to write me a few lines telling just what afflictions were that he was unable to master - for he had helped so many others, and right here I recall at Christ's death on the cross, when those who took part led to him you have saved so many others now why dont you save yourself? yes Alfred there is so much that we do not understand regarding this life no matter how hard we may try, but I will say that I learned a lot from you. Dear Dad that has helped me greatly

for the past 16 years for  
I first started with Dad  
In 1933 if my memory serves  
me correctly, I think I  
saw his ad in a book and  
I think it read The God  
that nobody knows, or  
some thing like that  
any way I wrote to him  
and right there I found  
the thing I had been  
searching for all my  
life, and so many times  
I have praised the Gods law  
to help me over some very  
rough spots since that  
time, but you see Alfred I  
started so late in life  
that it has been tough going  
(over)

for me, and that is why I  
 have not been able to take  
 all of your courses, for  
 you see I have passed now  
 the 3 score and ten years  
 and have very little work  
 amny more therefor money  
 is real scarce with me.  
 Now in this last letter from  
 you stating your 27 Lesson  
 course for 3.50 Now nothing  
 would please me more than  
 to send for it for I know  
 every line would inspire  
 my soul but I just cant  
 afford it, and that is that  
 and in regard to the way  
 I enjoy that little book  
 very much But I have so

5

Much trouble getting it here  
I have I had to write a  
Special letter telling you  
and them when you put a  
rapsal on it I received it  
but I know you do not  
want to be bothered that  
way, but I would like it  
again this year if I could  
get it without all that  
bother, could you think of a  
way? and always remember  
I feel I am one of your  
big family and if you  
can send me some reading  
mater any time I course  
you I will be very grateful  
to you for some for as you  
know the good Book Day

6

God Loveth a Cheerfull  
giver and those that have  
I should share with those  
that have not,

So now my Boy I want  
to share your grief on  
behalf of your Dear  
Departed Father, and  
my ever best wishes is  
always for you and yours,  
and I hope that the  
good work will go on  
that Dad worked so hard  
to establish and I am  
sure your Creator will give  
you good health and strength  
to carry on the good work.

So now with lots of Love  
and always best thoughts I am  
truly yours Ed Spencer

Dear Friend

I have not had time to write out - I have been busy and worried about my daughter in the hospital for weeks. She is better now. I am so glad our Prayers were answered. So many wrote me and said they were Praying for her. I Thank the Lord that the Prayers were answered. I am Thanking my Lord all day long for every thing that he sends down to me. Thanking you for all your precious books you are entirely to your Lord. I love to read them

all the time that I can, I  
am saying all day long  
I believe in the Power  
of the living God. I wanted  
to send out for one of your  
books you had advertised  
the last time. But I am  
criticised for sending out  
to any of the good ministers  
my husband would not send  
out for any thing. I am  
sending out of the money  
I work for and I am so  
happy thanking the Lord,  
all day long for his  
blessings to help me to  
get thru with that work.  
I will send out when I can  
to you. I dont go no where  
only to shop a little bit. I stay  
at home to read the Bible and  
your books and all the books I

have so many of them.  
And go to Church.  
Pray for us all.

Dear Mr. Robinson,

I feel it my duty to write you a few lines - "praising God" for His Blessings to my brother, Abram S. Purdy of Glengary, <sup>West</sup> Va. He had taken your course of Psychiana. Perhaps in your file records you still have his name listed.

A year ago last July God called Abram S. Purdy to his heavenly home. Thanks be to the course you sent him because through its teaching he found God. Praise His name. You can appreciate how we feel about the teaching of this course and how it helped to show him how to meet God.

He passed away in his sleep in the Hospital at Easton, Penn. where my parents live.

I know you will rejoice over the fact that through the Psychiana Course of teaching - He was saved.

Very truly yours,

Mrs. Carl Virgil Epling.

Dear Mr Alfred,  
I am writing to thank you for

I now wish to change this to Mrs. Ruth Felty, and the address is 3304 West Harrison St., Chicago, Ill.

Words can not express my feeling to learn of Dr. Frank's leaving us materially, but I can truly say thru' his teachings his spirit is with us even more stronger thru deep understanding that

17  
I believe I am developing.  
When I enrolled I  
was quite lame from  
Arthritis of spine & hips  
- and my age is only  
35 - after two months  
- really less, I was able  
to return to normal  
living and my job.

I have in short six  
months regained my  
health and many  
material things of  
luxury that I had  
supposed would take  
years of hard work and  
money to possess.

I do hope that Dr.  
Frank's son, Alfred  
will carry on this wonderful  
work as whole hearted

as it was done by  
him.

I am enclosing ~~two~~ more

Words cannot express  
the satisfaction we  
find in the study of

publications. I am  
reading your book  
"The Pathway to God." And  
it does everything you  
say it will. Tears flowed  
down my cheeks as I

read it. This is what I have been searching for ever since I began to understand. I used to ponder in my heart when I was a child, "Surely life was never meant to be like what I was experiencing in my home and at school. I knew <sup>and then my married life</sup> somewhere, some how there was a God that intended our life to be full of happiness, peace and freedom. So all my life I have search for this "something to satisfy." I have been to every church and place where God was talked about but to me this

was not it.

My husband and I are telling folks about your teachings. Do hope we can be instrumental in spreading this Truth rapidly, as surely the world is sorely in need of God. Blessed be the day when all will recognize that God "The Kingdom of God is within you", (them)

to increase and we know

# A RATHER UNUSUAL OFFER TO ALL STUDENTS

By this time you instinctively know that the truths of God are in our message. It's simple logic and plain truths have appealed to you. You know well that if you do as we have asked you to, there can be nothing standing in the way of the Power of the Spirit of God manifesting itself in your life. WE THINK THIS IS THE RELIGIOUS MESSAGE WHICH WILL SAVE THE WORLD. WE THINK IT'S THE MESSAGE THE WORLD IS WAITING FOR.

The growth of this Movement has been most phenomenal. It has been written up all over the world. But what interests us is to get this message of peace and Power round the world in the fastest possible time. Here's how YOU can help. You can send us a check or money order for the remaining balance on your lessons. At the same time, you can secure absolutely free, copies of "They Have Found a Faith" by Dr. Marcus Bach of the School of Religion at Iowa State University, AND "Is the Story of Jesus Christ Fact or Fiction?" by Dr. Robinson. This is quite an incentive; and we are asking every Student who can do so to make a special attempt to pay his account in full as this will eliminate much additional record-keeping for us, and you will not have to bother about sending in monthly payments. The more money at our disposal, the faster we can bring God to men and women. WILL YOU HELP US IN THIS PLEASE?

The subject matter of "They Have Found a Faith" is extremely well suited to all who are interested in the religious life in America. Marcus Bach describes in detail many of our contemporary religious groups, and an entire chapter in this book is devoted to Psychiana. The other book, "Is The Story of Jesus Christ Fact or Fiction?", contains many interesting facts concerning the Christian religion and its evolution, and will provide the reader with a great deal of information which is not generally known. Yet, you may have BOTH of these books FREE if you will but send us the balance due on your account. It will help a lot if you can send us a check for the amount due on your account, in advance, and if you do this, you will receive the two books absolutely FREE.

Thank you.

I must say my husband and I have never

Surely the Everlasting Life, filled with

also and our one and only prayer  
is that God give us time and

# Gems of Spiritual Truth

By

Dr. Frank B. Robinson

This is a permanent textbook of many of the spiritual sayings of Dr. Robinson over the past twenty years. It is a book which can be used for everyday reference, and it will provide a great deal of spiritual help for the members of Psychiana.

A member of Psychiana who was very earnest with a very bright spiritual experience carefully assembled what she considered to be the most outstanding spiritual sayings of the Founder of the Psychiana Religion. After examining the material this member had so painstakingly assembled, we at once sent it to our book publishers. "Gems of Spiritual Truth" is now off the press and ready for our members.

This is a handsome book, and Alfred Robinson will personally autograph the first two thousand copies.

Dear Dr. Robinson:

I don't only "talk to God" but I can hear "God talking to me." I love the song, "I will listen for thy voice, lest my foot-steps stray" I will follow and rejoice all the "rugged" way. But not the "rugged" way any more. This song should be sung using "the sweet smooth way" because "words is life". The bible says so, the words we speak are a reality they take form as we use them, whether for the good or bad, who was it that said, "No thing is either good or bad but thinking makes it so". Thoughts or words either carry power with them. Take the Old Rugged Cross too. Instead of singing it "exchange it some day for a crown," it should be, exchange it "today" for a crown. If only the church ~~was~~ would stop preaching about a far away God, things would not be in the mess they are. Truly it, must be <sup>the</sup> Christinity must take a hold of the reins, for this and nothing else will stop what is taking place now. Praise be to God, we know we can win for "God never fails" and one with God is majority.

You have proven this thousands of times. Mr Robinson and so have I so we will keep up the good work until we have ushered in the Kingdom of God on this earth the place where it was meant to be. Like Jesus, we can speak as one having authority. What a marvelous thought.

I think your "Pathway to God" is one of the most marvelous books ever written. There is no other position to equal it, when one has become a partner of God. First to recognize Him, then to cultivate a companionship and then to turn this companionship to friendship and love and finally to marry and live with God. Words can never express the beauty in which <sup>it is</sup> they are written and truly this one book must be bringing thousands to understand "where to find God." My heart rejoices when I think of the truth spreading so rapidly and surely the world is sorely in need of it. The "Still small voice" is truly being heard around the world today. The final race is being run. We will "fight the good fight" and it will be won.

I had a dream last night and in it was two men, I couldn't get their faces clearly. but this doesn't matter the main thing was one man wanted to give up and I said, no, don't give up, God never fails. He always finishes what He starts and the other man agreed with me, and he said, yes, that's right and the issue at hand was some very important thing. God talks to me often either in my waking hours or in my dreams. I can hear Him as I go about my work and this is when I stop whatever I am doing and jot down His beautiful messages. ~~or~~ I leave what I am doing and go wherever He tells me to go and do the thing He tells me to do.

I am reading your book, "The Wanderer" another of God's gifts thru man to this spiritually dying world. In the chapter where you wrote of the sign along the highway reading, "The Gift of God is eternal life thru Christ Jesus our Lord." Never once did Jesus want any credit for what he did. It was all ways, "The Father

in him, He doeth the works." St. John 6:5:6 reads "No man can come unto me except it were given unto him of my Father;" No one could even come to Jesus except he come to the Father first. The power of God is always first. Common sense will tell one God has to be first. He created Jesus just like He created all mankind and gave everyone of us the same power as He gave Jesus. So we are to "go into all the world preaching the gospel and healing the sick"; "Letting our light shine ~~before~~ among men that they will see our good works and glorify the Father which is in Heaven (earth)" It is every ones duty to do this and the sooner each and every individual gets to work on his or her God-obtained job the sooner will we see peace and happiness on this good earth. Jesus said, "Even greater works will ye do because I go unto my Father, and I will bring in the Father and ye shall be in the Father and the Father will be in you." So I am leaving you for now.

Manuel & Miriel Fernandez.

Dear Mr Robinson:

Somehow or other when I started my first group here I lost the instruction sheet for students of Psychiana, it arrived with the first lesson and isn't the one for just that lesson but gives instructions for every day while one is a member of Psychiana. Could you possibly send me another of those instruction sheets, I have another member interested and would like to have one as I feel they are very important. It explains how to contact God morning, noon and nite and before going places. I would be grateful for another copy.

To me Psychiana is still the greatest thing that ever happened in my life, never have I been so happy as I am now and never have I loved everyone as I do now, I have had several wonderful manifestations of Gods Power and my healing has been complete and permanent. ~~his winter my youngest son was suddenly stricken with Rheumatic fever, it hit his heart hard and fast and the valves were so badly damaged the Dr said there wasn't a chance for his survival. I called on God to heal his body and before the Dr could arrive to re-check him he was resting and feeling much better. The Dr was amazed when he arrived and found him so much better, Dr has told us again and again that that was the most amazing and mariculous healing he has ever seen. Jim had a heart murmur before this set in and the other day when we had him up to the Drs for a check up the Dr said the heart murmur was still present but there was no fever activity present and the valves of Jims heart are healed and he had told us before that if Jim survived the valves would always be damaged. He is just baffled and doesn't know what to say. We were told our son would have to spend at least a year in bed, but after three months he is back in school feeling fine and looking better then ever. My heart is filled to over flowing with Gratitude to God and Dr Robinson. One for the Healing and the other for the Teaching. Do you wonder why I'm happy? God is so close to me, I can call on Him any time so I have no need to fear or be unhappy.~~

Here are a few names: Mrs George Klement, Hortonville, Wisconsin.

Mrs Roy Grant, Kalispell, Montana.

Mrs Otto Sagmeister, Plummers Point, Oshkosh, Wisconsin.

Mrs Andrew Riege, Rural Route, Marion, Wisconsin.

I would truly appreciate another instruction sheet, if you can spare one for me.

Happily yours,

My Dear Dr, Robinson

In the year of 1932, I read your advertisement in a local paper, and immediately sent for your course of lessons. I was then in very bad health. In fact I was a victim of T,B, with no hope of ever being well again. and not much concern <sup>whether</sup> I recovered or not. But after studying your lessons for some time, I had one of the most astonishing experiences that I believe any one ever experienced. I have intended writing you about it for a long time but have just neglected to do so.

With no earthly help, from any one. No care, no medical attention, or other help I recovered from dread Tuberculosis, but strange to state, The Dr, that assured me that I need not expect to recover; died in less than a year from the time that he told me that I would be very fortunate if I lived six month,s.

I have since married, and have bought me a place of my own. and have a brighter future than I ever even anticipated at the time that I began studying your lesson,s.

In some way; I have lost; or misplaced the first six of the lesson,s however, and would like very much to replace them. At the time that I subscribed for them, I paid \$2,25 for two lesson,s. ~~If~~ they are the same now, I will mail you a check covering the amount. and have you mail them to me right away.

They have been a great help to me in the past, and I believe will continue to be a great help.

Yours Very Truly.

Dear Mr, Robinson.  
(or Dear Brother Alford) If you do not object.

Just this moment,, the postman brought me the lesson,s that I had requested of you. Word,s are inadequate to express my absolute joy, when I saw that they were the lesson,s that I so much wanted. I had just had a letter from one of your aid,s, Stating That these lesson,s was no longer available. And my heart was saddened at this new,s. Because of what I knew of them. And what they had done for me, in hopeless day,s gone by. It was more than sweet of you, to send the full course, as most of these have rare pretty badly worn. At least showing that I had not neglected to read them.

At the time that I subscribed for the course, I was runing a small Grocery store in Rosemead Cal, The depression came on, and I was losing every thing that I had. Not, sloly, But by leaps and bounds. I tried to help people, by giving them credit. They would go as far in debt as I could permit them to go, and move away. Leaving me to make good what I had let them have. It grew more hopeless every day. I could not do as they did, just close my door and walk off, for some one else to carry my just load of obligations. I had to stay, and try to get thing,s streightened out. I was alone, No one to advise, or encourage me. You may not know about these thing,s But I well know that Your illustrious Father knew. I well knew that the end, was not far away. But could do nothing about it. I did not have the money to send for this course of lessons at the time I first wrote Your Father about them. And Then, one day the end came. I had not one cent to my name. The door was closed in my face, so far as a grocery store was concerned. I could stay in the house a few day,s. But that was all. Then I had an oportunity to do a small Tailoring job for a man that paid me \$2,25, Just what I needed for the first two lesson,s. and I forgot the hunger, and worry, that was in the immediate future, and sent that \$2,25. for the course of lesson,s. Then I got a small job in a convalessent home at two dollar,s per week, room and meal,s, for only 16 hour,s labor per day. I studded as no one ever studded before. I think it was Oct, Nov, December, Jan, Feb, and the first two week,s almost in March. At that time was nursing an old demented lady in El Monte Cal, On the night of March the twelf, I was siting on the side of my cot in her room, when, Well, I cannot explain what happened. But it happened. and Because it happened, I am here to day, writing you this letter.

I was coughing quite badly at the time I was in the store. and some good neigh- bor that owed me considerable, turned me in to the State T, B, Association. and I was forced to leave what I had in the store, and lose it all. Soon, I was forced to leave this nursing job, because of that cough. But, I went gladly. I did not worry. I shed no bitter tear,s for what I had lost in the store either. I came back to Los angeles and found a job in a Hotel. There, I met an old man of ninety six year,s of age. I wanted to tell every body that I met of the wonderful thing that had came to me. But People are rather peculiar, to say the least, about people telling them about a Wonder Power that made life a wonderful experience, instead of a burden. However This old man listened. He was in business here. and like my self was losing every thing that he had. I told him about this course of lesson,s. and He ordered them. one day I met him in the hall, and asked him what He thought of them. He said, Well, My dear, They have saved my life, But there was One, assurance that I did not get. What do you advise about that? I said, read them all over again. with the same atten- tion that you did before. Again one morning I met him, some trree month,s later. and asked him what he had done about it. and here is his answer in his own word,s. quote, I earnestly went all through the lesson,s again, and have the answer, it is

all that I want. I know that my time on earth is very short. All that I desire now, is the assurance That when I must go, It will be quick, and easy. No pain, no illness. just the passing into that great unknown beyond. I am ready to go.

Unquote. He went to his Tailor Shop. and met a friend and opened the shop went in and asked his friend to help him remove his overcoat. The friend did so, and this little old man sat down on a couch, and was dead. No Pain, no, illness. no, worry to himself or trouble to any one else. I have always thought this one of the greatest marvels I have ever known.

Then, I was forced to go to see a Dr, at the T,B,Clinic. He bluntly told me That, I need never hope to recover, If I lived five months I would fool him. I was very determined to show him just how wrong He was. I went through all of my lessons over and over again. and two years later this Dr, Dr, Dockweiler, one of the wealthiest, most influential, and leading Young Physicians of the State died. Yes, died with an incurable disease. Now, what do You think of that? I began to feel better, from the day that he so bluntly, and heartlessly informed me that I could look forward to an early grave, and nothing else.

I soon was able to go to work. I was past the age when most women are given employment. I was fifty nine years of age. But I went into an upholster shop, and learned upholstery. And learned it well. Later made my \$2,25, per hour untill two years ago. In 1941, I married a very fine man, that had known me since 1898. We are now living together, and are very happy. We have just bought us a piece of property at Fontana Cal. and are retiring.

So, I think you can well understand what this course of lessons did to open up a new and beautiful life for me.

That is why I wanted them, and No, other.

In I think it was 1946, I told a Mrs, Staley of this course of lessons. and she subscribed for them, I was then living on Valencia St, only a couple of doors from her. I lived at 1338 1/2, and She at 13 26, Valencia. I have not seen her in a long time now. so cannot answer for her. She was, however one of these sad cases that jump from one thing to another with out waiting to see what the first will profit her.

I have, at all times, and will be glad at all times, to recommend your teaching to any, and all. that I think, or have cause to believe will profit by them.

Please excuse this long letter. But I wished to tell you why? I was so much determined to try to have these lessons, in my possession once more.

Yours Very sincerely.

Dear Dr. Frank B. Robinson  
Just received your order  
blank for the new course  
on life after death  
and will say as soon  
as I get the money I  
will gladly send for it  
it will probably be a month  
or a month & half. I  
wouldn't take thousands  
of dollars for the other  
course I take I've been  
so wonderfully blessed.  
I can always see things  
on the bright side now  
instead of wondering what  
about it all but now  
when I lay down to sleep

at night God always  
takes over & I can rest  
at ease as far as after  
Death I know now that  
God will take care of  
that too and I feel  
I have been blessed in  
every way I have ask.  
I just thought God in  
my life and now I have  
God there and such

My dear Mr. Forrest:

Thank you for your kind thoughts of sympathy expressed  
in your recent letter.

If you knew how many thousands of people write to us as  
you did, you would know that at long last the actual  
Truths of The Spirit of God are being made known to men

Mr. Wm. Forrest

Dear Alfred Robinson:

I am deeply sorry for the passing of your wonderful and greatly loved Father, The Great Master who saved me from dispair, and through his wonderful lessons brought me up from the depths of Ignorance and misunderstanding to face the truth and Light as that Great Light exists.

Words fail me to express the Love and admiration I hold for your wonderful Father, and in accord with his wishes and desires I am day by day throwing the Power Of The Living God into play against the undesireable conditions in my life. Yes I found the Great Power all right, But where I seem to fail is in getting the Power to respond to my request, While I am setting still preparing to make contact I get something like a signal a bussing sound that lasts a few seconds and and then stops. But give up never, I am sure I will hear the voice of the stillness soon.

I will be more than pleased to receive the Funeral Adress and you can exspect a subscribtion from me soon for the magazine THE WAY, and my enrollment for the NEW PSYCHIANA will be sent on its way soon. I will appreciate it if you will send me a new membership card as I carried it during the war and it is in pretty bad shape now, thank you.

I would like you as a favor to save me one of those books GOD IN THE DARK and they have found a FAITH I will send for them as soon as I can get the money, Thank you.

Dear Mr Robinson.

at this writing I have  
Very good news.

I guess I did not tell you  
how sick I have been for  
the last ten years and  
off & on before that. I  
have had three major  
operations. about ten  
years ago I got the flu  
it left me with a very  
bad case of sinus trouble  
and now I have arthritis  
in my spine and all  
most all over me.

I have spent almost a  
fortune but never got no  
better. in fact I was  
growing worse each year

I was not only sick in body but mentally I'll. I imagine all sorts of things. I thought I was going blind I also was positive I had a Cancer.

I even imagine my Husband had another woman I cried my self sick at night. I surely was a nervous Wreck. I do not know how you got my Son's name nor do I care but God bless for it no matter how. I wanted him to send for the lessons as I had spent so much money for Dr's Bills I was always broke. He would not send and just as good as told me it was a bunch of bunk.

The more I thought about it the more positive I was that

I was going to find my  
God some way if it  
took the bread out of  
this family's mouth. So  
I sent for your lessons  
and I glad I'll say I am  
just you lister to this  
after I sat down quiet as  
I could be and read. a  
strange feeling came over  
me something like a chill  
I read that lesson twice and  
tried to understand it  
perfect. all at once my  
draastic thoughts left me  
my nerves calored down  
they have never returned  
and shall not. My health  
is improving each day.  
I have little pain once and  
a while but not to often.  
I have stoped going to Dr. S.

Now I can use that  
 money to send for my  
 lessons and we are  
 having wonderfull luck  
 also my Husband got a  
 raise and we did get  
 to go on our trip to Florida  
 we drove 2700 miles  
 I did not get the least  
 bit tired or we did not  
 have no trouble of any kind  
 we surely enjoyed our self.  
 why because God was with  
 us he has Granted me  
 many things Dr Robinson  
 since I read that first  
 lesson on Psychiana.  
 Dr Robinson when you  
 healed that lady of Dabetic  
 through God it was the  
 Grandest act I have ever  
 read since Jesus time.

I love to hear about all your healings If I may  
 ✓ Dr Robinson that is the one thing I want most is to have one hundred per cent faith in God.

I am in closing three dollars for the month of May I will try and send two payments in June I think while I was in Florida I missed one. I hope you wont be bored but I wanted to tell you what God has done for me.

Thanks.

To The Editor:

After studying for two years with Dr. Robinson, I feel that I have had enough experience to write some of them in the hope that it will help someone else.

My life has had ups and downs and there have been times when I had the tendency to feel that there wasn't much to live for. But had the good fortune to hear of this wonderful teaching and I have learned to be stronger in times like these and now depend on the one POWER to help me through any and all difficulties.

I have learned to remember that before I close my eyes in sleep at night that I have to have a little talk with God, the invisible all pervading power to take my little life and do for it the things I am not able to accomplish by myself. I do not get down on my knees and wear a hole in the rug beside my bed, for God can hear me no matter in what position I am in. In fact, if I wait until there is an appropriate time for me to go on my knees, I have missed an opportunity to talk to and listen to God. I make my wishes short and then listen to what God has to say to me and I find that this listening is much more important to me than all of my talking, so most of the time I just fail to talk and just think my requests. It does not matter for God knows what we are thinking about even before we speak, so after all the speaking is really very unnecessary.

Shall I give you a little peek into my nightly conversation with God? This is about the way I permit my thoughts to run, "Good evening God, I am happy to be able to be alone with you again for it is in these quiet times that I feel the most comfortable and at peace. But I have a few problems with which I need your help, and of course I am asking that you help me if it be right for me to have these things. I know that you want me to be healthy and happy and I know

also that you want me to be supplied with everything I need to make my life comfortable. Thank you for finding me a job out here in this beautiful valley surrounded by gorgeous mountains. You know that after living in the country for over ten years, I find it a bit stuffy in town. But this little house needs some new furniture in it and I have some real nice furniture stored back in the Middle West. I have enough money to pay to have it brought out here. It looks like there won't be anybody at my sister's house where my furniture is stored, as Sis is in the hospital and there won't be anybody at home to let the movers in. Well God you will have to fix it up for me as I don't know what to do about it. You see the reason I am needing it so bad is this abominable bed that I have to sleep in which may be alright for some folks, but in my opinion it must have been made for someone confined to a torture chamber. But I will be patient for I know that you will find a way", so I listen and pretty soon God talks to me through my thoughts and I can hear the words, "Do not worry, everything will come out, you just leave it to me" and pretty soon I am tucked away in the arms of Morpheus without a care in the world.

I forget the matter. What is the use to worry about it now that I have made my wants known to him. In a few days I get a letter from my brother in the same town and he says that Sis is home from the hospital and of course I instantly know that she will be there to keep the house open so that the movers can get in. That night I remembered to tell God "Thank you" for I know that He has made it possible for things to come out right.

In the allotted time my furniture arrives intact, chinaware pictures and mirrors unbroken and I am very happy. Then I get a letter from my sister and she says, "You must have used Psychiana in getting that moving job done, for to me it looked like an utterly impossible situation"

In the morning when I wake up the first thing I do is to

ask God to help me in everything I do and to please keep me from harm and danger.

What do I do when I get behind the wheel of my car? I sit quietly behind the wheel and before I press the starter button I close my eyes and ask God to make me successful and to keep me from accidents. Then I press the starter button and start on my trip with the inner consciousness that God is with me all the time and will take care of me. I find myself humming a song which is very appropriate:

Be not dismayed what e'er betide,  
God will take care of you,  
Beneath His wings of love abide,  
God will take care of you.

God will take care of you,  
Through every day,  
O'er all the way,  
He will take care of you;  
God will take care of you.

He tells me when to slow down for the curves going up around the mountains and then I see a sign which says "Watch out for Cattle on the Highway". I say, "God please make the cattle stay out of the way" and a little farther down and around the curve there they are hugging the fence, with never a thought of running out in front of my car. Of course I slow down and obey the sign, but I instinctively know that I will have no trouble with them.

From the first week I started studying with Dr. Robinson I noticed my health was improving, and for the last two years I have enjoyed perfect health and this alone proves to me that I have the most wonderful POWER on earth and that this is something that no one can ever take away from me.

I want to thank the Psychiana Organization for making it possible for me to have this power and it is worth a thousand times more to me than the few dollars it has cost.

Sincerely,

Jerna M. Gardner

Dr. Frank B Robinson -

I've planned to write before now. But somehow I kept waiting. However, I received my 25th Lesson. I wanted to say words of appreciation - press the thanks I desire to state.

There is so much truth and so many true facts I had already planned to read over each one of those lessons again before I received the lesson stating for me to go back over them. Thanks a lot for the advice.

There could have been some few points I didn't get so good, as it was a very busy time when I began studying.

I'll never regret my journey through these lessons.

I've had many Blessed Experiences, in the indwelling spirit of God -

I'll do my best, to tell others. But as I've stated before, here in my location it's terrible. Those people will not change from their traditional way it will really take

Happenings - I am very thankful of the progress we achieved. But don't think I can yet heal the afflicted. That why I am asking your help. I promise you. I let you be hearing of results.

I thank you a lots for your help for these people. I think the people will organize at the Church and get to work for God.

my way of telling people about psychiastra, now is through the mail, I write them  
over,

and wait for a answer  
and some of them new  
answers.

It's a pity people are  
so soak up in the  
old tradition, until  
They wont suffer  
themselves, to try no  
other.

I do hope I can take  
the other course of  
lessons, I thank  
you for all the free  
leaf let you've sent

Thank you for your good letter of recent date. We were happy to hear from you.

If you knew how many thousands of people write to us as you did, you would know that at long last the actual Truths of The Spirit of God are being made known to men and women on this earth. When it is understood that man is the highest creation of The Great Life-Spirit, the earth will be a paradise.

If your daughter is not well at the present time, remember that there exists in her more of the healing Power of The Spirit which is God than she will ever be able to use. Therefore, the only thing for her to do is to recognize this mighty but invisible Spirit of God which is within her for her use, and realize that no disease or illness can withstand this great God-Power.

The problems you mentioned in your letter may seem great to you and they may seem unusual, but they are actually common to many people. The one thing for you to do is grasp the fact that there exists in you now, more of The Power of The Spirit which is God than you will ever be able to use. Your job is to know this and to use that Great Power which is in you against the things that are contrary to what should be.

May The Spirit of Infinite Peace be with you always.

Dear Mr. Robinson,

AK

The Psychiana Newsletter is before me. I am just through reading it again with interest and pleasure. And I wish to thank you for it.

It is indeed good to know that Psychiana Membership has increased by 10,000 believers in the Spirit of God. This is a wonderful progress!

I am sorry that I can't be proud of my own contribution of names to that enormous number.

As I have no chance while living in this isolated place to get acquainted with people, I have made a list of People whom I judge to be Protestant, according to their name. I took them from our Worcester Telephone Directory. You might have good luck with most of them if you care to try to write to them. I do hope you will have good luck.

West Boylston is a strictly residential town. It has not even a drugstore, nor drygood store, only a small grocery store in the same building which holds the P. Office room. If our son in laws car is not available, we have to walk  $2\frac{1}{2}$  miles to get a loaf of

2/  
bread if we should run short, and to get a spool of thread we can get the bus near the Post Office (to the nearest Suburb of Worcester) to Greendale 4 miles distant, and 8 miles to Worcester to have our laundry done because of lack of water.

Dear Mr. Robinson, I did not write, because I did not want to trouble you with my family problems. Especially not, because Dr. Robinson has expressed that wish in his lessons to the students.

But allow me to state briefly that our younger daughter, Mrs. Berkeley Williams, 1 month and  $\frac{1}{2}$  after having given birth to a fine, healthy son, <sup>Feb. 1, '49,</sup> was taken to the Worcester Mental Hospital against her will and ours. And, there, the first night very nearly lost her life. She was in the medical ward a long time. Her husband had refused, from the start when we noticed that she <sup>was</sup> ill, to take her to a Doctor or call one to the house.

All the happenings were a great shock to us, especially to me because Gladiola was very close to me. She is a very good daughter, and had been a very good wife. The Psychiatrist said, that he believes if Mrs. Williams had spit a couple of times, like a cat, at her husband she would never have become ill. She kept her trouble locked up to much.

The anxiety proved to be too much for me to bear. During the month of June I was taken ill to the Hahnemann Hospital in an ambulance, for 5 days I could not lift my head nor turn it on the pillow because it made me feel unconscious. It was due to gall-duct and liver trouble.

Thanks for the Spiritual Guidance of Psychiana I am still alive. The Spirit of the living God answered my prayers. God was sure good to me! I love Him and put my trust in Him more than ever.

He also was good to Gladia. On the 14<sup>th</sup> of September, she left the hospital on probation for 1 year. We all are thankful to God for her recovery. Glad, however, still has a problem facing her. She wants to get a divorce from her husband, and under the agreement from the hospital doctors, she has chosen to live with her sister, Mrs. Herbert C. Smith in Westboro, who took care of Glad's baby with her own three small children and a bigger boy going to school. This divorce must have been on her mind long before her baby was born, and <sup>she</sup> wouldn't trouble us with her problems.

My husband and I are looking for another place to live, as Glad told us that she never wants to come to live out here again. I have put our problem

before the Spirit of the living God, and I am putting my trust in Him, knowing that if we keep on looking for a decent place, within our means, the Power of God will lead the way for us to find it.

I hope that we can find a place in or near Westboro where we did live for 17 years. Rent is very high everywhere in or near a town and cities. It is cheaper to buy a house for those who can afford it, that means saving money in the long run, and to rent, you never know when you have to leave a home again.

Wishing you, Mr. Robinson, great success in the greatest work a man can do, showing others the way to be happy in the Spirit of the living God,

I am your grateful student,

Martha Giesing

Dear Mr. Robinson,

Received first lesson (1) of Psychiana advanced teaching by Dr. Frank B. Robinson. The lessons are very easy to grasp and strenghten the belief in the Presence and Power of the Spirit of the living Almighty God.

I too had occasion to utter shouts of joy and shed tears of gratitude after my daughter's life was saved by one of the Doctors at the Mental Hospital. I strongly believe, that the Power of God was at work then, because I have, after Glad was taken to the Hospital, that afternoon, by her husband and a man sent by the local Doctor, implored the Power

(of) the Spirit of God to watch over our dear daughter. And also I know that the Spirit of God brought on my remarkable recovery to health. Yes, we have a lot to be thankful for!

Of course, it took us all Summer to make the complete recovery. It was not a instantaneous healing. But the Power of God did save us, for that I am sure. Therefore, I am much closer to God, than I ever was. I can see it in flashes of brightness all around me, and a great, peaceful joy within me.

I thank you for the lessons. I know that I will profit by them. Even if I had had to borrow the \$12.00 I would have wanted the lessons.

As ever a humble, faithful  
student of Psychisma,

Yours truly,

Martha Giesing

My dear Mrs. Granger:

Thank you for your good letter of recent date. We were happy to hear from you.

When it is understood that man is the highest creation of The Great Life-Spirit, the earth will be a paradise.

If your neighbor is not well at the present time, remember that there exists in her more of the healing Power of The Spirit which is God than she will ever be able to use. Therefore, the only thing for her to do is to recognize this mighty but invisible Spirit of God which is within you for her use, and realize that no disease or illness can withstand this great God-Power.

It is very possible to use The Power of The Spirit of God to help someone else if that person believes that it is possible for him to be helped. In other words, if he did not think that he could be helped in any way, and dwelled upon those thoughts, then any outside influence would not help.

May The Spirit of Infinite Peace be with you always.

POWER—surging, throbbing POWER—that is the message of "PSYCHIANA" to you. An abundance of peace, happiness, and material and spiritual supply awaits you through the POWER of the God Realm. And it awaits you now. For the Power of the Spirit of God sweeps before it the black shades of doubt and despair and poverty, and replaces them with peace, happiness and a wealth of material and spiritual abundance. These may all be yours here and now.

**PLEASE REMEMBER**

**You can save \$8.00 by sending in \$32.00 cash. \$8.00 saved is \$8.00 earned.**

The Psychiana Religion is a strictly non-profit movement. It is not interested in your money. It is interested in you and God. The only reason we make a charge is because of the magnitude of our operations, which cost us about \$400,000.00 a year to finance. We operate exclusively by mail. It is only fair that our Members should pay for support of the Movement, as that is the only way in which we can operate. It is the American way. But do not think, because a charge is made for this teaching, that Psychiana is a commercial organization. It is not.

For your information, I am Dr. Robinson's son, and any questions you have concerning the Lessons or material contained therein, I will be very happy to answer.

What Dr. Robinson means in Lesson 13 is that during the fifteen-minute period in the evening, you are to think of nothing but the spiritual thoughts which come into your mind and the thoughts, also, pertaining to The Creator. This probably was not set forth clearly in Lesson 13, but this is what was meant.

If you knew how many thousands of people write to us as you did, you would know that at long last the actual Truths of The Spirit of God are being made known to men and women on this earth. GENTLEMEN:

I RECEIVED A LETTER THIS MORNING TELLING ME OF DR. ROBINSON HAVING PASSED AWAY. IT MADE ME FEEL RATHER SAD YET ON THE OTHER HAND IT SEEMED TO HAVE LIFTED ME UP AND I FULLY BELIEVE THAT DR. ROBINSON'S SPIRIT IS WITH US.

*af* { I'VE NOTICED IN THE PAST THAT MY LETTERS HAVE ALWAYS BEEN SIGNED ALFRED B. ROBINSON. WHO IS HE? CAN HE ANSWER QUESTIONS ABOUT MATERIAL THAT SEEMS TO CONFLICT? IN LESSON THIRTEEN WHERE WE ARE TOLD ABOUT THE 15 MINUTE QUIET HOUR AT NINE AT NIGHT IF POSSIBLE, DR. ROBINSON IN ONE PARAGRAPH SAYS WE ARE TO THINK ABOUT NOTHING AND THEN IN THE NEXT HE SAYS TO SEND OUR THOUGHTS TOWARD HIM. I FIND IT DIFFICULT YET NOT TO THINK DURING THAT PERIOD, IF I'M EXTRA TIRED I DOZE OFF.

I'M STILL EXPECTING THE POWER OF GOD TO REMOVE MY GLASSES SO I'LL NEVER HAVE TO WEAR ANY FOR ANYTHING BUT THAT WILL BE ONE GLORIOUS DAY WHEN THAT HAPPENS FOR AS I'VE WRITTEN BEFORE I'VE WORN GLASSES NOW FOR AROUND 38 YEARS, ALMOST A LIFETIME OF LIVING, AND MY EYES KEEP GETTING WORSE. I WISH THERE WERE SOMEONE WHO COULD USE SOME OF THEIR STRONGER FAITH OR WHATEVER YOU WANT TO CALL IT IN THE POWER OF GOD AND CONCENTRATE WITH ME, ALSO ON MY SINUS PROBLEM. IT WOULD BE WONDERFUL TO HAVE NO HEAD PROBLEMS.

*file* { I'M SO THANKFUL THAT DR. ROBINSON WAS BORN AND STARTED OR I LIKE TO SAY FOUNDED PSYCHIANA. IT GIVES ME SOMETHING THAT I'VE NEVER FOUND BEFORE AS A BAPTIST AND I'VE NOT SEEN OR FOUND ANYTHING <sup>spirit</sup> IN OTHER RELIGIONS. I'M SO GLAD THAT I GOT ON YOUR MAILING LIST. THERE ARE OTHERS THAT I WOULD LIKE TO SEE GET YOUR MATERIAL BUT DR. ROBINSON SAYS SEND ONLY NAMES OF PEOPLE WHO ARE DEFINITELY INTERESTED.

THANKS FOR YOUR LETTER IT WAS HELPFUL EVEN THOUGH SAD.

Hear Mr. Robinson - I must take time to write you a few lines. Just received the "third" lesson. Have read a part of it: am studying, up to now, on your first two lessons. I must admit I have had a few of this teaching: I had reasons to believe you was against the Bible and churches: as I study into this I am more than pleased for I could never have continued on this way had you denounced Jesus and the church: So far, I accept fully your teaching: I love it.

I have had a hard life: but yet,

Wish I could take advantage of

So will send you money, as I  
get it, occasionally until the

In closing, must tell you that I

a few weeks later on I in the

in surprise and one said -  
The other sanctioned - "How  
different you look: you look like  
an entirely different person: what  
has happened to you?" I sort of  
laughed and said nothing: but  
I figured I must first know  
what to say: I am beginning  
now to know: It looks to me  
~~like my life is changing from a~~  
~~common, ordinary, one to a~~  
~~radiant one: many people, some~~  
who work in the office with me  
say many wonderful things to  
me. Such as - "How wonder-

~~radiant". now I am hungry~~

Dear Friend and Teacher,

Am getting lots of help

My dear Friend:

Thank you for your good letter of recent date and for your remittance of \$3.00. We were happy to hear from you.

If you knew how many thousands of people write to us as you did, you would know that at long last the actual Truths of The Spirit of God are being made known to men and women on this earth. When it is understood that man is the highest creation of The Great Life-Spirit, the earth will be a paradise.

I am sorry to inform you that Dr. Robinson passed away on October 19, 1948, and, even though he is no longer with us physically, I know that his spirit is present and is guiding the way for us here. The work that he founded and watched grow from its infancy is continuing to lead people to an awareness of The Spirit of God in their lives. Please feel free to call on us at any time for spiritual help.

May The Spirit of Infinite Peace be with you always.

Cordially yours,

Alfred B. Robinson

On May 6th 1949 I sent in my application blank  
filled out and the first payment on the course in your  
Psychiana Religion.

At that time I asked that instead of help for  
myself I wished help for a very dear friend  
of mine, at death's door, in the hospital. The im-  
provement in "Quentin", for that is his name, is  
nothing short of a miracle. In a few days he  
was sent home from the hospital. In the four  
weeks he has been home he has gained 20 lbs.  
in weight, his hemoglobin has gone up from 52  
to 75; he sleeps well, eats well, feels well and  
he and his folks (and certainly not forgetting myself,  
his friend) are too happy for words. "Truly this  
is one of God's miracles."

Dr. Robinson, my ambition is in the healing  
line. I concentrate on that, in fact have for a good  
many years. Your help, advice, information and  
counsel along that line will be greatly appreciated.

I herewith enclose the 2nd. installment of \$5.00,  
payment due in a few days.

A few lines from you, personally, Dr. would  
mean more than words can say. I know the  
many demands on your time, of course.

Thanks a million, Dr. Robinson, for en-  
couraging me to enroll for your valuable  
instructions. God bless you in your good  
work.

Sincerely,

Carl E. Gysler, 35-B-500 R.
