Mr. Alfred Robinson
Psychiana
100 North Main Street
Moscow, Idaho

Dear Mr. Robinson:

In view of the fact that Psychiana is soon to be closed, I am taking the liberty of writing to inquire if it would be possible for you to supply the Library with the following titles:

- Ye Men of Athens
- God and Dr. Bannister
- Blood on the Tail of a Pig - X211 - R562 *lv*
- Through War to God
- Your God Power
- The God Nobody Knows
- For Rent--A Cross
- Shall We Know Each Other Beyond the Tomb?
- Is the Story of Jesus Christ Fact or Fiction?
- The Name of the Beast - "666"
- America Awakening
- What this War Really Means
- Secret of Realization
- What God Really Is

In addition to the above titles could you supply us also with the graduate and post graduate Psychiana lessons? The Library already has all the rest of Dr. Robinson's works which you so generously presented to us in 1948.

At the time you turned over to us some of your father's writings, those listed above were out of print or unavailable. We are assuming that most of them, probably, are still not obtainable, but if they are, we would be indeed grateful to have an opportunity to procure them. It is our aim to bring together, if at all possible, the complete works of Dr. Robinson for permanent preservation by the University Library.

We will greatly appreciate any assistance you may be in a position to extend.

Sincerely yours,

Lee Zimmerman
Librarian

UNIVERSITY OF IDAHO

Inter-Office Memorandum

To: Lee Zimmerman

Subject: Psychiana files.

Date: December 3, 1952

The attached correspondence will serve to inform you of the steps we have taken to obtain the writings of Dr. Frank Robinson. I have not yet had a reply to my last letter to Alfred Robinson.

Pending a reply, this would be a good time to raise the question of whether you would care to go one step farther and solicit some (not all) of the private papers of Dr. Robinson, particularly those relating to his prosecution some years ago. If so, you may want to approach him directly rather than through the Librarian.

- ① Returned herewith.
- ② I will speak to Alf one of these days about your second paragraph. Until I have done this you should take no action without clearance from me. *LL*
