

To "Psychiana" Members Who Have Allowed Their Commitments to Become Delinquent

MY DEAR FRIEND AND FELLOW-STUDENT:

For some reason or other, your commitment of support to this Movement has become delinquent. You are not receiving your Lessons. I'm sorry whenever this happens, and it does not happen too often. Usually, the reason for not sending in regularly the monthly donation is just simply neglect. We wish we were able to give this Teaching away without having to ask for a regular monthly donation, but we are not. We operate entirely by mail, and this is very expensive as you must realize. We must meet our obligations. Our postage bill must be paid. The printer must be paid. Our salaries must be paid. Therefore, we are unable to continue to send the Lessons at this time to those who are not making their monthly free-will contribution to this Movement.

BUT YOU NEED THESE LESSONS

We know of no other organization on the face of the earth which is bringing to men and women these truths of God. Your life will be incomplete without the actual living Power of the invisible Realm of the Spirit of God. YOU CANNOT AFFORD TO HAVE THESE LESSONS BECOME PERMANENTLY DISCONTINUED. How then can you know these great truths of God? We shall be happy to start your Lessons again to you, where you left off, and will do so on receipt of your monthly donation, and your promise not to become delinquent with your free-will offering again. Let us all be fair. We are perfectly willing to send these Lessons to you without charge, and you in turn must do your part as a Member of "PSYCHIANA" to help us keep it going. Will you do this? Then send your donation and your Lessons will be coming to you again.

Cordially,

Frank B. Robinson
