
IMPORTANT NOTICE

Many students have written us asking if they may make their donations yearly instead of monthly. Of course they may. Just take the amount pledged every month, multiply it by twelve, and send that amount to us. It will save the additional work of mailing the donation every month, and it will save us a lot of time in bookkeeping. If you feel it would be possible for you to increase the size of your donation, we shall appreciate it a lot. Our burden is quite heavy and if it were not for our wonderful Students, we could not operate at all. We thank every one of you from the bottom of our hearts.
