

TO MY STUDENTS

A few weeks ago, I called the attention of a few of my Students to the fact that the change from a "pay" to a "free" basis had cost a lot more than I thought it would cost, and I asked a few of you who might like to, to make me a personal loan of whatever sum you felt you would like to loan to me. I was, however, able to secure a substantial loan at a local bank, sufficient to carry us over. Therefore, it will not be necessary for any of my Students to make me a loan, as we can see daylight. As this work of God progresses, I feel that our Students will see that sufficient money comes in to meet all expenses. That is all I have ever wanted. So speak to as many as you can, and send to me their names and addresses, but do not make me any personal loans, as this will not now be necessary.
